Seven Sisters Accessory:

The Seven Sisters' Accessory Ed Greenwood, TSR, Inc, 1995-05-01 Is it Love... Or Merely a Sick Attachment? Pam Reaves, 2011-07 Sometimes all you need is a fresh perspective and through heart wrenching short stories and gripping news headlines author Pam Reaves unmask the devastating difference between true love and toxic relationships This isn't your grandma's love story but a modern day look at the complications of lustful love brought on by fairy tale expectations Scripted TV romances and melodramatic movie magic have jaded our society's perspective on love and helped to raise our overwhelming divorce rates Pam provides fictional examples that clearly define for readers what real love is and what just love of an idea is This straight talking style of writing will help you gain the courage to right the romantic wrongs in your life and embrace the kind of love that you deserve

Changing Education Joyce Antler, Sari Knopp Biklen, 1990-07-05 By combining history theory philosophy case studies and monographs with broader issues Changing Education shows how educational experience and knowledge are deeply gendered One of its strengths indeed the excitement of women's studies in general is its breadth and interdisciplinary nature It pays attention to such issues in feminist theory and women's studies as women's culture and the sameness versus difference debate at the same time it provides a wealth of information and new material that is not available elsewhere Susan Ware New York University It highlights gender as a cultural phenomenon showing that women's experience in education has been shaped by gender specific stereotypes and concepts At the same time the essays show how women used gender categories to their own advantage to create new lines of work such as kindergarten teaching and child study activity or to overcome societal prejudice by way of collective action such as the Boston Women's Health Collective It makes an important contribution to the debate about women's culture versus women's politics showing the significance of each e.g. the women's page of the Jewish Daily Foreword as a vehicle for women's traditional culture and contemporary committed feminism I think you have a winner here Ann J Lane Colgate University
