Setting Of Sermon On The Mount:

The Setting of the Sermon on the Mount Davies, Glyn, W. D. Davies, *The Sermon on the Mount in the Light of the Temple* Professor John W Welch, 2013-05-28 No religious text has influenced the world more than has the New Testament's Sermon on the Mount and yet this crucial text still begs to be more clearly understood Why was it written What unifying theme or purpose holds it all together Should it be called a sermon Or is it some other kind of composition How would its earliest listeners have heard its encoded allusions and systematic program This book offers new insights into the Sermon on the Mount by seeing it in the shadow of the all pervasive Temple in Jerusalem which dominated the religious landscape of the world of Jesus and his earliest disciples Analyzing Matthew 5-7 in light of biblical and Jewish backgrounds ritual studies and oral performances in early Christian worship this reading coherently integrates every line in the Sermon It positions the Sermon as the premier Christian mystery *The Content and the Setting of the Gospel Tradition* Mark Harding, Alanna Nobbs, 2010-10-22 Editors Mark Harding and Alanna Nobbs have here brought together the internationally recognized scholarly excellence of Macquarie University faculty and associates to provide a major contribution to the study of the content and environment of the New Testament Gospels Few books in current New Testament scholarship seriously tackle its social setting and textual tradition beyond a chapter or two *The Content and Setting of the Gospel Tradition* integrates the texts with the literary social and historical context in which they were written *The People's New Testament Commentary* M. Eugene Boring, Fred B. Craddock, 2010-01-01 M Eugene Boring and Fred B Craddock present this new one volume commentary on the New Testament Writing from the fundamental conviction that the New Testament is the people's book Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship Their work clarifies matters of history culture geography literature and translation enabling people to listen more carefully to the text This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible **The Setting of the Sermon of the Mount** William David Davies, 1966 **The Sermon on the Mount** Frank J. Matera, 2013 Taking his cue from Saint Augustine who once described the Sermon on the Mount as the perfect measure of the Christian life Frank Matera provides an exposition of the sermon that draws out its implications for daily life Written for readers who want to know how they ought to live out their discipleship today this volume shows how the sermon summons all believers to single minded devotion and wholehearted service to God This lively and engaging commentary is an ideal resource for adult education and Bible study groups as well as for individuals looking to deepen their discipleship *The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Volume 1* Hughes Oliphant Old, 1998 In this volume Hughes Oliphant Old begins his survey of the history of preaching by discussing the roots of the Christian ministry of the Word in the worship of Israel He then examines the preaching of Christ the Apostles and early church leaders I *Sacra Pagina: The Gospel of Matthew* Daniel J. Harrington,

SJ,2023-06-13 Matthew wrote his Gospel from his perspective as a Jew It is with sensitivity to this perspective that Father Harrington undertakes this commentary on the Gospel of Matthew After an introduction he provides a literal translation of each section in Matthew s Gospel and explains the textual problems philological difficulties and other matters in the notes He then presents a literary analysis of each text content form use of sources structure examines the text against its Jewish background situates it in the context of Matthew s debate with other first century Jews and reflects on its significance for Christian theology and Christian Jewish relations Bibliographies direct the reader to other important modern studies
