Seventy Years Young Elizabeth Mary Margaret Burke Plunkett Fingall, Pamela Hinkson, 1937 *Seventy Years Young, Memories of Elizabeth, Countess of Fingall, Told to Pamela Hinkson*, 1938 **Seventy Years Young. Memories of Elizabeth, Countess of Fingall. Told to Pamela Hinkson. [With Plates, Including Portraits].**, 1937 Seventy Years Young Pamela Hinkson, 1991 *Seventy Years Young* reanimates a proximate but forgotten past with all the power of first class fiction and the glitter and rarity of a Faberge egg *The Gothic Family Romance* Margot Gayle Backus, 1999 Uses 19th and 20th century Irish Gothic literary texts to argue that capitalism the nuclear patriarchal family and Protestantism coincided with and reinforced the conditions for the plantation of Ireland and the colonization which followed Riot and Great Anger Joan Fitzpatrick Dean, 2010-04-29 Although books films and periodicals were subject to Irish government censorship through much of the twentieth century stage productions were not The theater became a public space to air cultural confrontations between Church and State individual and community and freedom of the theatre versus the audience s right to disagree And disagree they often did Throughout the twentieth century Irish performances of new plays by William Butler Yeats John Millington Synge and Sean O Casey as well as those of such lesser known playwrights as George Birmingham often evoked heated responses from theatergoers sometimes resulting in riots and public denunciation of playwrights and actors **The Rising** Fearghal McGarry, 2016 The story of Easter 1916 from the perspective of those who made it focusing on the experiences of rank and file revolutionaries Fearghal McGarry makes use of a unique source that has only recently seen the light of day a collection of over 1 700 eye witness statements detailing the political activities of members of Sinn F in and militant groups such as the Irish Republican Brotherhood This collection represents one of the richest and mostcomprehensive oral history archives devoted to any modern revolution providing new insights on almost every aspect of this seminal period *Women and Music in Ireland* Laura Watson, Ita Beausang, Jennifer O'Connor-Madsen, 2022 Explores the world of women s professional and amateur musical activity as it developed on and beyond the island of Ireland In a story which spans several centuries the book highlights representative composers and performers in classical music Irish traditional music and contemporary art music whose contributions have been marginalised in music narratives As well as investigating the careers of public figures this edited collection brings attention to women who engaged with and taught music in a variety of domestic settings It also shines a spotlight on women who worked behind the scenes to build infrastructures such as festivals and educational institutions which remain at the heart of the country s musical life today The book addresses and reconsiders ideas about the intersections of music gender and Irish society including how the national emblem of the harp became recast as a symbol of Irish womanhood in the twentieth century The book is divided into four parts Part 1 surveys women musicians in Irish society of the eighteenth and nineteenth centuries Part 2 discusses women and practice in Irish traditional music Part 3 studies gaps and gender politics in the history of twentieth century women

composers and performers Part 4 situates discourses of women gender and music in the twenty first century The book s contributors encompass musicologists cultural historians composers and performers **Anderson's Travel Companion**

Derek Molyneux,Darren Kelly,2017-11-10 The 1916 Rising is one of the most documented and analysed episodes in Ireland s turbulent history Often overlooked however is its immediate aftermath This significant window in the narrative of Irish revolutionary history which saw the rebirth of the Volunteers and laid the foundations for the War of Independence is usually covered as a footnote or from the biographical standpoints of the leaders Picking up where the authors acclaimed account of the Rising When the Clock Struck in 1916 left off we join the men and women of the Rising in the dark abyss of defeat The leaders poignant final hours and violent ends are laid bare but the perspective of those with the unpalatable task of carrying out the executions is also revealed rectifying a historic disservice to those who reluctantly formed the firing squads While the prisoners in Dublin awaited their grisly fates others were deported in stinking cattle boats to camps in England and Wales When they returned it was to a jubilant welcome in a radically changed country The gruesome death of Thomas Ashe in September 1917 after being force fed in Mountjoy Prison became a marshalling point for the republican movement as his funeral saw Volunteers once again assembled in uniform on Dublin s streets The next phase of the struggle was born under new leaders who had graduated from the internment camps known as Republican Universities ready and eager to fill the void left by the executed visionaries The authors sifted through thousands of first hand accounts of the suffering endured when ordinary people set out to change history Their stirring account will transport readers into life as it looked sounded and even smelt to those taking part in this crucial juncture of our history
