we landed safely in England Bombers receiving a direct hit were blown out of the sky and another ten man aircrew was lost Planes severely damaged had to drop out of formation and face enemy fighters alone unless some of our P 51 or P 47 escort fighters protected them Bombers disabled or on fire had no choice but to order the crews to bail out Airmen who survived the parachute jump were captured and placed into German prisoner of war camps POW They were classified as missing in action Forty eight photos some sixty years old are included in this 350 page book to illustrate the story of the author s childhood in the Great Depression through the great air war of World War II A description of each mission from a sixty year old diary is included I think you will enjoy the story of a teenage Radio Gunner s experiences in the Mighty Eighth Air Force *Julian of Toledo Prognosticum Futuri Saeculi (Foreknowledge of the World to Come)* Tommaso Stancati,2010 What happens when we die Can the dead see what s happening on earth What will we be like in our resurrected bodies Do the souls in paradise know about the souls in hell What about purgatory These and other questions about the afterlife have fascinated Christians since the earliest times Julian 624 690 Bishop of Toledo in Spain was the first theologian to compile a systematic treatise on Christian eschatology He did not advance his own theories but instead drew on and synthesized the wisdom of the Church Fathers before him and thereby made their thought available to a wide readership before long copies of Julian s *Prognosticum* had made their way into libraries all over Europe Seventh century Spain in which the traditional Hispanic Roman and the new Visigothic cultures both blended and competed was a fascinating era in the church Translator and editor Tommaso Stancati provides in addition to his translation of the *Prognosticum* a magisterial four chapter introduction to Julian s life and times along with extensive and detailed notes *Historical Dictionary of Holocaust Cinema* Robert C. by the uncompromising adult belief of the time His authoritarian father loaded with the responsibility of caring for the large family was staunch in upholding his strong principles and instilling them into his children Of a less serious nature and with a strong desire to be free of the bonds restricting him from freedom of expression and thought Rem was often on the punitive end of the discipline rod both at school and home Opposing this oppression was the endless love and compassion of his mother who through the strength of her faith was able to engulf the whole family under her mantle of love and bind them together into a caring family unit At a young age Rem had to begin work to help support the family What he was expected to do for a few cents per week was beyond the capability of this small undernourished lad His father insisted on strength of character and allowed him to be pushed to the limit of his endurance Held by the love of his family but tormented with the urge to be free of restrictions Rem finally took his life in his own hands At the age of sixteen driven by the spirit of adventure he left home and joined the merchant navy His first voyage was on a whaling ship to the South Pole which was followed by voyages throughout the world for the next few years On sailing into his first Australian port his desire to stay in Australia took over He jumped ship and went inland where he took a job on the railway After six months as gang worker he was finally picked up by the law and experienced a short jail sentence before being deported back to Holland His love for Australia was strong and within two years he returned as a legal migrant and still lives in his beloved land today
