The time since humans first began exploring outer space has been marked by both great technological development and great social upheaval. Yet while the rapid technological advancement of the mid to late twentieth century made human spaceflight a reality the field has shown some resistance to cultural change over the same period. Ideas about the body in space and the future of humanity are at the core of the development of human spaceflight. This book examines how these have been constructed as specifically a male body and a heterosexual future. These presumptive norms are not unusual but this book argues that the unique attributes of outer space can be productively used in advancing theories of culture beyond the extra terrestrial *Counsel from the King* D.R. Mouton, 2023-02-09 Most Christians think that just because they are saved everything is going to go according to plan. Jesus never promised that we would have it easy. But he did promise to never leave us nor forsake us. Why? Because God has created you for such a time as this. You know that no matter what God is for you. Being a Christian is so much more than a title or something to do. It's EUR tm's a lifestyle. These are words for the everyday Christian Reflections of the Curse Ayn Dillard, 2022-07-25 Natalie's saga continues through male archetypes prophetic dreams past life memories and legal situations on her journey to genuine love. Everyone we meet is our mirror an aspect of our inner self either in the sameness or the opposite. In the Garden of Eden God told Adam and Eve not to partake of the fruit from one particular tree the tree of knowledge. The Serpent Satan slithered in approach to the woman Eve telling enticing her that it was okay to eat of the fruit of the tree. That nothing harmful would occur to not believe God but to believe him. Eve believed the Serpent Satan and took a bite of the forbidden fruit. It tasted good and nothing negative appeared to occur. Eve went to Adam and told him as such. Adam took a bite of the fruit. Adam and Eve realized they were naked and became ashamed. God noticing their shame inquired of Adam. Why did you eat of the fruit from the forbidden tree? Adam replied The woman Eve told me to eat of it. God

asked Eve Why did you partake of the fruit from the forbidden tree Eve replied The serpent told me that it was okay to eat of it so I did In the fall of Adam he became a blame deflecting narcissist Shame was introduced into paradise Out of his shame Adam took no accountability or responsibility for eating the forbidden fruit Instead he put the blame on Eve then Eve passed the buck to the Serpent Satan The devil made me do it excuse The Serpent Satan knew that he d won this first round Adam held Eve out in front of him as a shield or excuse This story line has continued on varying levels ever since Satan was the original malignant narcissist caring only about manipulation control deception lies gas lighting and destruction as he tries to take the power of God for himself Satan Narcissists are full of shame The shame of envy lies and sin Satan s goal out of his envy is to try and usurp God by perverting and destroying God s most precious and prized creation that of the human being and what better way to do this but in the romantic male female relationship Genesis 1 27 KJV So God created man in his own image in the image of God created he him male and female created he them The Serpent Satan began first thing to tarnish love peace purity bliss and joy in the male female God created connection In each and every male female connection there will be three Man woman and Satan or male female and God And of course it extrapolates out from there into the world into each and every relationship on earth There will always aspects of good and evil It only depends on the spectrum and degree of good or evil in each person in any given time as it magnifies into each relationship Along with the awareness of self either to step into self reflection and healing or to fall further and deeper into separation from self into sin and shame God s creation of Adam and Eve necessitated a maturation process as well as a process for salvation Why do we attract to those that we do and why do they attract to us This is one of life s greatest mysteries Patterns of romance selection are guided by complex internal interweavings Perhaps the attraction is to those who carry the energy needed to become more aware of imprints negative beliefs in order to heal and further expand our soul The highest of the male energy protects provides and heals The lowest of the male energy predator like destroys and steals Ayn Dillard By understanding her ways he comes to know the mystery of his heart By sharing love with her he discovers how to love the world In the merging of the two she awakens his masculinity to receive the beauty of the feminine He becomes her strength She becomes his weakness this is truest and most profound exchange of power
