Sex In America A Definitive Survey:

Sex in America Robert T. Michael, 1994 In 1992 highly regarded social scientists Robert T Michael John H Gagnon and Edward O Laumann embarked on an unprecedented study of America's sex life Working through the National Opinion Research Center at the University of Chicago their staff of 220 interviewers spent seven months interviewing 3 432 scientifically selected respondents about all aspects of their sex lives histories and beliefs More important unlike the famous but inherently flawed reports of Alfred Kinsey Redbook and Playboy magazines Shere Hite Samuel and Cynthia Janus and others this survey relied on a random sample of Americans rather than on an unrepresentative group of volunteers The resulting data reveal not just what we do sexually but how society shapes even our most private sexual experiences They show not just why we are the way we are but what it might take to change this behavior **Sexual Rights in America** Paul R. Abramson, Steven D. Pinkerton, Mark Huppert, 2003-08 Using concrete examples such as prostitution and phone sex this book illustrates the scope and limitations of 9th amendment sexual rights *Hearts and Minds* Thomas David Kehoe, 2003 Mammals raising their young evolved brains hardwired for emotional relationships Around this mammalian core humans evolved a new larger brain for abstract thinking Too often our abstract thinking gets in the way of emotionally connecting with other people *Hearts and Minds* shows you how to improve your relationships by integrating these different brain systems Plus you'll find The best places to meet single men and women page 93 How young men and women fall in love with mirrors of themselves page 74 when mature men and women love their real partners including accepting their faults page 83 How switching gender roles moves dating into a committed relationship page 139 How to use conflicts to strengthen a relationship page 146 **Sexuality and Medicine** John Wiltshire, Paul A. Komesaroff, Philipa Rothfield, 2004-07-29 There is no available information at this time Care of Adults with Chronic Childhood Conditions Mariecel Pilapil, David E. DeLaet, Alice A. Kuo, Cynthia Peacock, Niraj Sharma, 2016-11-24 This book addresses the unique healthcare needs of adults with chronic childhood illnesses It presents a model of primary and secondary prevention for emerging adulthood primary prevention in which all young adults are screened for high risk behaviors and health needs and secondary prevention in which young adults with chronic childhood conditions are optimized through coordinated care connections to community resources and social family support This book is organized in five parts Part I provides a detailed overview of the health care transition from pediatrics to adult medicine from both a policy and practice perspective In Part II the concept of emerging adulthood as a developmental period is explored and strategies for providing improved comprehensive care for this age group are discussed Part III reviews specific chronic childhood conditions such as attention deficit hyperactivity disorder autism cystic fibrosis and diabetes mellitus and offers clinical cases and summary reports that can be used as a quick guides to each condition In Part IV additional clinical considerations that are not necessarily condition specific but are highly relevant to the care of young adults with chronic childhood conditions are examined Part V describes the socio legal issues

involved in caring for this population Care of Adults with Chronic Childhood Conditions provides primary care providers with a new framework for the care of young adults and identifies opportunities to influence patient health outcomes over a life trajectory

The Process of Social Research Jeffrey C. Dixon, Royce Singleton, Bruce C. Straits, 2016 The Process of Social Research successfully meets two major challenges of teaching social science methods to make the material interesting and accessible to students and to provide them with the tools necessary to understand evaluate and conduct research Authors Jeffrey C Dixon Royce A Singleton Jr and Bruce C Straits employ a conversational writing style that is engaging and student friendly Using everyday examples to introduce chapters and clarify complex concepts they provide current research examples on such cutting edge topics as immigration family composition prosecutorial misconduct organized racism homelessness social inequality and education and alcohol consumption and grades Placing a unique emphasis on the research process the book helps students understand the logic and mechanics of social research giving them the tools and the power to evaluate the research of others and to conduct their own research Beginning with the introduction every chapter contains flowcharts of research processes As each diagram is presented the authors relate the specific method to the overall research process Then over the course of the chapter or section they flesh out each step This way they convey information about the nuts and bolts of research while ensuring that students do not lose sight of the logic of inquiry Comprehensive and up to date without attempting to be encyclopedic in its coverage The Process of Social Research provides a balance between qualitative and quantitative research taking a more integrated approach to describing the relationship between theory and research

Same-sex Marriage Mathew D. Staver, 2004 Staver argues that the allowing of same sex marriages in San Francisco speaks to the homosexual agenda s cultural assault and the church s timidity in confronting it
