Selected Journals Of L M Montgomery Vol 3 1921 1929:

The L.M. Montgomery Reader Benjamin Lefebvre, 2013-01-01 An exciting new collection The L M Montgomery Reader assembles significant rediscovered primary materials on one of Canada's most enduringly popular authors throughout her high profile career as the author of the resoundingly successful *Anne of Green Gables* 1908 and after her death Each of its three volumes gathers pieces published all over the world to set the stage for a much needed reassessment of Montgomery's literary reputation Much of the material is freshly unearthed from archives and digital collections and has never before been collected in book form The ninety selections appearing in this first volume focus on Montgomery's role as a public celebrity giving a strong impression of her as a writer and cultural critic as she discusses a range of topics with wit wisdom and humour including the natural landscape of Prince Edward Island her wide readership anxieties about modernity and the continued relevance of old ideals These essays and interviews are joined by a number of additional pieces that discuss her work's literary and cultural value in relation to an emerging canon of Canadian literature with nearly one hundred selections in all Each volume is accompanied by an extensive introduction and detailed commentary by leading Montgomery scholar Benjamin Lefebvre that trace the interplay between the author and the critic as well as between the private and public Montgomery This volume and the Reader as a whole adds tremendously to our understanding and appreciation of Montgomery's legacy as a Canadian author and as a literary celebrity both during and beyond her lifetime Publisher's description

The Intimate Life of L.M. Montgomery Irene Gammel, 2005-01-01 Who ultimately is L M Montgomery and why was there such an obsession with secrecy hiding and encoding in her life and fiction Delving into the hidden life of Canada's most enigmatic writer *The Intimate Life of L M Montgomery* answers these questions The eleven essays illuminate Montgomery's personal writings and photographic self portraits and probe the ways in which she actively shaped her life as a work of art This is the first book to investigate Montgomery's personal writings which filled thousands of pages in journals and a memoir correspondence scrapbooks and photography Using theories of autobiography and life writing the essays probe the author's flair for the dramatic and her exuberance in costuming while also exploring the personal facts behind some of her fiction including the beloved *Anne of Green Gables* Focussing on topics such as sexuality depression marriage aging illness and writing the essays strip away the layers of art and artifice that disguised Montgomery's most intensely guarded secrets including details of her affair with Herman Leard her marriage with Ewen Macdonald and her friendships with Nora Lefurgey and Isabel Anderson The book also includes rare photographs taken by Montgomery and others many of which have not previously appeared in print One of the highlights of *The Intimate Life of L M Montgomery* is the inclusion of a secret diary that Montgomery wrote with Lefurgey in 1903 This hilarious document is a rare find for Montgomery's teasing banter presents us with a new voice that is distinct from the sombre tone of her journals Published here for the first time more than 100 years after its composition this diary is virtually unknown to readers and scholars and is a welcome addition to the

literature on this important figure This volume fills in many of the blanks surrounding Montgomery's personal life Engaging and erudite it is a boon for scholars and Montgomery fans alike
