Seventy Years on a Motorcycle Herbert Foster Gunnison, 2003-04 No comments on Gunnison's work are complete if they don't zero in on his style which is lively engaging and moves through complex interrelated ideas with grace and ease His passions for life and faith in the sublime are truly refreshing and there are quotable gems galore motorcycles are the truth about speed and love is a conspiracy against the ordinary are typical When Herb is sufficiently provoked he grabs a sledgehammer from the arsenal of his intellect as in the following rejoinder to the news that atomic scientists think nuclear explosions are beautiful beautiful my ass that's my philosophy When appropriate Herb can be lyrical Oh how I love to ride on drizzly summer days tucked in behind a misty windscreen insulated from the moist wind chill by a rainsuit listening to the song of a perfectly tuned engine absorbed in the rush of my solitary world lonely unassailable aching with day long joy as I watch the earth renew its sweet mysterious self around me The word is coming in over and over that this book is an absorbing read This is not to say it is lacking in serious cultural or personal psychological issues Herb makes an inspired case for the distractive and self deadening results of excessive worship of technology in the popular culture Two attempts to break the coast to coast speed record on a motorcycle to celebrate his 45th birthday and 7500 mile motorcycle journey around the U S to celebrate his 75th birthday becomes frames and metaphors Beneath all the excitement Gunnison is burdened with deep psychological problems He was the third generation offspring of an extraordinarily wealthy lineage His father uncle and grandfather were all multi millionaires Herb's identity problems set in during adolescence when he got the idea that he was expected to WOW the crowd after three impossible acts to follow For seventy years he sublimated his identity problem on fast road and dirt bikes and early indication are Thank God that this book fortunately is about to bring him full circle because motorcyclists are gobbling it up and sooner or later the Holier than Thou Group is going to ruefully admit that the motorcyclists they look down on are living in Paradise Every purchase of this book Is a vote for our respectability
