French Revolution Peter McPhee,2017-03-13 On 14 July 1789 thousands of Parisians seized the Bastille fortress in Paris This was the most famous episode of the Revolution of 1789 when huge numbers of French people across the kingdom successfully rebelled against absolute monarchy and the privileges of the nobility But the subsequent struggle over what social and political system should replace the Old R gime was to divide French people and finally the whole of Europe The French Revolution is one of the great turning points in history It continues to fascinate us to inspire us at times to horrify us Never before had the people of a large and populous country sought to remake their society on the basis of the principles of liberty and equality The drama success and tragedy of their project have attracted students to it for more than two centuries Its importance and fascination for us are undiminished as we try to understand revolutions in our own times There are three key questions the book investigates First why was there a revolution in 1789 Second why did the revolution continue after 1789 culminating in civil war foreign invasion and terror Third what was the significance of the revolution Was the French Revolution a major turning point in French even world history or instead just a protracted period of violent upheaval and warfare which wrecked millions of lives This new edition of The French Revolution contains revised text and new photographs This edition includes video footage of Peter McPhee s interviews with Professor Ian Germani University of Regina Saskatchewan Canada on the role of military discipline in the French Revolutionary Wars Dr Marisa Linton Kingston University in London about her book Choosing Terror Virtue Friendship and Authenticity in the French Revolution a major study of the politics of Jacobinism and Professor Timothy Tackett University of California Irvine on the origins of terror in the French Revolution **The French Revolution, Vol 2** Thomas Carlyle,C.
