Committee on Appropriations,1953 *Rethinking "Gnosticism"* Michael Allen Williams,1999-04-12 Most anyone interested in such topics as creation mythology Jungian theory or the idea of secret teachings in ancient Judaism and Christianity has found gnosticism compelling Yet the term gnosticism which often connotes a single rebellious movement against the prevailing religions of late antiquity gives the false impression of a monolithic religious phenomenon Here Michael Williams challenges the validity of the widely invoked category of ancient gnosticism and the ways it has been described Presenting such famous writings and movements as the Apocryphon of John and Valentinian Christianity Williams uncovers the similarities and differences among some major traditions widely categorized as gnostic He provides an eloquent systematic argument for a more accurate way to discuss these interpretive approaches The modern construct gnosticism is not justified by any ancient self definition and many of the most commonly cited religious features that supposedly define gnosticism phenomenologically turn out to be questionable Exploring the sample sets of gnostic teachings Williams refutes generalizations concerning asceticism and libertinism attitudes toward the body and the created world and alleged features of protest parasitism and elitism He sketches a fresh model for understanding ancient innovations on more mainstream Judaism and Christianity a model that is informed by modern research on dynamics in new religious movements and is freed from the false stereotypes from which the category gnosticism has been constructed **Seth's Brother's Wife** Harold Frederic,2017 A strong story of everyday life and one essentially American Seth Fairchild s experience as a green country boy on a great city daily of which he finally becomes the editor is true to the life and not without its lesson Isabel Seth s brother s wife is the central figure of a love story which is full of dark shadows A murder and many realistic descriptions of rural New York life and character are among the elements which go to make up an unusually fresh and original novel *Biblical Figures Outside the Bible* Michael E.
