

A photograph of a street scene. On the right is a multi-story brick building with arched windows. A fire hydrant is visible on the sidewalk. On the left, a fire hose is extended from a building, with a stream of water spraying out. The scene is set at night or dusk, with some lights visible in the background.

Seven Long Times:

Seven Long Times Piri Thomas, 1974 In the summer of 1950 Thomas was sentenced to between five and fifteen years for armed robbery and felonious assault with intent to kill a firsthand account of seven long and hellish years behind bars Jacket

7 Long Times Piri Thomas, 2016-08-10 *Seven Long Times* is the prison memoir of one of America's greatest most passionate chroniclers of life in dehumanizing prisons and on mean city streets Wounded and arrested while committing an armed robbery Thomas begins his long seven years of incarceration first in the prison ward at Bellevue and then in Sing Sing and Great Meadows Comstock Thomas' great heart and tough street philosophy face off lyrically with the brutality of the guards the sterility of steel and cement the perversity fostered on both sides of the bars by incarceration *Seven Long Times* is the critically acclaimed sequel to Thomas' classic of urban and prison literature *Down These Mean Streets* *Constructing Black Selves* Lisa Diane McGill, 2005-11-01 In 1965 the Hart-Cellar Immigration Reform Act ushered in a huge wave of immigrants from across the Caribbean Jamaicans Cubans Haitians and Dominicans among others How have these immigrants and their children negotiated languages of race and ethnicity in American social and cultural politics As black immigrants to which America do they assimilate *Constructing Black Selves* explores the cultural production of second generation Caribbean immigrants in the United States after World War II as a prism for understanding the formation of Caribbean American identity Lisa D. McGill pays particular attention to music literature and film centering her study around the figures of singer actor Harry Belafonte writers Paule Marshall Audre Lorde and Piri Thomas and meringue hip hop group Proyecto Uno Illuminating the ways in which Caribbean identity has been transformed by mass migration to urban landscapes as well as the dynamic and sometimes conflicted relationship between Caribbean American and African American cultural politics *Constructing Black Selves* is an important contribution to studies of twentieth century U.S. immigration African American and Afro-Caribbean history and literature and theories of ethnicity and race *Technical Bulletin*, 1954 **Coxsackie** Joseph F. Spillane, 2014-05-29 Even handed and free of jargon a revealing account of how our criminal justice system operates on the ground level Edward D. Berkowitz author of *Mass Appeal* Joseph F. Spillane examines the failure of progressive reform in New York State by focusing on Coxsackie a New Deal reformatory built for young male offenders Opened in 1935 to serve adolescents adrift Coxsackie instead became an unstable and brutalizing prison From the start the liberal impulse underpinning the prison's mission was overwhelmed by challenges it was unequipped or unwilling to face drugs gangs and racial conflict Spillane draws on detailed prison records to reconstruct a life behind bars in which ungovernable young men posed constant challenges to racial and cultural order The New Deal order of the prison was unstable from the start the politics of punishment quickly became the politics of race and social exclusion and efforts to save liberal reform in postwar New York only deepened its failures In 1977 inmates took hostages to focus attention on their grievances The result was stricter discipline and an end to any pretense that Coxsackie was a reform institution In today's era of mass incarceration

prisons have become conflict ridden warehouses and powerful symbols of racism and inequality This account challenges the conventional wisdom that America s prison crisis is of comparatively recent vintage showing instead how a racial and punitive system of control emerged from the ashes of a progressive ideal Should be required reading for historians of juvenile and criminal corrections Presents a compelling cautionary tale that contemporary would be reformers ignore at their peril while offering important new insights for scholars *American Historical Review* *The Life and Times of Scotty Bridlington* Stephen W Bradeley,2015-02-10 The following is an anthology of four short stories from a life apparently peppered with controversy Or maybe the life stories about to be read are just a reflection of what life is about The book follows the life of Scotty Firstly through his childhood and emigration to Australia Then into the army and onto the streets of Belfast in the seventies Then off to Brazil and the violence of Rio **The New York Times Current History** ,1918 **Three times dead; or, The secret of the heath** Mary Elizabeth Braddon,1854 *Jesus Christ and Satan Prisoner* Mark Anthony Beverly,2023-11-27 The dream that woke Daniel had etched its tangibility on his mind and no matter how hard he tried he couldn t elude it Knowing he won t be sleeping normal anymore Daniel played music on his stereo and went to take a shower As the warm water traced on his body He harmonized to classic rock music that was booming in his house When he stepped out of the shower he noticed a supernatural presence lingered in every corner Now there was no place for him to hide
