Sex And The Bible:

Sex in the Bible Michael R. Cosby, 1984 An introduction to what the scriptures teach us about sexuality What the Bible "Really" Says about Sex Tom Gruber, 2001 What the Bible Really says About Sex and what many people think the Bible says about sex are two different things Although the Bible clearly condemns immoral sexual behaviour to go beyond what the Bible clearly teaches is legalism Words like adultery fornication and lust do not mean the same things today that they meant in biblical times We've also lost sight of the reasons behind the rules What the Bible Really says about Sex makes a compelling biblical case for responsible non monogamy also known as polyamory It also grapples with other difficult ethical questions concerning nudity prostitution pornography homosexuality situation ethics polygamy the sin of Adam and Eve procreation marriage safe sex love sex after the resurrection and family values Tom Gruber gets to the crux of the matter with laser sharp clarity Gruber writes in a style that a layman can easily understand a skeptic cannot easily refute and a scholar cannot easily dispute This highly controversial book is a must read for all open minded individuals seeking an accurate understanding of What the Bible Really says About Sex Unprotected Texts Jennifer Wright Knust, 2011-01-25 An explosive fascinating book that reveals how the Bible cannot be used as a rulebook when it comes to sex A terrific read by a top scholar Bart Ehrman author of Misquoting Jesus Boston University's cutting edge religion scholar Jennifer Wright Knust reveals the Bible's contradictory messages about sex in this thoughtful riveting and timely reexploration of the letter of the gospels In the tradition of Bart Erhman's Jesus Interrupted and John Shelby Spong's Sins of Scripture Knust's Unprotected Texts liberates us from the pervasive moralizing the fickle dos and don'ts so often dictated by religious demagogues Knust's powerful reading offers a return to the scripture away from the mere slogans to which it is so often reduced **The Strange Woman** Gail Corrington Streete, 1997-01-01 In the worlds of ancient Israel and early Christianity political and religious laws limited women's options But some women created options by participating in adultery prostitution and other sexual variances thus resulting in a kind of independence not available to other women These actions subverted the social system leading to punishment for some women and power for others **The Bible, Sex, and this Generation** Monique Sharman, 2003-08 Learn What The Bible Really Says About Sex How should Christians view and treat those living in defacto relationships Do men and women today really have to wait until they are married before having sex What happens if they don't Have you ever wondered why Jesus gives an exception for divorce in only one gospel Why were men described as righteous in the Old Testament allowed more than one wife Have you ever pondered how these and other Biblical teachings on sex can be translated into your life today Using Scripture we answer these questions and more in a sensitive yet straightforward way Discover real reasons why couples should stay together for life along with guidance to help those in your influence discontinue hurtful sexual patterns As well as being a must read for parents counselors church leaders and scholars this resource will be valuable for anyone who has ever or will ever have sex Sex and Love in the Bible William Graham

Cole,1959 Examination of the practices and teachings in the Old and New Testaments **Sex in the Bible** J. Harold Ellens,2006-03-30 What is the Bible s stance on such controversial issues as homosexuality and polygamy What does it have to say about sexual behaviors that some would deem perverted or criminal Is sex always wrong if it is not used to create life Ellens answers these and other questions in a book that argues that our understanding of what the Bible has to say about sex is frequently misguided He corrects our impressions with a look at the Scriptures themselves considers what they might have meant to people in the past and reflects on how we understand or misunderstand them today Focusing on early interpretations and contemporary misconceptions Ellens guides readers through what the Bible actually says showing how these messages have been interpreted in different contexts and suggesting new ways of reading and translating them for use in our own lives Readers hoping to reach a better understanding of the Bible s views on sexual practices and sexuality in general will find their questions answered here What does the story of Adam and Eve reveal about sex and sexuality What does the Old Testament say about sex and how might we interpret that in our own lives today How does the New Testament say we should behave in our sexuality and our lives What lessons can we learn from a closer examination of the Bible and its teachings on human love marriage and sexuality These are among the many questions Ellens answers in an effort to help us all come to a better understanding of the gift of sexuality and its attendant behaviors in our lives In non judgmental prose he elucidates the Bible and our understanding of its teaching on these and related issues Women, Sex and the Bible C. Thomas Dennis,2003-06 **Sex Texts from the Bible** ,2012-06-28 A fresh look at the Bible reveals a richness of insight about sex and sexuality For some people the Bible s perspectives on sex may seem too one dimensional or antiquated to apply to modern day life Others may hold up the Bible as the ultimate moral guideline when it comes to sex and human sexuality A close reading of the Bible reveals that while its rules and lessons about sex and sexuality may not be applicable to all people at all times this sacred scripture does offer surprising insight into our modern sexual lives This intriguing guide demystifies the Bible synthesizing basic historical theological literary and linguistic ideas about the Bible s texts with our modern attitudes about sex Thoughtful new translation and provocative commentary bridge the divide between biblical authority and our present day views on gender roles marriage sexual orientation virginity lust and sexual pleasure Drawing from Hebrew and Christian scripture it examines the ways that the language of religion and the language of sex intersect Now you can discover what the Bible says about sex with no previous background in theology or religious history This SkyLight Illuminations edition offers insightful and engaging commentary that explains the historical context and religious worldviews of those who wrote the Bible as well as the role their perspectives play in current social debates You will be encouraged to form your own opinion about what the Bible has to say about sex and gain a deeper understanding of your own sexuality The Law of Love Wylark Day,2002-12-09 What does it mean to be righteous To be holy By what standard will God judge us when we die As the Bible tells us in 1Corinthians 8 2And if any man think that he knoweth any thing he

knoweth nothing yet as he ought to know For nearly two millennia Christians have followed the philosophy of Asceticism a philosophy which teaches that ignorance about sex is best because it is based on Fear Yet God s philosophy is LOVE and to love requires knowledge In this the second volume of Sex and the Bible we will therefore take a very close look at the teachings of the Bible in order to discover what God really thinks about SEX Roll over St Augustine
