Sex Is NOT a Sin, 2016-06-10 **SOMEBODY S** Not Telling You the Truth Whether you are a Christian or not religious or not you re going to be intrigued by this discovery Does God really consider premarital sex a sin How about prostitution Most No all Christians believe that sex before marriage is a sin and that all prostitution is an abomination in the sight of God But is that what God really says in scripture Truth is the truth has been cloaked by false religious doctrines based on critical flaws in the translations of certain words perhaps intentionally changing the meaning of specific pieces of scripture within the historical context it was written What this creates is a gross misunderstanding of what the original intent of the writers was with regards to this topic It s as if the religious elites have launched a campaign of disinformation designed to pull the wool over your eyes But why The outcome is condemnation and guilt for anyone who engages in premarital sex or even thinks about it But none of that is Biblically correct This book proves it Written by a Christian of more than 35 years who was challenged to expose the truth based on a failed relationship with his fianc e in which some Christian associates openly passed judgement that his relationship wasn t blessed due to premarital sex Having discovered the truth long ago but never really studying it he was forced to defend himself against a barrage of accusations based on scripture thrown at him by those indoctrinated in the religion of sexual immorality Scripture he knew was out of context with the wrong translations Unfortunately he lost that battle because he couldn t show himself approved This led to a 4 month long journey into rediscovering the truth and exposing the lies perpetrated on him and the rest of the world Based on facts that have been hidden from the public for centuries he reveals what God s real intentions are regarding sex sex before marriage and prostitution What you will discover flies in the face of main street religious doctrine that premarital sex is a sin all prostitution is a sin and that anyone lusting after another to desire that person is adultery Whether you are a Christian or not you will feel liberated from this distorted and false doctrine of sexual immorality and uncover what God truly has to say about those things which are really sexually immoral and why This book is for anyone who is justly interested in the truth on this taboo It will empower you and inspire

you This book is not a condemnation of Christianity and instead shows that it is religion not Christianity that is the issue This book doesn't promote prostitution nor encourage sex before marriage especially for young adults It's an exploration of the truth that has been hidden for too long Seeking the Straight and Narrow Lynne Gerber, 2012-08-01 Losing weight and changing your sexual orientation are both notoriously difficult to do successfully Yet many faithful evangelical Christians believe that thinness and heterosexuality are godly ideals and that God will provide reliable paths toward them for those who fall short Seeking the Straight and Narrow is a fascinating account of the world of evangelical efforts to alter our strongest bodily desires Drawing on fieldwork at First Place a popular Christian weight loss program and Exodus International a network of ex-gay ministries Lynne Gerber explores why some Christians feel that being fat or gay offends God what exactly they do to lose weight or go straight and how they make sense of the program's results or frequently their lack Gerber notes the differences and striking parallels between the two programs and more broadly she traces the ways that other social institutions have attempted to contain the excesses associated with fatness and homosexuality Challenging narratives that place evangelicals in constant opposition to dominant American values Gerber shows that these programs reflect the often overlooked connection between American cultural obsessions and Christian ones **Black, Quare, and Then to Where** Jennifer Susanne Leath, 2023-10-20 In Black Quare and Then to Where Jennifer Susanne Leath explores the relationship between Afrodiasporic theories of justice and Black sexual ethics through a womanist engagement with Ma't the ancient Egyptian deity of justice and truth Ma't took into account the historical and cultural context of each human's life thus encompassing nuances of politics race gender and sexuality Arguing that Ma't should serve as a foundation for reconfiguring Black sexual ethics Leath applies ancient Egyptian moral codes to quare ethics of the erotic expanding what relationships and democratic practices might look like from a contemporary Ma'tian perspective She also draws on Pan-Africanism and examines the work of Alice Walker E. Patrick Johnson Cheikh Anta Diop Sylvia Wynter Sun Ra and others She shows that together these thinkers and traditions inform and expand the possibilities of Ma'tian justice with respect to Black sexual experiences As a moral force Leath contends Ma't opens new possibilities for mapping ethical frameworks to understand redefine and imagine justices in the United States Why Jesus was a Man and Not a Woman Sidney Calhoun Tapp, 1914
