Observations Or Only Visiting This Planet in Search of a Brain Or I Know the Answer's 42, But What's the Piggin' Question? Rainbow, 2006-11 Born the youngest of three in London England Rainbow has always been an Americaphile loving all things American especially chrome and fins on cars At 15 he left academia and enrolled in the University of Life He traveled to America in the a70s and again in the a80s although that rock and roll dream ended in him returning to England

totally broke and alone He turned for comfort and companionship to his ascratching pada and wrote always coming out in verse when the muse struck his expressions and observations on what he fondly calls the upright biped species that infect this planet as well as his own thoughts and experiences He slowly became convinced that he was not from this planet even if that only meant he seemed alien to most people However U S Immigration finally confirmed it when they stamped his passport as a legal permanent resident and issued him with his official alien number Thank you U S A Now itas official I come in peace but please donat take the peace
