Bernard S. Jackson

Selected Judgments Of The Supreme Court Of Israel Special Volume:

Selected Judgments of the Supreme Court of Israel Asher Felix Landau, 2023-07-28 Is Judaism a religion or a nationality Can a person claim Jewish nationality and at the same time no religion Does conversion from Judaism prevent an individual from emigrating to Israel under the Law of Return These questions were recently considered by the Israeli Supreme Court and the judgments rendered are translated in this volume Palestinian and Israeli statutes concerning immigration nationalization and registration are interpreted by the judges Palestine and Israel John B. Quigley, 1990 The dispute over Palestine between the Palestinian Arabs and the Israelis is one of the most volatile and intractable conflicts in the world today Palestine and Israel examines the history of this battle from the perspective of international law and it argues that a long term solution to the conflict must protect legitimate interests to remain viable an element the author believes has so far been seriously neglected This extensively documented work details the complex politics and agonizing struggles that have characterized the clash between Jews and Arabs examining in depth the competing claims to Palestine and the extent to which legitimate interests remain to be fulfilled Beginning with the early Zionist settlement in Palestine that rose from the effort by Jews to escape long standing discrimination in Europe Qigley investigates the origins of the dispute including the British occupation of Palestine the British Mandate and the involvement of the United Nations He examines the 1948 War the establishment of Israel and explores the legal and political status of Jews there After a detailed analysis of the 1967 War and Israel s occupation of the West Bank and Gaza Strip he concludes with recommendations for resolving the conflict including discussions of the responsibility of other states for the persisting injustice the role of other states in settling the dispute and steps to a possible solution *Selected Judgements by the Supreme Court of Israel* Israel. Bet ha-mishpaḥa U'ha-'elyon, 1971

The Case for Palestine John B. Quigley, 2005 A history of the conflict between Israel and the Palestinians from the perspective of international law that examines the extent to which legitimate interests remain to be fulfilled **Israel Yearbook on Human Rights, Volume 16 (1986)** Yoram Dinstein, 2020-10-26 **In Search of Israel** Michael Brenner, 2018-03-06 A major new history of the century long debate over what a Jewish state should be Many Zionists who advocated the creation of a Jewish state envisioned a nation like any other Yet for Israel s founders the state that emerged against all odds in 1948 was anything but ordinary Born from the ashes of genocide and a long history of suffering Israel was conceived to be unique a model society and the heart of a prosperous new Middle East It is this paradox says historian Michael Brenner the Jewish people s wish for a homeland both normal and exceptional that shapes Israel s ongoing struggle to define itself and secure a place among nations In Search of Israel is a major new history of this struggle from the late nineteenth century to our time When Theodor Herzl convened the First Zionist Congress in 1897 no single solution to the problem of normalizing the Jewish people emerged Herzl proposed a secular liberal New Society that would be home to Jews and non Jews alike East European Zionists advocated the renewal of the Hebrew language and the creation of a distinct

Jewish culture Socialists imagined a society of workers collectives and farm settlements The Orthodox dreamt of a society based on the laws of Jewish scripture The stage was set for a clash of Zionist dreams and Israeli realities that continues today Seventy years after its founding Israel has achieved much but for a state widely viewed as either a paragon or a pariah Brenner argues the goal of becoming a state like any other remains elusive If the Jews were the archetypal other in history ironically Israel which so much wanted to avoid the stamp of otherness has become the Jew among the nations **The Genocide Convention** John Quigley, 2016-03-09 The Genocide Convention explores the question of whether the law and genocide law in particular can prevent mass atrocities The volume explains how genocide came to be accepted as a legal norm and analyzes the intent required for this categorization The work also discusses individual suits against states for genocide and finally explores the utility of genocide as a legal concept Nation State and Immigration Professor Anita Shapira, Yedidia Z. Stern, Alexander Yakobson, 2014-11-01 For the last two centuries the nation state has posed a formidable challenge to multinational empires It has served as a base for modernisation secularisation and democratisation and also for the formation of totalitarian regimes Today the nation state faces challenges from multiple directions National minorities demand self determination while religious forces challenge secular governments and global migration movements undermine the cultural uniformity once considered essential for the formation and preservation of nation states This is the third of a three volume set detailed below which addresses key challenges facing the contemporary nation state from a global perspective but with special emphasis on the Middle East and Israel Publication reflects research conducted under the auspices of The Israel Democracy Institute's Nation State Project which analyses Israel's complex reality in which a Jewish majority contends with an Arab minority ultra Orthodox religious forces reject the authority of the nation state and an immigrant society exhibits substantial cultural and ethnic variance Volume III explores the cultural social and political effects of immigration on the contemporary nation state its character cohesion and possible future as well as on contemporary liberal democracy Contributions deal with such issues as different liberal approaches to the issue of immigration and immigrant integration nation building narratives and their implications for immigrants and minorities citizenship tests and integration policy in the United States and in Europe as well as Israel's Law of Return and the debate about it and other aspects of immigration policy Israel Gregory S. Mahler, 2018-04-27 This title was first published in 2000 The International Library of Politics and Comparative Government brings together in one series the most significant journal articles to appear in the field of comparative politics in the last twenty five years It makes accessible to teachers researchers and students an extensive range of essays which provide an indispensable basis for understanding both the established conceptual terrain and the new ground being broken in the fast changing field of comparative political analysis A number of acknowledged experts have been invited to act as editors for the series They preface each volume with an introductory essay in which they review the basis for the selection of articles and suggest future directions of research and investigation in the subject area An

invaluable resource for all those working in the field of comparative government and politics **JEWISH LAW ANNUAL 1978** Bernard S. Jackson, 1978 *Law and Government in Israel* Gideon Doron, Arye Naor, Assaf Meydani, 2013-10-31 While most current studies on law and politics in Israel focus on the legal aspects of public policymaking within the courts this book explores the relationship between law and government from a positive perspective That is to say that the question asked is how the political relationships between the three branches of government affect public policy and hence social outcomes The eleven contributors to this volume concentrate on Israel from theoretical comparative and critical approaches and hence the analysis presented could as well be applied to other polities This book was published as a special issue of Israel Affairs

Sovereignty and Religious Freedom Simon Rabinovitch, 2024-11-26 A comparative legal history of Jewish sovereignty and religious freedom illuminating the surprising ways that collective and individual rights have evolved over the past two centuries It is a common assumption that in Israel Jews have sovereignty and in most other places where Jews live today they have religious freedom instead As Simon Rabinovitch shows in this original work the situation is much more complicated Jews today possess different kinds of legal rights in states around the world some stem from religious freedom protections and others evolved from a longer history of Jewish autonomy By comparing conflicts between Jewish collective and individual rights in courts and laws across the globe from the French Revolution to today this book provides a nuanced legal history of Jewish sovereignty and religious freedom Rabinovitch weaves key themes in Jewish legal history with the individual stories of litigants exploring ideas about citizenship and belonging who is a Jew what makes a Jewish family and how to define Jewish space He uses recent court cases to explore problems of conflicting rights and then situates each case in a wider historical context This unique comparative history creates a global picture of modern legal development in which Jews continue to use the law to carve out surprising forms of sovereignty *The Jewish Law Annual* Bernard S. Jackson, 2023-08-28 Volume 15 of The Jewish Law Annual adds to the growing list of articles on Jewish law that have been published in volumes 1-14 of this series providing English speaking readers with scholarly material meeting the highest academic standards The volume contains six articles diverse in their scope and focus encompassing legal historical textual comparative and conceptual analysis as well as a survey of recent literature and a chronicle of cases of interest Among the topics covered are lying in rabbinical court proceedings unjust enrichment can a witness serve as judge in the same case Caro's Shulham Arukh volume Maimonides Mishne Torah in the Yemenite community the New Jersey eruv wards *Jewish Identity* Simon N. Herman, Employing insights from a broadly conceived social psychology Simon N. Herman examines contemporary Jewish life in its totality as a constellation of interdependent factors He sets forth criteria for the Jewish identity analyzes the religious and national elements that interweave in it the constancies and variations in that identity across the years and across countries the impact on it of the Holocaust and the establishment of the state of Israel An illuminating chapter is devoted to the question Who is a Jew In his foreword to the first edition of this volume Herbert Kelman of Harvard University described it as

a pioneering contribution to the study of ethnic national identity The second edition incorporates additional data derived from two recent studies conducted by the author It includes a discussion of the direction of changes in the Jewish identity in the decade since publication of the first edition Special attention is given to the Jewish reactions to the worldwide resurgence of anti-Semitism and to the turbulent events in and around Israel A careful analysis is undertaken of the factors in the present situation that strengthen and weaken the Jewish identity Jewish Law in Legal History and the Modern World Bernard S. Jackson, 1980-01-01 Constitutional Secularism in an Age of Religious Revival Susanna Mancini, Michel Rosenfeld, 2014-01-30 The global movement of culture and religion has brought about a serious challenge to traditional constitutional secularism This challenge comes in the form of a political and institutional struggle against secular constitutionalism and a two pronged assault on the very legitimacy and viability of the concept On the one hand constitutional secularism has been attacked as inherently hostile rather than neutral toward religion and on the other hand constitutional secularism has been criticized as inevitably favouring one religion or set of religions over others The contributors to this book come from a variety of different disciplines including law anthropology history philosophy and political theory They provide accounts of and explanations for present predicaments critiques of contemporary institutional political and cultural arrangements justifications and practices and suggestions with a view to overcoming or circumventing several of the seemingly intractable or insurmountable current controversies and deadlocks The book is separated into five parts Part I provides theoretical perspectives on the present day conflicts between secularism and religion Part II focuses on the relationship between religion secularism and the public sphere Part III examines the nexus between religion secularism and women's equality Part IV concentrates on religious perspectives on constraints on and accommodations of religion within the precincts of the liberal state Finally Part V zeroes in on conflicts between religion and secularism in specific contexts namely education and freedom of speech Israel Yearbook on Human Rights, Volume 26 (1996) Yoram Dinstein, Fania Domb, 2020-10-26 The Israel Yearbook on Human Rights an annual published under the auspices of the Faculty of Law of Tel Aviv University since 1971 is devoted to publishing studies by distinguished scholars in Israel and other countries on human rights in peace and war with particular emphasis on problems relevant to the State of Israel and the Jewish people The Yearbook also incorporates documentary materials relating to Israel and the Administered Areas which are not otherwise available in English including summaries of judicial decisions compilations of legislative enactments and military proclamations Volume 26 contains amongst others articles on The Essence of Democracy Democracy in International Relations The Threats to Democracy and Democracy in Israel and the Palestinian Authority **Apple of Gold** Gary Jeffrey Jacobsohn, 2017-03-14 By comparing the constitutional systems of Israel and the United States Gary Jacobsohn provides a new view of the essentials of constitutionalism itself a balanced picture that would have been impossible to achieve by focusing on any one polity Abraham Lincoln in likening the Declaration of Independence to the Biblical apple of gold and the

Constitution to its picture of silver illuminated the connections in the United States between political ideas and constitutional government Jacobsohn applies Lincoln's insight to the Israeli experience to develop a deeper understanding of the relationship between political culture and constitutionalism and the limits and possibilities for constitutional transplantation Originally published in 1993 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Jewish Law Association Studies*, 2000 Vols 1 2 consist of proceedings of the 1st 2nd International Congress of the Jewish Law Association **The Unchosen Ones** Jannis Panagiotidis, 2019-08-28 This fascinating original well researched and persuasively argued work examines the phenomenon of co ethnic migration in Israel and Germany Sebastian Conrad author of *What Is Global History* Co ethnic migration happens when migrants seek admission to a country based on their purported ethnicity or nationality being the same as the country of destination In *The Unchosen Ones* social historian Jannis Panagiotidis looks at legislation and implementation regarding co ethnic migration in Germany and Israel This study focuses on individual cases ranging from after the Second World War to after the fall of the Berlin Wall where migrants were not allowed to enter the country they sought to make their home These rejections confound notions of an open door or a return to the homeland and present contrasting ideas of descent culture blood and race Questions of historical origins immigrant selection and screening and national belonging are deeply ambiguous complicating migration even in nations that are purported to be ethnically homogenous Through highly original and illuminating analysis Panagiotidis shows that migration is never a simple matter of moving from place to place

Selected Judgments Of The Supreme Court Of Israel Special Volume Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Selected Judgments Of The Supreme Court Of Israel Special Volume PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational

resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Selected Judgments Of The Supreme Court Of Israel Special Volume PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Selected Judgments Of The Supreme Court Of Israel Special Volume free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Selected Judgments Of The Supreme Court Of Israel Special Volume Books

What is a Selected Judgments Of The Supreme Court Of Israel Special Volume PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Selected Judgments Of The Supreme Court Of Israel Special Volume PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Selected Judgments Of The Supreme Court Of Israel Special Volume PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Selected Judgments Of The Supreme Court Of Israel Special Volume PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Selected Judgments Of The Supreme Court Of Israel Special Volume PDF?** Most PDF

editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
