Sex Tourism in Africa Wanjohi Kibicho, 2016-04-01 Illustrated by in depth empirical research from Kenya one of the most popular country destinations in Africa for sex tourism this book gathers much needed statistics and data and then critically examines the features of tourism and the sex trade contextualizing this in relation to tourism development It addresses the conditions which generate this social problem and while not taking a potentially problematic moralistic stance it questions whether this trade is exploitative in nature particularly in cases of child sex tourism It then critically evaluates the current policies in place to regulate the sex tourism industry and provides suggestions for future direction *Sex Tourism on the Kenyan Coast* Rose Omondi, Chris Ryan, 2024-08-28 This book challenges many suppositions surrounding sex tourism suggesting that elderly males who seek romance and are caught up in their fantasies of finding love with exotic black women are taken advantage of even while the women are often deluding themselves when searching for the mzungu who will enable them to fulfil their dreams of travel house ownership and comfort It is a complex story based on research into the lives of the sex workers obtained from a study conducted over 12 months in the bars and nightclubs of the Kenyan coast Fortunes are made and lost but the tragedy is that the success of the few in achieving their dreams becomes a false promise for the majority who seek to emulate the success of the few The book will be of immense value to those interested in gender studies and indeed those who hold an interest in the complexities of sex work *Family Sex Safari* Chita Chitty, Eva Beaver., 1980 **I Took the Sex Gods to Thailand** Lee Huxley, 2013 This is the true story of a self confessed sexual zealot who while satisfying his lust with bar girls in Hong Kong Philippines Vietnam and Thailand is compelled by the intensity of his libido to find its deeper meaning through Tantra Tantra teaches that the fast track to enlightenment and to God is not celibacy as Buddha and Jesus taught but Maithuna or sacred sex In Tantra Go Go dancers and escorts are avatars of the goddess Shakti and can be used as spiritual rocket fuel His love of women eventually persuades him to marry a Thai girl that creates an impossible dilemma in his life He is torn between his love for one woman and his insatiable need for Go Go dancers who in Thailand are beautiful affordable and abundant He fears his sex utopia in Thailand is threatened by the Islamic insurgency in the south Beneath the face of tourist paradise Thailand is afflicted with divisive political and religious unrest Thailand is waiting for the new Buddha to return to establish a golden age of peace But Buddha is not coming back and only the sex gods of Tantra can save Thailand Only the sex gods can save the world **The Incredibly, Almost Made Up True Story of Thorton T. Thorton** Richard Rivera, 2020-09-07 The richest man in the history of mankind manages to produce the most offensive programming in television history and have the world declare war on him *Somebody to Love [Reissue]* Matt Richards, Mark Langthorne, 2024-06-18 An intimate look at the life of Freddie Mercury the iconic singer of Queen featuring interviews with close friends and rare photographs revealing facts about his personal life search for love and his tragic battle with HIV AIDS With four new chapters Somebody to Love pays tribute to an extraordinary life Freddie
