Jarvis, E. Elizabeth Johnson, 2013-01-01 Feasting on the Gospels is a new seven volume series that follows up on the success of the Feasting on the Word series to provide another unique preaching resource this time on the most prominent and preached upon New Testament books the four Gospels With contributions from a diverse and respected group of scholars and pastors Feasting on the Gospels will include completely new material that covers every single passage in the New Testament Gospels making it suitable for both lectionary and non lectionary use Moreover these volumes will incorporate the unique format of Feasting on the Word with four perspectives for preachers to choose from for each Gospel passage theological pastoral exegetical and homiletical Feasting on the Gospels will provide a special resource for all who preach either continuously or occasionally on the Gospels *Reluctant Prophets and Clueless Disciples* Robert Darden, 2005-02-01 It was once said that all a person has to do to realize God has a very good sense of humor is to look at a platypus The same sentiment applies to the Bible The Bible often seems like foreign territory not only for students encountering it in introductory classes but also for those who have spent many years in church To many people it is an intimidating collection of rules lists and theological arguments But in reality most of the Bible is made up of fascinating stories Sometimes they're funny sometimes they're weird sometimes they're inspiring but they're never dull This college level introduction invites students into biblical studies through creative humorous retellings and a few cartoons here and there of the basic biblical narratives The best way to get into the Bible says Robert F Darden is to get to know its stories In this new approach to introducing the Bible to students Darden covers the major biblical stories and characters retelling them in such a way as to bring out their original humor and pathos and inviting the student to encounter them more fully by moving into the text itself Click here to listen to Terri Gross's interview with Robert Darden on NPR's Fresh Air about the Black Gospel Music Restoration Project Darden runs the project at Baylor University where he is a journalism professor The purpose of the project is to identify acquire preserve record and catalogue the most at risk music from the black gospel music tradition primarily between 1945 and 1970 [The](#)

Casey,2019-11-01 A spiritual journey may take many forms from Dante s descent to the pits of Hell and up the other side to the bliss of Paradise to Pilgrim s progress or even to Billy Pilgrim unstuck in time in Vonnegut s Slaughterhouse Five It could be Elijah running headlong into the desert or Jonah being flung ashore and shouting in Nineveh a petulant prophet to the end Faith can be carried like pennies in the pocket or worn like a coat of many colors Abraham and Moses Mary and Peter all of them carried their faith and all of them had their doubts Doubt is the companion of faith and the mystery that bonds them together comes out in stories These are stories of faith doubt and mystery Not all who wander are lost Living Water

Robert P. Vande Kappelle,2022-10-27 Everyone loves a good story one with interesting characters an intriguing plot lots of twists and turns and a surprise ending Jesus was a master storyteller teaching primarily through a technique we call parables In fact over one third of the gospel material in the New Testament is parabolic in nature Examining the parables of Jesus Living Water views parables as a wisdom genre belonging to mashal the Jewish tradition of sacred poetry stories proverbs riddles and dialogues through which wisdom is conveyed In the Hebrew Bible the Old Testament mashal is often associated with perplexing sayings for its meaning is deliberately obscured in order to force the reader or listener to deeper thought and higher consciousness While examining the parables of Jesus Living Water focuses not so much on traditional explanations and interpretations but on their paradoxical and perplexing nature In addition this book encourages us to take a parabolic approach to all Scripture viewing it as an aid to help us move from egoic existence to unitive existence This Spirit led way of living thinking and being requires a transformation from our False Self to our True Self from dualist self obsession to nondualist consciousness characterized by risk taking compassion generosity availability and joy a path charted by the parables of Jesus Benefitting from recent scholarly research Living Water is unique in content and conception and is useful for individual or group study Each chapter concludes with questions suitable for discussion or reflection **Yoked** Andrew
