Seven Sisters Of Sleep The Celebrated Drug Classic

M. C. Cooke

Seven Sisters Of Sleep The Celebrated Drug Classic:

The Seven Sisters of Sleep M. C. Cooke, 1855 **The Seven Sisters of Sleep** Mordecai Cooke, Mordecai Cubitt Cooke, 1997-10 This groundbreaking survey written in 1860 is a radically open minded look at the use of drugs across the world and throughout the ages Early users of tobacco in Russia would have their noses cut off and repeat offenders their heads Pope Innocent XII excommunicated any who used it in St Peters Marijuana users in 14th century Egypt would have their teeth extracted for the crime Yet use of these and other forbidden substances continued to grow If only as a record of the perennial failure of harsh punishments to deter drug use Victorian naturalist Mordecai Cooke s work *The Seven Sisters of Sleep* would remain significant But Cooke s natural humor and keen insights have ensured this work s reputation as possibly the best early book from what has grown into an enormous body of literature on mind and mood altering substances Written at a time similar to our own when drug use was being reconsidered *The Seven Sisters of Sleep* is a thought provoking and open minded look at the use of drugs across the world and throughout the ages Quite popular in its day and a major influence on Lewis Carroll s *Alice in Wonderland* this is an important book for anyone interested in an unbiased account of humanity s long involvement with psychoactive hallucinogenic and stimulant plants [Mushroom](#) Nicholas P. Money, 2011-11-01 An illuminating look at the wonders of mushroom biology and an exploration of their enduring appeal [The Publishers Weekly](#), 1997 *Victorian Nightshades* Elizabeth A. Campbell, 2025-03-27 A darkly alluring plant family and the arrival of modernity *Victorian Nightshades* tells the story of how one plant family notorious for centuries in England because of its frequently psychoactive and poisonous properties rose to social and economic prevalence during the nineteenth century Beginning with bittersweet and belladonna the Old World species associated with evil witchcraft and dangerous women in an era when traditional botanical beliefs not only assigned morality to plants but also gendered them Campbell then moves to the ubiquitous potato and tobacco before concluding with four of the Solanaceae that achieved the widest national favor by the end of the century the ornamental petunia and the edible pepper eggplant and tomato The story of the nightshades exposes the conflicts between science and popular sentiment and between knowledge and received opinion that defined the nineteenth century Campbell compellingly details how advances in medical and botanical knowledge evolutionary theory and the vagaries of human desire transformed the Solanaceae from a plant family plagued by fear and hostility in the British imagination to one of cultural favor and celebration by the turn of the century encapsulating the Victorian era s course to modernity [Forthcoming Books](#) Rose Arny, 1999 **The Seven Sisters of Sleep** M. C. Cooke, 2022-06-13 In *The Seven Sisters of Sleep* M C Cooke presents a mesmerising exploration of sleep dreams and the enigma of the human psyche Through a series of interconnected narratives the book delves into the rich tapestry of sleep s dual nature weaving together elements of folklore psychology and the science of slumber Cooke s lyrical prose invites readers to traverse surreal landscapes while engaging with profound philosophical questions exploring the boundaries between reality and dream

Evocative imagery and a distinctive narrative structure enhance the reading experience positioning Cooke s work within a modern literary context reminiscent of such luminaries as Jorge Luis Borges and Haruki Murakami M C Cooke an accomplished author with a background in psychology and literature draws upon his diverse experiences to craft this multifaceted narrative Having spent years studying the intricacies of the subconscious mind Cooke s fascination with dreams and their significance informs every page of this work His previous studies and writings reflect a commitment to interrogating human experience making him an ideal chronicler of the sleep realms he so masterfully illuminates For those intrigued by the mysterious allure of dreams and the psychological landscapes they inhabit The Seven Sisters of Sleep is a must read It not only captivates with its innovative storytelling but also invites deep reflection on the nature of human consciousness Enticing both literary enthusiasts and scholars alike Cooke s work is a profound contribution to contemporary literature that promises to leave a lasting impression

American Book Publishing Record ,1997-09 **Cumulative Book Index** ,1998 A world list of books in the English language Schamanenpflanze Tabak Christian Rätsch,2003
