See I Told You So:

If I Told You So Timothy Woodward, 2011-10-24 The summer you turn sixteen is supposed to be unforgettable It's the stuff of John Hughes movies and classic songs of heart stopping kisses and sudden revelations But life isn't always like the movies For Sean Jackson sixteen is off to an inauspicious start His options take a landscaping job in Georgia with his father or stay in his small New Hampshire hometown where the only place hiring is the local ice cream shop Donning a pink t shirt to scoop sundaes for tourists and seniors promises to be a colder stickier version of hell Still he opts to stay home On his first day at work Sean meets Becky a wickedly funny New York transplant The store manager Jay is eighteen effortlessly cool and according to Becky likes Sean the way Sean's starting to like him But before he can clear a path to the world that's waiting Sean will have to deal with his overprotective mother his sweet popular girlfriend Lisa his absentee father and all his own uncertainties and budding confusions Tender and achingly funny this coming of age story will resonate with anyone who is or has ever been a teenager when the only thing you can count on is how little you really know and the next glance or touch or breathless night can be the one that changes everything Woodward writes from the heart a genuine honest story about the joys and pains of first love and realizing that no one is as alone as it sometimes seems Robin Reardon A touching story about navigating the sometimes treacherous waters of first love J H Trumble Timothy Woodward grew up in a small town in the White Mountains of New Hampshire where Saturday evening trips to the local ice cream shop were a town ritual Later he moved to the city where he was a high school teacher and an advocate for GLBT youth with Greater Boston PFLAG and where ice cream shops have been replaced by frozen yogurt stores But Timothy still goes back to his hometown for their ice cream His favorite flavor is of course Purple Cow Told You So Lindsey Pogue, Scarlet St. James, 2018-07-17 Everyone has demons and for Nick she's a blonde haired gray eyed siren who won't give him the time of day Nick is the total package loyal hardworking and he's got a heart stopping smile that could make any girl swoon But true love continues to elude him For years Nick has fought his feelings for a certain bad girl despite her reputation His friends warn him against her she's caused enough turmoil in their lives to last a lifetime Still there's something about Bethany that draws Nick in and when life throws him a few curveballs Bethany is only the beginning Reputations are hard to shake in a small town which Bethany knows first hand She likes to party and let loose but that's not all she is Amid juggling college exams and navigating her shattered family caring for her autistic brother is Bethany cares about most But when she's forced to partner with the one guy who has always gotten under her skin it's all she can do to keep her walls up or risk letting all she's worked tirelessly for crumble Despite their past Nick is determined to show Bethany that she's wrong about him about them The Goonies a hot fudge sundae and a late night study session might be just enough to prove things don't always have to be so damned complicated Told You So is a story about love's imperfections and triumphs about following your heart especially when it's not easy and a testament that everything is better with pickles Visit www.authorscarletstjames.com for possible triggers Keywords enemies to lovers

What sets Ralph Nader apart is that he has moved beyond social criticism to effective political action. The New York Times. Nader is at his polemical best inveighing against specific issues from the skyrocketing costs of college education to the Keystone XL pipeline to new traffic safety concerns that harken back to his pivotal game-changing 1965 book *Unsafe at Any Speed*. Admirers of Nader will find much to savor here as will anyone seeking to understand the mind of a man who singlehandedly sparked a new era of citizen-driven political and consumer activism. Publishers Weekly. The column is the most natural literary form for a citizen's advocate and Ralph Nader may be its most robust and forceful practitioner. Told You So. The Big Book of Weekly Columns presents a panoramic portrait of the problems confronting our society and provides examples of the many actions an organized citizenry could and should take to create a more just and environmentally sustainable world. Drawing on decades of experience, Nader's columns document the consequences of concentrated corporate power threats to our food, water, and air; the corrosive effect of commercialism on our children; the dismantling of worker rights; and the attacks on our civil rights and civil liberties. Nader also offers concrete suggestions to spark citizen action and achieve social change.

I Told You So: Gore Vidal Talks Politics Gore Vidal, 2013-03-26. I exist to say No that isn't the way it is or What you believe to be true is not true for the following reasons. I am a master of the obvious. I mean if there's a hole in the road I will viciously outrageously say there's a hole in the road and if you don't fill it in you'll break the axle of your car. One is not loved for being helpful. Gore Vidal, one of America's foremost essayists, screenwriters, and novelists, died July 31, 2012. He was, in addition, a terrific conversationalist. Dick Cavett once described him as the best talker since Oscar Wilde. And Vidal was never more eloquent or caustic than when let loose on his favorite topic: the history and politics of the United States. This book is made up of four interviews conducted with his long-time interlocutor, the writer and radio host Jon Wiener, in which Vidal grapples with matters evidently close to his heart: the history of the American Empire, the rise of the National Security State, and his own life in politics, both as a commentator and candidate. The interviews cover a twenty-year span from 1988 to 2008, when Vidal was at the height of his powers. His extraordinary facility for developing an argument, tracing connections between past and present, and drawing on an encyclopedic knowledge of America's place in the world are all on full display. And of course, it being Gore Vidal, an ample sprinkling of gloriously acerbic one-liners is also provided. **Senate**

saying to my poor husband Roy Can you believe this After a while I knew he was tuning me out LOL I am what many people would describe as a political junkie I pay attention I follow the campaigns I was a beast I listened and watched as they tricked the uninformed and convinced them to vote against their own interest This time it was the absolute worst The lies were coming fast and furious We were inundated and totally on overdrive The media got caught up in the lies and it was obvious they wanted to create confusion and chaos especially when it came to Hillary I would say they were complicit in the worst election we have ever seen Everyone thought Hillary would win The entire political world including the press had given the election to Hillary She couldn't lose they said She needed to win just one of the toss up states and she would be madam president We were so excited but Comey had other ideas He found some damn e mails from Anthony Weiner and all hell broke loose The media was orgasmic They wanted a real race Elections have become all about making millions of dollars and Hillary's e mails generated a lot of interest especially if Anthony Carlos Danger Weiner was involved The media spent nine days with around the clock reporting on these e mails while Trump was getting billions of dollars worth of free airtime to spread untruths Fox News found the smoking gun they thought and Hillary was once again attacked for being unscrupulous and unworthy of the office Something was fishy with Comey Why would he release the letter to say he found more e mail and not give any further details Poor Hillary Two days before the election Comey sent another letter this time saying Never mind People were angry at Hillary for having the server Some decided to stay home and others decided to vote for someone else Trump won the presidency because of a few different factors Comeys letters just before the election played quite a significant role and now since Trump's win we learned about Russias involvement Poor Hillary never had a chance It was over The men took her down and women stabbed her in her back and never helped her Ugh **Munsey's Magazine for ...** ,1922
