Seven Years Of My Life:

My Life Howard Anglin Palmer, 2021-12-06 For a boy growing up in Jamaica in the 1940s going to school was not a given Colonialism colourism and classism created educational barriers for anyone who wasn't rich or white But from these early struggles Howard Palmer devoted his career to education even earning a PhD This memoir covers the challenges and joys of Dr Palmer's life from his family and Jamaican upbringing his immigration to Canada in the 1960s his lifelong educational pursuits and raising his daughters after the tragic death of his wife He also shares his insightful research into how Ontario's educational system was failing Black boys findings that are sadly still relevant today By sharing his story Dr Palmer hopes to encourage readers to examine their own personal journeys and gain a deeper understanding of persisting against the odds My Life is a thorough honest and inspirational story of a Jamaican Canadian man overcoming obstacles through faith and determination The Story of My Life, volumes 1-3 Augustus J. Keppel Earl of Albemarle, 1877 **Song of My Life** Harry Mark Petrakis, 2014-11-20 With the discipline of a surgeon performing a critical operation acclaimed storyteller Harry Mark Petrakis strips away layers of his nine decades of life to expose the blood and bone of a human being in his third memoir and twenty fifth book Song of My Life Petrakis is unsparing in exposing his own flaws from a youthful gambling addiction to the enormous lie of his military draft to a midlife suicidal depression Yet he is compassionate in depicting the foibles of others around him Petrakis writes with love about his parents and five siblings with nostalgia as he describes the Greek neighborhoods and cramped Chicago apartments of his childhood and with deep affection for his wife and sons as he recalls with candor comedy and charity a writer's long fully lived life Petrakis recounts the near fatal childhood illness which confined him to bed for two years and through hours of reading

during the day and night nurtured his imagination and compulsion toward storytelling A high school dropout Petrakis also recalls his work journey in the steel mills railroad depots and shabby diners of the city There is farce and comedy in the pages as he describes the intricate framework of lies that drove his courtship of Diana who has been his wife of sixty nine loving years Petrakis shares his struggles for over a decade to write and publish and finally poignantly describes the matchless instant when he holds his first published book in his hands The chapters on his experiences in Hollywood where he had gone to write the screenplay of his best selling novel A Dream of Kings are as revealing of the machinations and egos of moviemaking as any Oliver Stone documentary Petrakis s individual story as fraught with drama and revelation as the adventures of Odysseus comes to an elegiac conclusion when at the age of ninety he ruminates on his life and its approaching end With a profound and searing honesty this self exploration of a solitary writer s life helps us understand our own existences and the tapestry of lives connecting us together in our shared human journey **Your Life Here** Terence
