Tamed By a Bear Priscilla Stuckey,2018-07-10 Priscilla Stuckey shines a brilliant light on the relationship we long to cultivate with the deepest wellsprings of our wisdom and love This is a groundbreaking book written with extraordinary clarity beauty and radical honesty Gail D Storey author of I Promise Not to Suffer A Fool for Love Hikes the Pacific Crest Trail winner of the National Outdoor Book Award In an age of materialism language of spirit or spirits seems at best suspect and at worst alien or nai ve When Priscilla Stuckey begins hearing Bear s voice she is a writer and religious studies professor in her fifties Though she enjoys communing with trees and birds and the land she intellectually knows better than to try talking directly with spirit Yet searching for the truth of her own identity leads her directly toward what she is most skeptical of As Stuckey opens to her spirit animal helper and his affectionate jovial wisdom she begins to realize the slow dawning of faith Tamed by a Bear shows one person responding to the call of her heart which is also the call of Earth to all human beings today to listen to a more than human wisdom so people can address the social and environmental crises facing the world At this moment when the future of life on Earth as we know it hangs in the balance threatened by climate change species extinctions and extreme economic inequality the key to survival is found in answering one question How can humans live more peaceably and sustainably with the rest of nature The heart opening conversations between Bear and Stuckey suggest a reinvigorating of nature spirituality in everyday life Their dialogues show an educated thoughtful person grappling with her skepticism about Earth spirits and gradually saying yes to a call from beyond her intellectual understanding *Yosemite Nature Notes* ,1946 *Storm Bear* Bianca D'Arc,2019-04-23 Together they will reap the whirlwind Sabrina is a weather witch losing control Everything she touches seems to fall apart and tornadoes are whirling down Main Street in the small shifter town in the Canadian Rockies where she s lived for the past couple of years Ace is a bear shifter on walkabout without his brothers for the first time in a long time When he stops to talk to the Lords of the Were he is given a mission to fetch Sabrina and bring her back to their compound in Montana so she can get help When Ace is with Sabrina weather tempests

are the least of their problems Sparks fly between them and an attraction builds even as evil agents chase them trying to steal her power Will Ace be able to get her to safety or will the whirlwind take them into the darkness of the unknown
