The Bustan Al-ukul Nathanael ben Fayyumi, 1908

Predestination Dag Heward-Mills, 2022-04-20 There is clear evidence in the Bible that things are determined beforehand Believing in predestination means that you believe that no one has any real control of events but that everything has already been decided by God s plan and purpose On the other hand there is also evidence that God gives us our free will and allows us the freedom to choose between good and evil The concept of predestination is difficult to grasp because of the way

circumstances play out But predestination is real It is time for you to understand predestination so that you can work with God and walk with God more easily Another thought provoking masterpiece by celebrated author Dag Heward Mills Trust God and watch the outplaying of all the things that God has destined for you
