

A woman with long, flowing white hair is depicted in a dark, wide-brimmed witch's hat and a black robe. She is looking off to the side with a focused expression, her right hand extended forward as if reaching towards something. The background is a dark forest at night, illuminated by warm, glowing string lights that create a bokeh effect. The overall mood is mysterious and magical.

Billy Buckhorn and the Rise of the Night Seers: The Thunder Child Prophecy Book 2 Gary Robinson, 2024-02-16 Cherokee teen Billy Buckhorn had no idea what was in store for him when Osage teen Lisa Lookout and her family showed up on his doorstep. A tribal prophecy carried by their family for a thousand years indicates Billy is the long-awaited Chosen One and that he is destined to battle dark ancient forces that are planning to retake control of the Middleworld. As Billy comes to accept his prophesied new role, he must also learn to accept that he and his loved ones are now targets of the most powerful shape-shifting Native American witches and sorcerers on Turtle Island. Known as the Night Seers of the Owl Clan, Billy must use old Indigenous ways intertwined with new technology to fight and defeat this evil force. Billy Buckhorn and the Rise of the Night Seers is the second thrilling installment of the Thunder Child Prophecy Series.

Wisdom of the Ancient Seers David Frawley, 2019-01-01 The Rig Veda is not only one of the oldest sacred scriptures of the world but also one of the most misunderstood. Past scholarship has dismissed the hymns of the Rig Veda as being expressions of a primitive animistic mentality that only rarely rose to true spiritual and philosophical heights. David Frawley's book demonstrates that this judgmental view is ill-founded. His fine renderings of select Vedic hymns bear witness to the fact that their composers were sages and seers, powerful poets who knew the art of symbolic and metaphoric communication. The Vedic hymns give us a unique glimpse not into a primitive mentality but a mentality and culture that revolved around the highest spiritual values and visions. This is an important and riveting book ushering in a new and sounder tradition of Vedic interpretation and scholarship.
