David Mitchell,2022-06-08 A phrase we often use when describing ourselves is I am For many when we look at ourselves and describe what we see it is not what God intends We see ourselves through the lens of the way life has shaped us rather than the vision God has of us We need the corrective lens of God s word guided by His Holy Spirit to correct our vision You might ask What would be different about the way God sees me than the way I see myself Quite simply God knows all there is to know about you He knows you better than you know yourself When God sees you He sees you through the filter of His plans for you and His plans are significant When you see yourself through the eyes of God He enables you to finish the phrase beginning with I am in a different way This book challenges you to complete the thought using the same language to describe yourself God would use Once you see yourself through the eyes of God this vision will set you up for success giving you an outward focus and purposeful excitement as you wake up every morning **See Yourself the Way God Sees You** Mavis Morisseau,2021-09-14 See Yourself the Way God Sees You is a journal that uses devotional epithets to give you short encouraging messages These messages will remind you to hold on to your dreams and God will provide the miracle Hold on to your faith and God will make a way out of no way Keep your hand in God s unchanging hand and He will designate an appointed time for you to use every gift bestowed upon your life Like no other He God is in your corner no matter what Hallelujah So See Yourself the Way God Sees You and allow this journal to complement your journey in life prayerfully transforming your life for the better and bringing you peace of mind and a feeling of self worth like never before God will paint you like a picture of perfection and make you over with His loving Brush Strokes You can count on it To God be the Glory
