Sexuality in the Later Years Ruth B. Weg, 2013-09-24 Sexuality in the Later Years Roles and Behavior pulls together evidence from the anthropological psychological social and physiological disciplines and represents an effort to present a coherent picture of sexual roles and behavior in the later years This work does not pretend to answer all questions that could be raised concerning sexuality and aging but attempts rather to concentrate on issues that have been relatively neglected primarily options potentials and possibilities for the individualization and humanization of sex roles and sexual behavior of older persons The book is organized into five parts Part I examines concepts of sexuality in the later years including cultural attitudes and behaviors towards sexuality psychological and sociological perspectives and a life span model of sex role development Part II on life styles deals with the impact of aging on the sexuality of those who are unmarried in later life the relationship between interpersonal intimacy and adaptation to stress throughout adult life and the range of sexual orientations in the later years along with their incidence their contributions to social adaptation and the particular constraints surrounding them Part III discusses issues in research and therapy while Part IV considers views of sexuality and aging in other countries namely Canada and Sweden Part V inquires into the problems associated with transitions in the later part of the life cycle of love

Love and Sex After Sixty Robert N. Butler, Myrna I. Lewis, 1977

Sexuality and the Elderly Bonnie L. Walker, 1997-05-12 This literature review was undertaken in order to determine what caregivers needed to know about elderly sexuality to determine the needs of elderly people related to their sexuality and to determine how caregivers could best assist them in meeting those needs In selecting materials to be annotated for this book the first priority was given to empirical studies Also included were articles by prominent practitioners and researchers interested in elderly sexuality literature reviews and books written for the lay population which are often cited in the professional literature In addition to seeking knowledge about elderly sexuality and understanding attitudes about sexuality this literature review sought information about measurement issues and measurement instruments frequently used in research within elderly populations Also of interest were investigations of educational and training programs involving caregivers
