Sex Priest:

Sex, Priests, and Power A. W. Richard Sipe, 1995 First published in 1995 Routledge is an imprint of Taylor Francis an informa company *Sex, Priests, and Secret Codes* Thomas P. Doyle, A. W. Richard Sipe, Patrick J. Wall, 2006 Sexual abuse of minors and vulnerable adults by Catholic clergy is not a new phenomenon *Sex Priests and Secret Codes* reveals in shocking detail a deep seated problem that spans the Church's history *Sex, Celibacy, and Priesthood* Lou A. Bordisso, 2011-08-19 The traditional Catholic Church views true celibacy as a gift from God But today's reality paints a much different picture In *Sex Celibacy and Priesthood* Lou A Bordisso reviews the research on sexual activity and celibacy among Catholic priests Featuring heart wrenching anonymous and candid self disclosures about the sexual behaviors of heterosexual gay and bisexual priests Bordisso explores the meaning of celibacy in accordance with Roman Catholic Church teachings doctrine and canon law *Sex Celibacy and Priesthood* provides an honest and frank study of current perspectives on celibacy in light of priestly sexual behaviors It allows for Roman Catholic priests to speak out in their own voices about their struggles and the conflicts they experience between celibacy and their sexual activities At a time when most are disgusted with the sexual scandal coverups smokescreens and veil of secrecy provided by many Roman Catholic bishops and their apologists *Sex Celibacy and Priesthood* tells the truth and encourages us to think imaginatively and compassionately about an issue of crucial importance to the Roman Catholic Church at this moment in history **Perversion of Power** Mary Gail Frawley-O'Dea, 2007 Since 2002 the Roman Catholic Church has been in crisis over the sexual abuse of minors by priests and the cover up of those crimes by bishops Over 11 000 alleged victims have reported their experiences to the Church and more than 4 700 priests since 1950 have been credibly accused of sexually victimizing minors The Church has paid over one billion dollars to adults who claim to have been sexually abused by priests and there is no end in sight to these lawsuits Celibacy homosexuality in the priesthood the infiltration into the priesthood of secular moral relativism too much liberalism in the Church since Vatican II damaging rollback of Vatican II reforms by conservative prelates all have been suggested as causes for the crisis This book however begins with the premise that because the pattern of abuse and cover up was so similar across the world there is something fundamentally awry with Church traditions and power structures in relationship to sexuality and sexual abuse Specifically in chapters on suffering and sadomasochism bodies and gender desire and sexuality celibacy and homosexuality the author concludes that aspects of the Catholic theology of sexuality set the stage for the abuse of minors and its cover up Frawley O'Dea also analyzes the American bishops lack of pastoral care and tendency towards clerical narcissism the belief that the needs of the hierarchy represent the needs of the wider Church as central factors in the scandal She balances this criticism with a discussion of the backgrounds of the bishops presiding over the crisis and the challenges they faced in their relationships with the Pope and Vatican officials Drawing on twenty years of clinical experience she imagines the dynamics of sexual abuse both from the victim's point of view and from the priest's and she probes why the

Church hierarchy fellow priests and lay people were silent for so long Finally Frawley O Dea examines factors internal to the Church and outside of it that drew this scandal into the public square and kept it there **Naked Parish Priest** Stephen Loudon, Leslie J. Francis, 2003-08-01 Based on a survey sent out to Catholic clergy in the UK this study is a major contribution from empirical theology towards interpreting the health and potential of the priesthood today The issues raised by this new study concern the nature and health of the priesthood a topic of most urgent concern at a time of clerical scandal and abuse The conclusions of this book are extremely revealing but fundamentally positive for anyone concerned with the future of the Christian Church at the start of a new millennium **The Sex Effect** Ross Benes, 2017-04-04 A gripping exploration of the relationship between sex and our society with a foreword by bestselling author A J Jacobs Why do political leaders become entangled in so many sex scandals How did the U S military inadvertently help make San Francisco a mecca of gay culture And what was the original purpose of vibrators Find out the answers to all these questions and more as journalist Ross Benes delves into the complicated relationship between everyday human life including religion politics and technology and our sexuality Drawing on history psychology sociology and more The Sex Effect combines innovative research and analysis with captivating anecdotes to reveal just how much sex shapes our society and what it means for us as humans as we continue to struggle with the wide ranging effects our sexuality has on the world around us **Gay Catholic Priests and Clerical Sexual Misconduct** Donald Boisvert, Robert Goss, 2021-03-04 Why did it take 30 years for American bishops to listen to the victims of Catholic clerical abuse Gay Catholic Priests and Clerical Sexual Misconduct Breaking the Silence is a compelling indictment of Roman Catholic teachings on homosexuality and sexuality Inspired by The Silence of Sodom Homosexuality in Modern Catholicism Mark Jordan s controversial examination of homoeroticism in American Catholic culture this groundbreaking book examines how the current crisis of clerical abuse affects and stigmatizes gay priests living in a climate of hysteria and condemnation The book s contributors an eclectic mix of scholars and clerics question whether the church can survive centuries of secrets and scandals In the wake of very real concerns about a possible inquisition launched by the Catholic Church against its gay members Gay Catholic Priests and Clerical Sexual Misconduct continues the efforts of the Gay Men s Issues in Religion Group of the American Academy of Religion to honor the work of Mark Jordan who contributes his thoughts on the issues raised by the book A panel of former Jesuits a former seminarian with the Congregation of the Blessed Sacrament a Dominican a Franciscan and several feminist authors present different perspectives on gay priests clerical ecclesial misogyny games of power and abuse and religious scapegoating writing with eloquence and pain a great deal of pride and a touch of justifiable divine righteousness Gay Catholic Priests and Clerical Sexual Misconduct includes Celibate Men Ambivalent Saints and Games of Desire A Call to Liberation of Gay Catholic Clergy Speaking Loud or Shutting Up The Homosexual type Problem Those Troubling Gay Priests Catholicism and a Crisis of Intimate Relations and much more Gay Catholic Priests and Clerical Sexual Misconduct Breaking the Silence is an invaluable resource for academics members

of the clergy seminarians chaplains and counselors and anyone interested in homosexuality and religion **When Women Become Priests** Kelley A. Raab,2000 In an analysis that deftly unites feminist criticism psychoanalysis and Catholic theology Kelley Raab explores the symbolic implications of women at the altar providing rich insight into issues of gender symbolism and power *Pedophiles and Priests* Philip Jenkins,2001-08-30 If we can believe the six o clock news there has been an epidemic of sexual abuse among the clergy and especially among the Roman Catholic clergy This study looks at the entire history of this mushrooming scandal from the first rumblings to the explosion of headlines Provided by publisher

Serpents In the Garden: True Accounts of Sexual Betrayal In The Church! Christian Whistle Blower,2013-07-09 The stories in this book are real as far as I know because not all of them came to me first hand Those that did or the ones I personally knew about I can vouch for As someone who went to Bible College and spent years as both a layman and ministerial worker in various churches I heard each of them first hand from either the victim or the perpetrator Be aware that although I have avoided the use of any sort of foul language or sexual slurs the accounts of sexual abuse you will read about are real and graphic I believe they must be in order to bring incidents like these to light and give them credibility Trust has come too easy in churches and many people have paid the price for that My own faith was tested over and over again as I came across these horrifying incidents that occurred in churches where I worshiped and worked as well as others I learned about that occurred in other locations *Censoring Sex Research* Thomas K Hubbard,Beert Verstraete,2016-06-16 This volume sheds light on one of the most explosive episodes of censure of academic scholarship in recent decades Bruce Rind a former psychology professor at Temple University investigated sexual relations between male adults and adolescents through history and across cultures from highly institutionalized relationships in Ancient Greece and Rome to 33 contemporary cultures including the USA and among various species His conclusions that these relations when consensual are not always negative was radical but based in his research findings Even before publication of an invited article on the topic he was subjected to intensive attacks censured and censored This book presents a substantially extended version of Rind s original unpublished article plus 12 scholarly responses to his work that argue for or against Rind s conclusions or offer useful context on his work For anyone interested in sex research and the academic freedom issues surrounding it whether supportive of or vehemently opposed to Rind s ideas this book is a must read *Congress and Other Cesspools* Rodney Stich,2008-09-05 Congress and other cesspools is a detailed history of fraud and corruption involving members of Congress and other government and non government entities primarily as it involves financial frauds upon the American people

Sexual Abuse in the Catholic Church Thomas G. Plante Ph.D.,Kathleen L. McChesney,2011-10-20 Taking on a still controversial topic a diverse group of experts including victims and clergy offers reflections on the sexual abuse crisis in the Catholic Church examining what the church has done and what it still needs to do to protect children Sexual Abuse in the Catholic Church A Decade of Crisis 2002 2012 is a thoughtful multidisciplinary commentary Beginning when the scandal first

broke in Boston in 2002 this first of its kind work offers a wide range of opinion both positive and negative on what has been done in the ensuing ten years to stop and prevent such abuse Through the contributions here readers can delve into the world of the church hierarchy and into the minds of abusive priests and their victims The book presents the views of leading academics and psychologists but also allows the church to speak First person insights from victims are shared as in a chapter written by a woman abused by a clergy member as an adolescent She explains what happened the resulting trauma how she healed and what she thinks needs to be done to prevent future abuse a subject that still makes headlines and stirs debate

Sex Symbolism in Religion James Ballantyne Hannay,1922 *Shame, the Church and the Regulation of Female Sexuality* Miryam Clough,2017-07-14 This book explores the idea that shame has historically been and continues to be used by an oftentimes patriarchal Christian Church as a mechanism to control and regulate female sexuality and to displace men s ambivalence about sex It is a fresh take on the issue of shame and gender in the context of religious belief and practice As such it will be of significant interest to academics in the fields of Religious Studies Theology Church History and Gender Studies *The Catholic Sexual Abuse Scandal* Jerry J. Paresa,2021-09-23 An enduring solution starts with the correct diagnosis The Catholic Clergy Sexual Abuse Scandal has haunted the lives of its victims and the Catholic community at large for decades Even today it continues to undermine the credibility of the Church and dishearten its faithful Catholics remain rightfully frustrated and disappointed as Church leaders try to move beyond this ugly chapter without creating a cohesive plan to address the underlying issues that contributed to the scandal in the first place Media coverage has often oversimplified these contributing factors leaving many with the impression that simplistic solutions can fix the Church s problems This is not the case Written from an insider s perspective this book strives to dispel unhelpful caricatures and more fully examine the broad contextual and aggravating factors that make the Catholic Clergy Sexual Abuse Scandal It is heavily researched work designed to help parishioners priests and Church leaders more clearly consider the complexities of the crisis so that they may continue to make informed concrete and effective steps to heal the Church and its people [Celibacy in Crisis](#) A. W. Richard Sipe,2003 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company

Sexuality and Law in the Torah Hilary Lipka,Bruce Wells,2020-03-19 This book examines many of the laws in the Torah governing sexual relations and the often implicit motivations underlying them It also considers texts beyond the laws in which legal traditions and ideas concerning sexual behavior intersect and provide insight into ancient Israel s social norms The book includes extended treatments on the nature and function of marriage and divorce in ancient Israel the variation in sexual rules due to status and gender the prohibition on male with male sex and the different types of sexualities that may have existed in ancient Israel The essays draw on a variety of methodologies and approaches including narrative criticism philological analysis literary theory feminist and gender theory anthropological models and comparative analysis They cover content ranging from the narratives in Genesis to the laws of Exodus Leviticus and Deuteronomy to later re interpretations of

pentateuchal laws in Jeremiah and texts from the Second Temple period Overall the book presents a combination of theoretical discussion and close textual analysis to shed new light on the connections between law and sexuality within the Torah and beyond

The Clergy Sexual Abuse Crisis Paul R. Dokecki, 2004-02-27 The story of sexual abuse of children by Catholic priests has sent shock waves around the nation and will not fade from consciousness or the news We ask How could this happen And then we ask How could the Catholic Church let this continue for so long in seeming silence and duplicity Paul R Dokecki a community psychologist at Vanderbilt University an active Catholic and a former board member of the National Catholic Education Association investigates the crisis not only with the eye of an investigative reporter but with the analytical skills and training of a psychologist as well Moreover he lays the foundation for reasonable and practical reform measures Through the scandal in the Archdiocese of Boston as well as the earlier if less well known but momentous case in the Diocese of Nashville Dokecki reports on and analyzes what is ultimately an abuse of power not only by the clergy but by church officials As distasteful as these instances may be they are compelling reading enlightened by the author's abilities to contextualize these events through the lenses of professional ethics the human sciences and ecclesiology According to Dokecki these and other instances of clergy sexual abuse reveal a systemic deficiency in the structure and the nature of the church itself one that has prevented the church from adequately dealing with its own worst sins Dokecki may shine a spotlight into the church's dark corners but he does so in the service of enlightenment calling the church back toward the vision of Vatican II and the spirit of Pope John XXIII toward a greater transparency a more open and participatory governance in the church and for a greatly expanded role for the people of God who make up the church It is in this way Dokecki believes the church will be better able to keep the innocent children of the church safe from harm

Trans Talmud Max K. Strassfeld, 2023-10-03 *Trans Talmud* places eunuchs and androgynes at the center of rabbinic literature and asks what we can learn from them about Judaism and the project of transgender history Rather than treating these figures as anomalies to be justified or explained away Max K Strassfeld argues that they profoundly shaped ideas about law as the rabbis constructed intricate taxonomies of gender across dozens of texts to understand an array of cultural tensions Showing how rabbis employed eunuchs and androgynes to define proper forms of masculinity Strassfeld emphasizes the unique potential of these figures to not only establish the boundary of law but exceed and transform it *Trans Talmud* challenges how we understand gender in Judaism and demonstrates that acknowledging nonbinary gender prompts a reassessment of Jewish literature and law
