See You On The Radio:

Radio Plays Caryl Phillips, 2022-12-29 Caryl Phillips is one of the most respected writers of his generation. An award-winning author best known for his fiction, essays, and stage plays, he is also the author of radio plays, nine of which were broadcast by the BBC between 1984 and 2016. Previously locked away in Phillips's archives housed at the Beinecke Library at Yale University, these hidden gems are now published in *Caryl Phillips's Radio Plays*, the first collection of these important works of drama. Despite being previously overlooked, these radio plays are fully creative works and constitute an integral part of Caryl Phillips's literary universe. Not only do these dramatic texts display the author's hallmark mix of formal elegance and sharp social criticism, but they also offer compelling points of comparison with the rest of his wider writing. From the experience on an eighteenth-century slave ship and the life of a migrant family in 1980s England to an account of James Baldwin's time in Paris and Marvin Gaye's stay in Belgium, these plays grapple with expansive themes in creative and dramatic ways. Contextualized by a scholarly introduction by Ben Dicte Ledent, this volume introduces these works in the published form for the first time, allowing readers a better grasp of Phillips's narrative techniques, offering fascinating vistas into his imaginary world, which ranges from the history of the African diaspora to the predicament of displaced individuals the world over.

Already a best seller in China, *Radio ChopstiX: An American DJ in China* is an amazing story from Rick O'Shea, an American who became the most famous foreigner radio DJ in China. Starting as a street painter in Canada, he followed a radio career in Florida and Hawaii where he invented the most imaginative radio station ever, Space Station KULA. Fate can lead you to unimagined places and experiences. Radio waves carried him to Taipei, Hong Kong, Shanghai, and Beijing. China's national broadcaster CCTV said that he changed radio history in China. Millions know who he is, but few know his story. And for the first time, he writes about his relationship with one of China's most famous writers, San Mao, whom he knew for ten years up to her tragic death in 1991. *Radio ChopstiX* is a creative radio story and more. Rick has experienced life in China from a much different and original perspective. He became a piece of modern China's history as a part of the bridge between China and the world, an unofficial Ambassador to China, updated April 2013. **British Radio Drama, 1945-63** Hugh Chignell, 2019-09-19. *British Radio Drama 1945-1963* reveals the quality and range of the avant-garde radio broadcasts from the golden age of British radio drama. Turning away from the cautious and conservative programming that emerged in the UK immediately after World War

If young generations of radio producers looked to French theatre introducing writers such as Samuel Beckett and Eugene Ionesco to British radio audiences This theatre of the absurd triggered a renaissance of writing and production featuring the work of Giles Cooper Rhys Adrian and Harold Pinter as well as the launch of the BBC Radiophonic Workshop Based on primary archival research and interviews with former BBC staff Hugh Chignell places this high point in the BBC's history in the broader context of British post war culture as norms of morality and behavior were re negotiated in the shadow of the Cold War while at once establishing the internationalism of post war radio and theatre *Color Radio* Dennis
