*Seventeen Minutes to Live* Richard A. Boning, Boning, 1973-12      **One Minute to Live** Jackie Branham Hall, 2022-08-01  
February 28th 1958 at 8 10 AM the nation is shocked and horrified at the news coming from a little community called Knotley Hollow Three miles south of Prestonburg KY on US 23 a school bus loaded with forty eight children ages ranging from 8 17 struck a wrecker tow truck in the rear It rolled across the highway struck a legally parked car and kept rolling to the edge of a nearby cliff and disappeared Floyd County school bus No 27 driven by 27 year old John Alex Dorssett rolled down an eighty three foot hill and plunged into the Big Sandy River Due to melting snows and recent rain at the time the river was thirty feet deep In less than one minute the 12 000 pound school bus with forty eight screaming terrified children make a frantic dash for the rear exit Twenty two children survived Twenty six and the driver lost their lives in the worst school bus disaster in U S History Words and pictures tell the story of the worst unsolved school bus disaster of the 20th century Coming soon aEURoWashed AwayaEUR the first fact filled written story of school bus No 27 and its last run      **17 Minutes** David McCune, 2016-08-29 David McCunes new novel 17 Minutes reveals another side of 9 11 Most remember September 11 2001 as a beautiful sunny day that ended with the unforeseen and tragic deaths of 2 996 individuals including fourteen pregnant women Those of age remember where they were and many witnessed the second plane impact the South Tower a short seventeen minutes after the first attack on the North Tower While we have all heard many stories about the tragic victims and the families they left behind as well as the incredible acts of heroism and nationwide support demonstrated on that catastrophic day and in its aftermath have you ever wondered Could it be possible that there were some who took this unexpected opportunity to start their troubled lives anew This is the story of such a man While the rest of the country banded together he simply walked away What does he do with this second chance Does he learn from his past and seize the opportunity to be the man he wishes he can be Or does he fall back into the same pitfalls one can certainly be susceptible to in this complicated thing we call life All had an experience from that life changing day now referred to as 9 11 All will never be the same      **The 188th Crybaby Brigade** Joel Chasnoff, 2010-02-09 Look at me Do you see me Do you see me in my olive green uniform beret and shiny black boots Do you see the assault rifle slung across my chest Finally I am the badass Israeli soldier at the side of the road in sunglasses forearms like bricks And honestly have you ever seen anything quite like me Joel Chasnoff is twenty four years old an American and the graduate of an Ivy League university But when his career as a stand up comic fails to get off the ground Chasnoff decides it s time for a serious change of pace Leaving behind his amenity laden Brooklyn apartment for a plane ticket to Israel Joel trades in the comforts of being a stereotypical American Jewish male for an Uzi dog tags with his name misspelled and serious mental and physical abuse at the hands of the Israeli Army The 188th Crybaby Brigade is a hilarious and poignant account of Chasnoff s year in the Israel Defense Forces a year that he volunteered for and that he ll never get back As a member of the 188th Armored Brigade a unit trained

on the Merkava tanks that make up the backbone of Israeli ground forces Chasnoff finds himself caught in a twilight zone like world of mandatory snack breaks battalion sing alongs and eighteen year old Israeli mama s boys who feign injuries to get out of guard duty and claim diarrhea to avoid kitchen work More time is spent arguing over how to roll a sleeve cuff than studying the mechanics of the Merkava tanks The platoon sergeants are barely older than the soldiers and are younger than Chasnoff himself By the time he s sent to Lebanon for a tour of duty against Hezbollah Chasnoff knows everything about why snot dries out in the desert yet has never been trained in firing the MAG And all this while his relationship with his tough as nails Israeli girlfriend herself a former drill sergeant crumbles before his very eyes The lone American in a platoon of eighteen year old Israelis Chasnoff takes readers into the barracks over under and through political fences and face to face with the absurd reality of life in the Israeli Army It is a brash and gritty depiction of combat rife with ego clashes breakdowns in morale training mishaps that almost cost lives and the barely containable sexual urges of a group of teenagers What s more it s an on the ground account of life in one of the most em battled armies on earth an occupying force in a hostile land surrounded by enemy governments and terrorists reviled by much of the world With equal parts irreverence and vulnerability irony and intimacy Chasnoff narrates a new kind of coming of age story one that teaches us moves us and makes us laugh

**The Hippies** John Anthony Moretta,2017-02-14 Among the most significant subcultures in modern U S history the hippies had a far reaching impact Their influence essentially defined the 1960s hippie antifashion divergent music dropout politics and make love not war philosophy extended to virtually every corner of the world and remains influential The political and cultural institutions that the hippies challenged or abandoned mainly prevailed Yet the nonviolent egalitarian hippie principles led an era of civic protest that brought an end to the Vietnam War Their enduring impact was the creation of a 1960s frame of reference among millions of baby boomers whose attitudes and aspirations continue to reflect the hip ethos of their youth
