Sex In Groups:

Crash Data and Rates for Age-sex Groups of Driver, 1990 Ezio C. Cerrelli,1992 **Sex in Cetaceans** Bernd Würsig,Dara N. Orbach,2023-09-25 Sex in Cetaceans provides an up to date review of multi faceted aspects related to mating and reproduction in toothed and baleen whales This open access book begins with discussions of sexual selection and anatomical traits related to mating and diversity between the sexes The functions of non conceptive copulations are reviewed as are different research techniques applied to explore sex in cetaceans Authors and editors build knowledge of female and male social mating and parental strategies and tactics for several specific toothed dolphin porpoise whale species and baleen whale species It concludes with a discussion of potential conservation efforts and ways to help especially beleaguered species and populations the world over The volume is intended as a major primer of cetacean sex for undergraduate and graduate students new and established researchers in the field and the public wishing to learn more Communication and Sex-role Socialization Cynthia Berryman-Fink,Deborah Ballard-Reisch,Lisa H. Newman,2015-10-23 Originally published in 1993 The essays in this book collectively seek to illuminate the role of communication and sex role socialization throughout the life cycle Section 1 addresses some important issues and behaviours that have an impact on the beginnings of the socialization process Section 2 covers socialization later on in relationships the workplace and the political arena while section 3 looks at manifestations of socialization through communication strategies and skills Finally section 4 addresses ways to alter socialization through instructional practices in higher education The approach to studying sex role socialization varies by perspective and methodology and conclusions are interpreted in diverse ways but the results have been very similar and the research in this volume shows that the socialization of males and females continues to reinforce male dominance despite women s advancement toward equal status in society This work is of interest in the fields of sociology psychology anthropology and women s studies as well as communication Plays Well in Groups Katherine Frank,2013-06-27 From tribal religious rituals to the Playboy mansion and from ancient Rome to Burning Man Plays Well in Groups explores the phenomenon of group sex Author Katherine Frank draws on surveys ethnographic research participant interviews and more to provide explanations for both participation in group sex and our complex reactions to it from fascination to fear This book looks at group sex across cultures who has it and why Group sex is almost always taboo and often criminalized and yet it persists across cultures throughout history Plays Well in Groups looks at the symbolism of orgies as well as contemporary manifestations of group sex in bathhouses and public sex venues at BDSM and swinging parties on Craigslist and in political scandals Tantra classes reality television and more Frank explores the many reasons people participate in group sex from arousal to spiritual transcendence in this bold study of subversive sexuality **Sex and Gender** Hilary M. Lips,2017-05-19 Are sex and gender really two different things How malleable is gender identity Should we emphasize gender differences These are only some of the questions Hilary Lips addresses regarding one of the most important dimensions of human life

since time immemorial Stereotypes gender roles and how social relationships function all combine to assign meanings to the male female distinction that affects all aspects of social life Taking advantage of the abundance of current research that reevaluates and resituates the major issues of sex and gender the Sixth Edition collects and distills this scholarship into a book that is readily accessible and relevant to today's readers Lips incorporates knowledge gained from a range of social sciences taking a critical approach to empirical research Throughout the book she emphasizes culturally racially and sexually diverse perspectives A discussion of the role that gender plays in social relationships and power hierarchies illuminates the experience of inequality between men and women in business education politics and the media The ideas presented in *Sex and Gender* will raise readers awareness of the issues contributing to that major social problem Race/sex Naomi Zack,1997 First Published in 1997 Routledge is an imprint of Taylor Francis an informa company *Sex Estimation of the Human Skeleton* Alexandra R. Klales,2020-05-30 *Sex Estimation of the Human Skeleton* is a comprehensive work on the theory methods and current issues for sexing human skeletal remains This work provides practitioners a starting point for research and practice on sex estimation to assist with the identification and analysis of human remains It contains a collection of the latest scientific research using metric and morphological methods and contains case studies where relevant to highlight methodological application to real cases This volume presents a truly comprehensive representation of the current state of sex estimation while also detailing the history and how we got to this point Divided into three main sections this reference text first provides an introduction to the book and to sex estimation overall including a history practitioner preferences and a deeper understanding of biological sex The second section addresses the main methodological areas used to estimate sex including metric and morphological methods statistical applications and software Each chapter topic provides a review of older techniques and emphasizes the latest research and methodological improvements Chapters are written by practicing physical anthropologists and also include their latest research on the topics as well as relevant case studies The third section addresses current considerations and future directions for sex estimation in forensic and bioarchaeological contexts including DNA secular change and medical imaging *Sex Estimation of the Human Skeleton* is a one of a kind resource for those involved in estimating the sex of human skeletal remains Provides the first comprehensive text reference on sex estimation with historical perspectives and current best practices Contains real case studies to underscore key estimation concepts Demonstrates the changing role of technology in sex estimation Love, Sex and Teenage Sexual Cultures in South Africa Deevia Bhana,2017-10-25 *Love Sex and Teenage Sexual Cultures in South Africa* interrupts the relative silence around teenage constructions of love in South Africa Against the backdrop of gender inequalities HIV and violence the book situates teenage constructions of love and romance within the wider social and cultural context underwritten by the histories of apartheid chronic unemployment poverty and the endless struggle to survive By drawing on focus group discussions with African teenage men and women the book addresses teenage Africans as active agents

providing a more nuanced picture of their desires and their dilemmas through which sexuality and love are experienced The chapters in the book conceptualise desiring love material love pure love forced love and fearing love It argues that love is intrinsically linked to cultural practices and material realities which mold particular formations of teenage masculinities and femininities This book will be of interest to academics undergraduates postgraduates and researchers in sociology HIV health and gender studies development and postcolonial studies and African studies
