

HARRY TURTLEDOVE

The background image is a composite. On the left, a classical building with columns is visible. In the center, a battle scene unfolds with soldiers in M1 helmets and olive drab uniforms. One soldier in the foreground is shouting, while others are crouching or aiming rifles. A Confederate battle flag flies on the right. In the background, there are explosions, smoke, and aircraft in the sky. The overall tone is dramatic and historical.

Settling Accounts Drive To The East:

Drive to the East (Settling Accounts, Book Two) Harry Turtledove, 2006-05-30 Turtledove never tires of exploring the paths not taken bringing to his storytelling a prodigious knowledge of his subject and a profound understanding of human sensibilities and motivations Library Journal It s 1942 For twenty five years the USA and the CSA have been entrenched in an era of simmering hatred locked in a tangle of blood soaked battle lines modern weaponry desperate strategies and the kind of violence that only the damned could conjure up for themselves and their enemies In Richmond Confederate president and dictator Jake Featherston is shocked by what his own aircraft have done in Philadelphia killing U S president Al Smith in a barrage of bombs Featherston presses ahead with a secret plan carried out on the dusty plains of Texas where a so called detention camp hides a far more evil purpose As the untested U S vice president takes over for Smith the United States face a furious thrust by the Confederate army pressing inexorably into Pennsylvania But with the industrial heartland under siege Canada in revolt and U S naval ships fighting against the Japanese in the Sandwich Islands the most dangerous place in the world may be overlooked First time readers can jump in and enjoy Turtledove s richly rearranged cultural and political landscape The Kansas City Star Engrossing thoroughly satisfying Publishers Weekly **Settling Accounts** Harry Turtledove, 2006-02 Turtledove s alternate history of a century long American civil war continues The second book in the Settling Accounts sequence takes the story to 1942 during an utterly different World War II The Confederate States of America are locked in a tangle of jagged blood soaked battle lines with the United States of America In Richmond dictator Jake Featherston is shocked by what his own aircraft have done in Philadelphia killing U S president Al Smith in a barrage of bombs But he presses ahead with a secret plan on the dusty plains of Texas where a so called detention camp hides a far more evil purpose The United States face a furious thrust by Confederate army into Pennsylvania But with the industrial heartland under siege Canada in revolt and US ships fighting against the Japanese in the Sandwich Islands the most dangerous place in the world may be overlooked *West and East (The War That Came Early, Book Two)* Harry Turtledove, 2011-05-24 What if British prime minister Neville Chamberlain had defied Hitler What if the Munich Accord had gone unsigned and Nazi Germany had launched its bid for conquest sooner How would World War II have unfolded and with what consequences Dean of alternate history Harry Turtledove has the stunning answers in his breathtaking sequel to Hitler s War In the wake of Hitler s bold invasion of Czechoslovakia nations turn against nations old enemies form new alliances and ordinary men and women confront extraordinary life and death situations An American marine falls in love with a Russian dancer in Japanese held Singapore as Chinese guerilla resistance erupts A sniper on the frontlines of France finds a powerful new way to ply his deadly art while a German assassin hunts him In the icy North Atlantic as a U boat with a secret weapon wreaks havoc on British ships occupying Nazi forces target Denmark And in Germany a stranded American woman encounters Hitler himself as a Jewish family faces the rising tide of hatred From Siberia to Spain armies clash sides are

chosen new weapons raise the deadly ante and new strategies seek to break a growing stalemate But one question hangs over the conflict from West to East What will it take to bring America into this war

Return Engagement (Settling Accounts, Book One) Harry Turtledove, 2005-06-28 Harry Turtledove handles his huge cast with admirable skill The insights into racial politics elevate this novel to a status above mere entertainment although it provides that aplenty Publishers Weekly It s 1941 and an alliance of peace holds in check the most powerful nations of the world but it is an uneasy peace Japan dominates the Pacific the Russian tsar rules Alaska and England under Winston Churchill chafes for a return to its former glory Behind this facade of world order America is a bomb waiting to explode Jake Featherston the megalomaniacal leader of the Confederate States of America is just the man to light the fuse Opposite him is Al Smith a Socialist U S president in the Philadelphia White House Smith is a living symbol of hope for a nation that has been through the hell of war and depression Featherston and his Freedom Party are determined to conquer their Northern neighbor at any cost After crushing a Negro rebellion in his own nation Featherston sends Confederate army planes to attack Philadelphia In the aftermath of the CSA blitzkrieg the war machine spins a vortex of destruction betrayal and fury that no one not even Jake Featherston himself can control Turtledove plays heady games with actual history scattering object lessons and bitter ironies along the way Return Engagement features strong complex characters against a sweeping alt historical background Kirkus Reviews Another absorbing installment of Turtledove s character centered alternate history saga Booklist

Videssos Cycle: Volume Two Harry Turtledove, 2013-04-16 The classic fantasy series from one of alternative history s stalwarts The New Yorker continues in the adventure of a lifetime Harry Turtledove s brilliant re imaginings of major world events have thrilled fans for decades but he first captured readers attention with the Videssos Cycle a unique blend of fantasy and speculative history In this two book volume a Roman legion thrown into another world fights its way through sorcery intrigue and epic conflict THE LEGION OF VIDESSIONS Since the legion was mysteriously transported to this magical realm Roman military tribune Marcus Aemilius Scaurus has valiantly served the rulers of the war torn city of Videssos However Fortune is a fickle goddess Returning in triumph after defeating a well entrenched army of rebel mercenaries Marcus is betrayed by a friend seized as a traitor and dragged before the Emperor Only one person may be able to save him the Emperor s niece But consorting with her could lead to exile or worse SWORDS OF THE LEGION As prisoner of the Emperor Marcus Scaurus is in a desperate situation He stands condemned for treason unless he can reclaim a rebel province from a fanatic usurper without the aid of his Romans Now with just one centurion by his side Marcus sets out to once again do the impossible Soon the fates conspire against the men driving them toward the torture chambers of an evil deathless wizard prince But an audacious last hope rallies behind them the soldiers of the legion are on the march

Two Fronts Harry Turtledove, 2013 As the Spanish civil war drags on and the United States fights Japan in the Pacific Nazi Germany fights Russia in Eastern Europe as new nationalist powers arise

Last Orders (The War That Came Early, Book Six) Harry Turtledove, 2014-07-15 History is

changed by one small act In an extraordinary saga of nations locked in war master storyteller Harry Turtledove examines a very different World War II one which erupts eleven months earlier and over Czechoslovakia rather than Poland Now comes the final installment in this landmark series Hitler's Plan A was to win in a hurry striking hard and deep into France There was no Plan B Now the war grinds on Countries have been forced into strange alliances The Nazis fortify thin lines with Hungarian and Romanian troops England finding its footing after the suspicious death of Winston Churchill and a coup d tat fights back in Europe and on the seas of the North Atlantic Jews fight on both sides of the war in secret in German uniform openly in Spain France and Russia Into the standoff come new killing tools from tanks to bazookas In the Pacific Japan prepares bombs filled with macabre biological concoctions to be dropped on Hawaii For the U S the only enemy is Japan as there has been no casus belli for America in Europe Then Hitler becomes desperate and declares war on the United States But is it too late His own people are rising up in revolt The German military may have to put down the violence even perhaps bomb its own cities In this epic drama real men and women are shaped by the carnage and their individual acts in turn shape history Drawing on the gritty personal reality of war and on a cast of unforgettable characters Harry Turtledove has written an alternate history that intrigues fascinates and astounds Praise for Last Orders From our perspective seventy years later we re accustomed to thinking of WWII's outcome as being inevitable Not so says Harry Turtledove Disdaining broad brush strokes Turtledove's focus on the characters serves to fill out the big picture with patient nitty gritty detail It's all quite plausible Armchair warriors will have much to ponder Kirkus Reviews Praise for Harry Turtledove If you like alternate histories you re going to like this series a lot The San Diego Union Tribune Turtledove is the standard bearer for alternate history USA Today Coup d Etat This is what alternative history is all about Historical Novel Society The Big Switch The Hugo Award winner continues to delight in exploring the world of what if Library Journal West and East There's plenty to satisfy fans of military strategy tactics and armaments Publishers Weekly Hitler's War Turtledove is always good but this return to World War II is genuinely brilliant The characterizations in particular bring the book to extraordinary life Booklist

Armistice Harry Turtledove, 2017-07-18 In the final book of the blistering trilogy The Hot War old hatreds and new chances for revenge are unleashed on an already devastated world as the Cold War becomes a roaring inferno In 1952 American cities lie in ruins President Harry Truman in office since 1945 presides over a makeshift government in Philadelphia suffering his own personal loss and fearing for the future of democracy In the wake of Hitler's reign Germany and America have become allies and Stalin's vise hold on power in the USSR persists Unwilling to trust the Soviet tyrant Truman launches a long planned nuclear strike on the city of Omsk killing Stalin and plunging the Red Army into leaderless destructive anarchy Meanwhile the Baltic states careen toward rebellion and Poland is seized by rebels bred on war In a world awash with victims turned victors refugees and killers has Truman struck a blow for peace or fueled more chaos As these staggering events unfold the lives of men and women across battle lines ethnicities and religions play out around the

globe In Los Angeles an extended Jewish family builds a future while the foul smell of a refugee camp in Santa Monica blows in on the ocean breeze In Korea a U S fighter struggles to bring his Korean interpreter stateside as a full American In Siberia two German women fight for their survival in a gulag and begin a strange harrowing journey home From the terrifying global chess match between superpowers to the strength of individual human conscience Armistice captures a world that s been split to its core by the violence only mankind can create Through the thunder of battle the clashes of armies and the whispers of lovers how humanity will be rebuilt and who will do it are the questions that resound in this marvelous work of imagination and history Praise for Armistice The story s focus remains on ordinary characters and how they cope with their particular circumstances Readers who savor the patient accumulation of detail around each scenario will by now be thoroughly addicted Kirkus Reviews The series is entertaining and explores life on the razor s edge SFRevu **Alpha and Omega** Harry Turtledove,2019-07-02 New York Times bestselling author Harry Turtledove reveals a new side of his potent imagination in a gripping speculative novel about the End of Days and a discovery in the Middle East that turns the world upside down What would happen if the ancient prophecy of the End of Days came true It is certainly the last thing Eric Katz a secular archaeologist from Los Angeles expects during what should be a routine dig in Jerusalem But perhaps higher forces have something else in mind when a sign presaging the rising of the Third Temple is located in America a dirty bomb is detonated in downtown Tel Aviv and events conspire to place a team of archaeologists in the tunnels deep under the Temple Mount There Eric is witness to a discovery of such monumental proportions that nothing will ever be the same again Harry Turtledove is the master at portraying ordinary people caught up in extraordinary events and what is more extraordinary than the incontrovertible proof that there truly is a higher force controlling human destiny But as to what that force desires well that is the question *Videssos Cycle: Volume One* Harry Turtledove,2013-04-02 Experience one of the most beloved series in fantasy as could only be imagined by the standard bearer for alternate history USA Today Harry Turtledove s many New York Times bestsellers provide an intriguing take on history s most crucial moments but he honed his speculative talents in a different genre fantasy The Videssos Cycle is the perfect fusion of the two Collected here are the first two novels of Turtledove s one of a kind saga in which a Roman legion is transported to a strange realm where magic rules THE MISPLACED LEGION In a duel for survival the Roman military tribune Marcus Aemilius Scaurus raises his sword blessed by a Druid priest against a Celtic chieftain who brandishes a blade of his own At the moment the weapons touch Marcus and his legion find themselves under a strange night sky full of unfamiliar stars where Rome and Gaul are unknown They are in an outpost of the embattled Empire of Videssos a world that will test their skill and courage as no soldiers have ever been tested before AN EMPEROR FOR THE LEGION In the capital of Videssos a coward and betrayer has seized the throne There behind great walls that have always made the city impregnable to storm or siege he rules with the aid of dark sorcery Overthrowing him seems impossible and the imperial army has already fled in panic from the savage victors But there is no panic in the

legion Now Marcus Scaurus leads his men through the chaos and enemy hordes in search of winter quarters to regroup and do the unthinkable take the untakeable city
