create a polarisation or a separation between the spiritual path and the sexual life So what is the Tao of love passion and sex This very body is the lotus of the true law linking human beings to birth and death by the red thread of passion This approach was closely related to Tantric Buddhism that used sexual union as a religious ritual Sex and the Seasoned Woman Gail Sheehy, 2007-01-30 A seasoned woman is spicy She has been marinated in life experience She can be alternately sweet tart bubbly mellow She can be maternal and playful Bossy and submissive Strong and soft The seasoned woman knows who she is She could be any one of us as long as she is committed to living fully and passionately in the second half of life In her most groundbreaking work since *Passages* and *The Silent Passage* bestselling author Gail Sheehy reveals a hidden cultural phenomenon increased vitality in women's sex and love lives after fifty *Sex and the Seasoned Woman* is the story of an intimate revolution taking place under our very noses Boomer generation women in midlife are open to sex love dating new dreams exploring spirituality and revitalizing their marriages as never before This is a new universe of passionate liberated women married and single who are unwilling to settle for the stereotypical roles of middle age and are now realizing they don't have to As life spans grow longer and as societal constraints continue to loosen older women once free of the exhausting demands of young children needy husbands and demanding careers find themselves ready to pursue the passionate life They embrace their second adulthood as a period of reawakening Written in Sheehy's singularly compelling style combining interviews and research this book gives voice to more than a hundred fascinating and colorful women The inspiring stories tell of wives who reinvigorate their marriages after their children leave the nest as well as divorced widowed and long single women who find new dreams and new loves Sheehy delineates a crucial link between cultivating a new dream and reopening the pathway to intimacy and sexual pleasure She also examines the latest medical breakthroughs addressing symptoms that have unnecessarily curtailed women's sex lives From women who find their sexuality reawakened by a younger lover to couples whose marriages survive health crises and grow stronger to women who finally find a soulmate in their sixties to stories from seasoned sirens in their seventies eighties and even nineties these portraits cover an enormous range of experience In them Sheehy locates the universal patterns that enable us all to recognize and understand our own lives Money, Sex, War, Karma David Loy, 2008-03-10 David R Loy is hands down one of the most important thinkers writing today His work is always sophisticated and trenchant and *Money Sex War Karma* is his most accessible and broadly appealing work to date While offering decisively clear presentations of subtle and often misunderstood Buddhist staples the working of karma the nature of the self and the causes of our troubles on an individual and societal scale Loy also invites us to examine such topics as *Why We Love War* and the real reasons behind our sense of never having enough of the all the things we constantly strive after money sex time security and all the rest Loy's *Buddhist Revolution* is nothing less than radical change to the way we approach our lives the environment and collective delusions that pervade our culture even to Buddhism and spirituality itself Bracing yet ultimately hopeful and empowering *Money Sex War Karma* is not to be missed

Money, Sex, War, Karma David R. Loy, 2010-09-07 What's Wrong with Sex How to Drive Your Karma Consciousness Commodified The Karma of Food The Three Poisons Institutionalized Why We Love War These are just some of the chapters in this brilliant new book from David R Loy In little time Loy has become one of the Buddhist worldview's most powerful advocates explaining like no one else its ability to transform the sociopolitical landscape of the modern world In this his most accessible work to date he offers sharp and even shockingly clear presentations of oft misunderstood Buddhist staples the working of karma the nature of self the causes of trouble on both the individual and societal levels and the real reasons behind our collective sense of never enough whether it's time money sex security even war Loy's Buddhist Revolution is nothing less than a radical change in the ways we can approach our lives our planet the collective delusions that pervade our language culture and even our spirituality

Real Sex Mike Lousada, Louise Mazanti, PhD, 2017-05-30 The more modern culture shines its light on sex the longer the shadow it casts This shadow is commercialism pornography and shame This approach to sexuality distorts it to create performance pressure increasing numbers of sexual dysfunctions and a fundamental disconnect from ourselves and others Yet sexuality is one of the most important paths to happiness simply because it requires us to engage all the other aspects of ourselves To have deeply satisfying sex we must engage the mind the body and our feelings Real Sex will show you how almost everything that our society has tried to teach you about your sexuality is misleading or simply wrong Real Sex is a journey into the heart of your sexual self a way of creating meaningful and fulfilling intimacy It sets out seven keys that will teach you how to love and accept your mind body feelings desires and sexuality at a deeper level leaving behind feelings of guilt insecurity and shame Real Sex offers a new integrated idea of sexuality that holds a positive perspective of the sexual beings that we are longing for intimacy and aliveness that we know deep down makes our lives meaningful

Sex, God, and the Brain Andrew Newberg, 2024-08-06 For the modern world it seems as if sexuality and spirituality have always been at odds But what if the two are actually deeply connected And what if science could prove this connection From neuroscientist Andrew Newberg Sex God and the Brain argues that our religious and spiritual experiences derive directly from our sexual being While others have speculated on a connection between religion and sex Newberg is the first to demonstrate with groundbreaking brain scan
