**SLUDGE: The Lemony-Fresh Apocalypse** Bayla Dornon,2023-03-19 The accidental release of a bio engineered organism has plunged the 21st century into total chaos Petroleum plastics and most of the men are gone Against a backdrop of competing political ecosystems the few hundred survivors of Los Angeles must now battle feral pets and rebuild society Can these few courageous survivors work together to save the remnants of human civilization Bayla Dornon has crafted a fantastic work of high drama and full on action adventure that will tickle anyone who enjoys a slightly tongue in cheek look at our current and future political state The result has a witty undertone which speaks volumes about human nature and our

desperate need for survival and this plays out well alongside the more serious aspects of the plot One of the major highlights for me was the dialogue which leaped off the pages with a fresh zeal and gave the ethos and energy of each new arrival to the ensemble cast It felt nicely balanced between cinematic dialogue and how real people speak in these chaotic situations Overall I highly recommend *Sludge The Lemony Fresh Apocalypse* as a fun dystopian adventure that is well penned poignant and memorable long after you set it down Reviewed by K C Finn for Readers Favorite *American Dreams Trilogy* Michael Phillips, 2018-07-19 All three novels in the acclaimed Christian author's historical fiction series about a Southern family following God's will as Civil War tensions rise *Dream of Freedom* In the pre Civil War South Richmond Davidson and his family decide to follow God's will and free their slaves The controversy over this decision sets off escalating tensions as the lines are being drawn between North and South *Dream of Life* When the Underground Railroad hears that the Davidson family home is a potential safe house runaways began appearing at their door Unable to turn them away the Davidsons must find a way to help But the prying eyes of neighbors make this a dangerous calling *Dream of Love* As the Civil War rages the Davidsons continue their work with the Underground Railroad But as one son fights for the Confederacy while another has gone North the family will face its most difficult trials yet *Lost & Found* Elizabeth Garner, 2022-09-15 Folk tales take us beyond our own boundaries into unknown lands Yet within these adventures riddles and enchantments we find our common ground and shared humanity Lost always staying true to tradition while simultaneously speaking to modern times This illustrated collection is another link in the chain between storyteller listener and our shared ancestors tales from the past told to enrich the present and to be carried forward into the future **The Mystery Fancier** William F. Deeck, 2008-08-01 A bibliography of various mystery novels published between November 1976 and Fall 1992 *Harangue: The Trees Said to the Bramble Come Reign Over Us* Gareth Garrett, 1927 Gareth Garrett wrote one last and truly spectacular novel called *Harangue The Trees Said to the Bramble Come Reign Over Us* The words are from the Bible Judges 9 15 and the metaphor here refers to the strange penchant of the rich to fund socialism that kills the rich and consumes wealth Garrett illustrates the strange tendency in a story of politics economic folly conspiracy ideology and violence Published in 1926 it deals directly with the real life attempt to create a Workers Paradise in the United States in North Dakota from 1918 to 1921 from Mises Institute website **The Sunday School Helper**, 1894 *The Best Moving Pictures of 1922-23, Also Who's who in the Movies and the Yearbook of the American Screen* Robert Emmet Sherwood, 1923 **The Christian Advocate**, 1913 *The Poetry of my Consciousness* Stambecco Pesco, Falco Tarassaco, 2019-03-31 At sixteen the young Oberto who in his adulthood with the name of Falco Tarassaco would have become the founder of Damanhur collected his poems in a book and soon after published a short story in the form of letters There was no trace then of what would have happened a few years later of his consciousness awakening or of his social artistic and spiritual adventure in Damanhur Or maybe there was How much of Falco Tarassaco as an enlightened spiritual guide is contained in these writings How many fine threads link the thoughts of

young Oberto to the philosophy developed by Falco in his forty years of spiritual teachings Let s find these signs together the meditative reflections which lead us to the themes that Damanhur will later develop Let s try to give meanings to the images the words and the metaphors that seems to be just some poetical exercises Who knows out of them we could draw some valuable suggestions for ourselves and maybe following his example we could learn our first steps towards spiritual freedom
