The Dark Desires of the Druids 2 Isabel Roman, **True Sex** Emily Skidmore,2019-08-15 Winner 2018 U S History PROSE Award The incredible stories of how trans men assimilated into mainstream communities in the late 1800s In 1883 Frank Dubois gained national attention for his life in Waupun Wisconsin There he was known as a hard working man married to a young woman named Gertrude Fuller What drew national attention to his seemingly unremarkable life was that he was revealed to be anatomically female Dubois fit so well within the small community that the townspeople only discovered his true sex when his former husband and their two children arrived in the town searching in desperation for their departed wife and mother At the turn of the twentieth century trans men were not necessarily urban rebels seeking to overturn stifling gender roles In fact they often sought to pass as conventional men choosing to live in small towns where they led ordinary lives aligning themselves with the expectations of their communities They were in a word unexceptional In *True Sex* Emily Skidmore uncovers the stories of eighteen trans men who lived in the United States between 1876 and 1936 Despite their unexceptional quality their lives are surprising and moving challenging much of what we think we know about queer history By tracing the narratives surrounding the moments of discovery in these communities from reports in local newspapers to medical journals and beyond this book challenges the assumption that the full story of modern American sexuality is told by cosmopolitan radicals Rather *True Sex* reveals complex narratives concerning rural geography and community persecution and tolerance and how these factors intersect with the history of race identity and sexuality in America **Women And Health** Sue Wilkinson,Celia Kitzinger,2013-10-11 this comprehensive volume provides a broad sample of contemporary British feminist work on women and health It spans the disciplines of psychology sociology social policy social anthropology and economics and demonstrates the development of feminist theorizing and activism in these areas over the past decade Topics include global and national politics of women s health the psychologization of health sexuality and AIDS body image and pregnancy reproductive technology substance abuse breast cancer and the long term health problems of women Calling for a greater understanding of women and health the contributors acknowledge the gender based inequities of women s experiences and address the need for social and political change in order to improve the health and health care of women across the lifespan **Biology of Sex** Alex Mills,2018-01-01 This text explains the biological aspects of human sex by using direct and intriguing comparisons with the many variations in sexual systems among non human organisms *Ancient Obscenities* Dorota Dutsch,Ann Suter,2015-11-18 References to the body s sexual and excretory functions occupy a peculiarly ambivalent space in Greece and Rome *Mr. Crewe's Career* Winston Churchill,1908 Think that the problem of large corporations exercising undue influence in the political sphere is a recent phenomenon If so think again *Mr Crewe s Career* an eye opening historical novel set in the early twentieth century follows the efforts of the railroad industry to steamroll its

way into state politics in New Hampshire This partly autobiographical political novel set in New Hampshire is a warning against the powers of the railroad interests to control elected government Churchill himself had run for governor just two years earlier and had met his defeat at the hands of the state s railroad lobby In the character of Humphrey Crewe a somewhat politically na ve comical figure who is running for governor Churchill drew a character similar to himself But Crewe is basically a minor figure there to offer comic relief but the main thrust of the story lies elsewhere The main characters actually are Hillary Vane the chief lawyer for the railroad company and major state political operator and his son Austen who represents reform Austen accuses his father of violating a nearly forgotten statute whereby the railroads were not to increase rates in exchange for the right to consolidate a ruling they have long ignored Churchill s real life reform concerns came to the fore right here as this was exactly what was happening in New Hampshire at the time The battle between Austen and Hillary builds dramatically throughout the novel until Austen is encouraged by other reformers to run for governor But out of loyalty to his father he declines the nomination

Threats David P. Barash,2020-09-01 It s a rare author who can combine literary erudition and an easy fluency of style together with expert knowledge of psychology and evolutionary biology David Barash adds to all this a far seeing wisdom and a humane decency that shines through on every page The concluding section on the senseless and dangerous futility of nuclear deterrence theory is an irrefutable tour de force which should be read by every politician and senior military officer If only Richard Dawkins From hurricanes and avalanches to diseases and car crashes threats are everywhere Beyond objective threats like these there are also subjective ones situations in which individuals threaten each other or feel threatened by society Animals too make substantial use of threats Evolution manipulates threats like these in surprising ways leading us to question the ethics of honest versus dishonest communication Rarely acknowledged and yet crucially important is the fact that humans animals and even plants don t only employ threats they often respond with counter threats that ultimately make things worse By exploring the dynamic of threat and counter threat this book expands on many fraught human situations including the fear of death of strangers and of the other Each of these leads to unique challenges such as the specter of eternal damnation the murderous culture of guns and capital punishment and the emergence of right wing nationalist populism Most worrisome is the illusory security of deterrence the idea that we can use the threat of nuclear war to prevent nuclear war Threats are so widespread that we often don t realize how deeply they are ingrained in our minds or how profoundly and counter productively they operate Animals humans societies and even countries internalize threats behind which lie a myriad of intriguing questions How do we know when to take a threat seriously When do threats make things worse Can they make things better What can we do to use them wisely rather than destructively In a comprehensive exploration into questions like these noted scientist David P Barash explains some of the most important characteristics of life as we know it

Policing Sex Crimes Dale Spencer,Rosemary Ricciardelli,2022-09-09 Policing Sex Crimes offers an overview of the affordances and difficulties of

investigating and responding to sex crimes in contemporary digital society The simplest to most complex sex crimes investigations can and often do have a digital component Such a digital society creates a number of inter and intra organizational challenges in terms of investigation of sex offenses and response to victims of sex crimes In the proposed text the authors elucidate laws defining sex crimes across international contexts and examine the different ways nation states have responded to digital sex crimes and related digital communication technologies via laws policies and practices They draw on 70 interviews with sex crime investigators to document the effects of digital sex crimes on the policing profession and the broader police organizations that sex crime investigators work Lastly they explore how victims are interpreted by police officers and the challenges they face achieving justice in the wake of sexual victimization **Sex and Politics in South Africa** Neville Wallace Hoad,Karen Martin,Graeme Reid,2005 This book tells how South Africa came to lead the world in enshrining sexual equality in our Bill of Rights which forms part of the Constitution The achievement which has been hailed as a model for the rest of the world did not come about without a long struggle This was spearheaded by gender activists and movements during the 1980s whose campaigns on the one hand evoked hostility from the apartheid state and were also dismissed as an irrelevance by conservative factions within the liberation movement Indeed the end of apartheid did not automatically guarantee that sexual equality would be realised and the book explains how in the end this was achieved The volume draws upon the rich archive of the Gay and Lesbian association and incorporates fascinating first hand documents from the time as well as essays by participants in the events and later commentators *Fist Number 8* Dr. Delvis Memphistopheles,El Arabia,2024-10-31 The psychopathology of gaslighting gameplaying colonisation deceit lying manipulation and abuse has not received sufficient attention within popular culture along with the academic disciplines This expose provides an entr e into these shrouded realms focussing on the psychopathologies of power drawn upon in the enactment of pure negativity Here the exploration around how and why it arises prior to being enacted is gently teased out drawing upon the psychotherapeutic insight of the author s Ten films historically castigated as porn eurotrash horror or sleaze are dredged from their cultural confinement prior to being subject to an analytical inspection The aim is to unravel the numerous overt and covert messages residing within their succulent narratives thereby puncturing the normal attitude By drawing upon the method outlined in Surrealist Manifesto Number 4 the psycho analytical inspection brings to the surface a hidden human dimension allowing the reader to revel within the multiplicities that unfurl **The Cinema Book** Bloomsbury Publishing,2019-07-25 The Cinema Book is widely recognised as the ultimate guide to cinema Authoritative and comprehensive the third edition has been extensively revised updated and expanded in response to developments in cinema and cinema studies Lavishly illustrated in colour this edition features a wealth of exciting new sections and in depth case studies Sections address Hollywood and other World cinema histories key genres in both fiction and non fiction film issues such as stars technology and authorship and major theoretical approaches to understanding film **I Have Fun**

Everywhere I Go Mike Edison, 2008-05-13 I Have Fun Everywhere I Go is a rollicking high octane always irreverent journey through the seamy side of the publishing industry Mike Edison's résumé spans twenty years and a slew of notorious titles including Screw High Times Penthouse and Hustler An Ivy League dropout who's never looked back Edison embarked on a career that's landed him in the producer's chair for one of the worst B movies of all time on tour with the likes of the Jon Spencer Blues Explosion GG Allin and the Ramones undercover at a religious cult on a bender with Evel Knievel feuding with Hulk Hogan smoking dope with Ozzy Osborne and authoring some twenty novels you wouldn't want your mother to catch you reading let alone writing As the publisher of High Times he battled almost daily with a rainbow brigade of unrepentant hippies plagued with short term memory loss and owners who treated their employees more like the tenants of a halfway house for potheads than a team of professional editors and writers all while leading the magazine to record heights in sales and advertising I Have Fun Everywhere I Go combines the fear and loathing of Hunter Thompson's journalistic thrill rides with the acerbic insider voice of Toby Young It's an eye opening gleeful view of life on the edge and the outlaws and oddballs encountered there

Ethics and Journalism Karen Sanders, 2003-04-14 Karen Sanders examines the ethical dilemmas faced by journalists in all areas of the media and proposes several ways of achieving ethical journalism The study is informed by interviews with top journalists and editors and includes an exhaustive bibliography

Sexual Humour in Africa Ignatius Chukwumah, 2022-03-30 This book examines the types discourse modes and effects of sex jokes in different African contexts in a range of different cultural forms from the internet to music books films advertising and images thus filling the existing void in literature on the subject Arguing that sex jokes are used to perform a number of functions in African society the contributors show how they can be used to perpetuate violence against women construct spaces resist oppression create conformity build affiliations and subvert morality They consider jokes from Egypt Ghana Nigeria Kenya and Zambia in a range of forms including queer sex jokes rape jokes performed sex jokes gendered humour and resistance sex humour The book places particular emphasis on the impact of new media platforms and the anonymity they provide Providing an important analysis of this tabooed but culturally important facet of everyday life this book will be of interest to scholars of African culture and society from a range of disciplines including anthropology gender studies literary studies and sociology

Prenatal and Maternal Care W. E. Hunter, 1927 **University of Pennsylvania Law Review** University of Pennsylvania. Law School, 1984 Salvatore Grasso, 2009-09-01 When greed is your mistress and power her aphrodisiac people become expendable Set in Philadelphia PA Larceny presents an intricate web of deception and diabolical revenge where avarice and lust create a backdrop for murder When self made millionaire Richard Gillespie senses his firm is crumbling he develops a complex plan to save his legacy Gillespie uses Dr Bridgette Lonerghan a university executive to access a valuable portfolio of inventions The inventor Dr Joseph Ralinski pocketing millions from side deals over the years compels high ranking university officials including Provost Iconera to set sights on toppling Ralinski's financial fortress

Lonerghan becomes a pawn in a game of ego and greed between Gillespie and his nemesis Louis Jacobsen head of the university's Technology Transfer Office her former lover Jacobson loses focus when he discovers his unfaithful wife is drugging him into spousal submission and plots his revenge This deal is getting interesting Gillespie observes Three people three angles Jacobson greed and selfishness Iconera self righteousness coupled with mistrust and finally Ralinski self importance and arrogance The only common denominator is self The question is how to play this to gain the maximum advantage FBI involvement escalates the tension and the body count starts to rise
