Seven Chohans On The Path Of Ascension:

The Seven Chohans Elizabeth Clare Prophet, 1973-12-31 A Beginner's Guide to the Path of Ascension Joshua David Stone, Janna Shelley Parker, 1998 Three forces must come together for a planetary healing to occur The concept of the Sacred Triangle was introduced in David Miller's first book *Connecting with the Arcturians* which explored the fifth dimension and our relationship to higher Extraterrestrial groups This new book explains how the Arcturian energy melds with that of the White Brother Sisterhood and the Ascended Native American Masters to bring about planetary healing David offers the reader an understanding of the soul the nature of soul evolution and how the human species is advancing towards the next evolutionary step There will be many of you in this time who will be able to complete fantastic tasks If I would declare to you what I see you would be astonished that you could possibly carry out such tasks You must think that you have the ability to do this You have the personal power I ask you to look at the Sacred Triangle and see what role you can play in this Others will be very interested when you Ascension Magick Christopher Penczak, 2007 This practical how to guide brings a new level of clarity and synthesis to the often misunderstood path of ascension the spiritual practice of integrating higher consciousness into everyday life This comprehensive reference work explores ascension theology and techniques from a magickal perspective providing a solid foundation for beginners and greater depth and context for those already on the ascension path Powerful meditations rituals and spells for personal and planetary healing are included along with more fascinating information **The Masters and the Spiritual Path** Mark L. Prophet, Elizabeth Clare Prophet, 2020-12-29 You have friends in high places There are masters who have come out of all the world's great spiritual traditions These great lights of East and West have graduated from earth's schoolroom and reunited with Spirit in the process known as the ascension The masters tell us that they are examples and not exceptions to the rule We too are destined to fulfill our life's purpose and reunite with Spirit This intriguing work offers an innovative perspective on the universe and your role in it In this brilliant blend of East and West you will discover valuable keys for your own spiritual path You'll learn about the relationship between the ascension nirvana and samadhi the parallel structure of the spiritual and material universes the difference between ascended and unascended masters and the function of the spiritual hierarchy and the role of the masters The Masters and the Spiritual Path also offers a unique meditation on the bliss of union with Spirit and a breathing exercise to help you balance and expand consciousness Prophecy the Missing Dimension of Healing, the Healing Power of Angels Karma of the Nations Elizabeth Clare Prophet, 1988-03 Cosmic Ascension Joshua David Stone, 1998-02-01 Cosmic Ascension Your Cosmic Map Home Almost all the books on the planet on the subject of ascension are written about planetary ascension However because of the extraordinary times in which we now live in terms of Earth's history there is a new opening and potentiality to also begin one's cosmic ascension process This has never before been available It must be understood as Vywamus has said that in completing our planetary ascension we are no more than one tenth of the way up a

ten inch ruler in terms of our cosmic ascension process This includes most of the ascended masters We on Earth who are working to complete our seven levels of initiation must remember that there are 352 levels of initiation to return to the godhead of Father Mother God at the top of creation Most of the Ascended Masters of the entire Spiritual Hierarchy are not beyond the 12th initiation This is not a criticism just a simple statement of fact The question is What lies beyond the next nine tenths of the ruler and how do we achieve our cosmic ascension as well as our planetary ascension which is no small feat in and of itself It is for this purpose that the author was guided to write this book

The Masters and Their Retreats Marl L. Prophet, Elizabeth Clare Prophet, 2020-08-28 The great lights who have come out of all the world's spiritual traditions and graduated from earth's schoolroom have become widely known as masters They demonstrate that in the world of Spirit there is no division of race religion or philosophy there is simply oneness ineffable sweetness and love What is not so widely known is that these great masters have retreats temples and cities of light in the heaven world where we can go in spiritual meditation and while our bodies sleep at night In this comprehensive work Mark and Elizabeth Prophet talk about these great masters the stories of their lives and their magnificent spiritual retreats

The Lost Teachings of Jesus Mark Prophet, Elizabeth Clare Prophet, 1986 Reveals that concepts regarded as purely Eastern like karma reincarnation and chakras can be found in the mysteries Jesus taught Tells how you like Jesus can be in close contact with your Divine Source Gives you the tools to transcend life's circumstances and realize more of your higher self every day With inspirational stories of seven saints and mystics and their individual paths to self mastery

Reality of Your Ascension Elizabeth Clare Prophet, 2020-08-01 The ascension is the goal of life In fact it is the culmination of many lifetimes of soul evolution and balancing karma But it is not the end Having learned all the lessons of earth's schoolroom the soul is reborn in the realms of Spirit But what is the ascension Is it something that just happens because you lead a good life Is it a miraculous transition like Elijah's chariot of fire Or is it a goal that must be sought and won In Reality of Your Ascension Elizabeth Clare Prophet explores these and many other mysteries of the path of the ascension Most importantly she introduces us to Serapis Bey and other masters of the ascension flame those who have walked that path before us They present a practical and transcendent wisdom for all who seek the ultimate goal Let the inner door of your Ascension Temple be opened in this age so the Brotherhood of Luxor can bid you enter Dare to cross the threshold into an experience of reality beyond imagination

Beyond Ascension Joshua David Stone, 1995 This book brings forth incredible new channeled material that completely demystifies the seven levels of initiation and how to attain them It contains revolutionary new information on how to anchor and open our thirty six chakras and how to build our light quotient at a rate of speed never dreamed possible The book includes a chapter on cosmic ascension and a unique cosmic map that outlines the process of planetary ascension The map also charts the course for full cosmic ascension through the seven cosmic planes and forty eight dimensions of reality back to the Godhead and undifferentiated Source
