**Culture and Customs of Peru** Cesar Ferreira Ph.D., Eduardo Dargent-Chamot, 2002-11-30 The breadth of Peru's culture from pre-Columbian times to today is surveyed in this one-stop reference. Modern Peru emerges as an ethnically divided nation progressing toward social integration of its heavily Indian and Hispanic population. Ferreira and Dargent, native Peruvians, illustrate how the diverse geography of the country—the Andes, coast, and jungle—has also had a role in shaping cultural and social expression from history to art. Further exploring the influence of Spanish colonialism and its modern blending with Indian traditions, this volume covers the legacy of the Incas and Machu Picchu, providing an authoritative overview of how the citizenry and major cultural venues such as the church, media, and arts have evolved. A chronology and glossary supplement the text.

**Latin American and Caribbean Artists of the Modern Era** Steve Shipp, 2003-01-01 This is a comprehensive reference book to more than 12,700 painters, sculptors, graphic artists, and architects in Latin America: Mexico, Central America, South America, and the Caribbean region, active during the nineteenth and twentieth centuries. Entries include the artists' years, countries, and bibliographies. Also included are brief biographical and stylistic notes, a record of each artist's exhibitions, and a list of collections where the works can be seen. There are 89 photographs of selected works supplementing the entries. The introduction includes brief informative background essays on the individual countries and their artists.

**Art of Latin America** Marta Traba, 1994-01-01 Marta Traba, one of Latin America's most controversial art critics, examines the works of over 1,000 artists from the first 80 years of the 20th century. Compiled by the Hispanic Division of the Library of Congress and annotated by a corps of more than 130 specialists in various disciplines, the *Handbook* alternates from year to year between social sciences and humanities. The *Handbook* annotates works on Mexico, Central America, the Caribbean, and the Guianas, Spanish South America, and Brazil, as well as materials covering Latin America as a whole. Most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research under way in specialized areas. The *Handbook of Latin American Studies* is the oldest continuing reference work in the field. Lawrence Boudon of the Library of Congress, Hispanic Division, has been the editor since 2000, and Katherine D. McCann has been assistant editor since 1999. The subject categories for Volume 60 are as follows: Art History including ethnohistory; Literature including translations from the Spanish and Portuguese; Music; Philosophy; Latin American Thought.
