Ellison, Kelly Brown Douglas, 2010-09-21 Christian discourse on sexuality spirituality and ethics has continued to evolve since this book's first edition was published in 1994 This updated and expanded anthology featuring more than thirty contemporary essays includes more theologians and ethicists of color and addresses issues such as the intersection of race racism and sexuality transgender identity same sex marriage and reproductive health and justice     **From Women's Experience to Feminist Theology** Linda Hogan, 1995-01-01 What are the implications of adopting a primacy of praxis position in feminist theology How can we respect the diversity of women's experience while retaining it as a useful analytic category Do these twin resources of women's experience and praxis together imply that feminist theology is ultimately relativist Through an analysis of the work of some of today's key feminist theologians Christian Womanist and post Christian the author considers these and other central methodological questions This work examines the origins and development of the categories of women's experience and praxis and argues that the adoption of these resources ought to result in a hermeneutic of difference and a reluctance to claim a normative theory for feminist theology     **Wounded Images** Kristine M. Whaley, 2024-03-27 This volume works through deconstructing traditional models of the imago Dei in search of a more inclusive understanding of the doctrine one that allows for literature to bring important questions to bear Brief analyses of Karl Barth and Paul Tillich and then growing dissatisfaction with the two in various liberation theologies brings to light the problems of a perfected image of God An exploration of four novels by Jean Rhys between 1928 and 1939 then follows the footsteps of Katie Cannon and others who include literature in their theological work The Rhys novels follow tragic stories of women who are wounded both by others and by their own inability to see themselves as worthy Through the questions these women ask about themselves and God the reconstruction of the imago Dei is set up This reconstruction centers trauma wounds and a non contrastive transcendence that Kathryn Tanner defines Ultimately it is not in how we are perfect but rather through our risks our wounds and even our grief that we connect to God     **Secret Sex Wars** Robert Scott Sr, 2008-05-01 We live in a sexually impure world This fact is felt most assuredly by men As one preacher put it We live in a culture that sweats sensuality from its pores A man today can't escape the temptations to sexual sin that come to him via TV billboards magazines and provocatively dressed women He can run but he can't hide The world he lives in is saturated with sexual temptations This book seeks to come face to face with the growing problem in the church today sexual purity has become a major concern in homes churches and in the hearts of men across the country This book will provide keys to unlocking freedom in the fight for purity     **Feminist Trauma Theologies** Karen O'Donnell, Katie Cross, 2025-01-30 Throughout the study of trauma theology runs a lineage that is deeply feminist As traumatic experience is being more

**Sexual Consequences** Olamide Asekun,2019-05-08 As a young lady God had to teach me the consequences of sexual sin to get me to a place of repentance and deliverance God reminded me of many men and women in the Bible who lost their destinies families and even their lives because of their disregard for the sanctity of sex and an ignorance of the dire consequences of sexual immorality I also began to trace many generational mistakes to unbridled sexual actions and indiscipline I strongly believe that every human being must know how profound sex is must know the consequences of sexual sin from God s perspective and must then make a choice for sexual purity or the inevitable destructive consequences of sexual sin May the grace of the Lord Jesus help us to live a life pleasing to God

Salzman, Michael G. Lawler, 2008-05-21 Two principles capture the essence of the official Catholic position on the morality of sexuality first that any human genital act must occur within the framework of heterosexual marriage second each and every marriage act must remain open to the transmission of life In this comprehensive overview of Catholicism and sexuality theologians Todd A Salzman and Michael G Lawler examine and challenge these principles Remaining firmly within the Catholic tradition they contend that the church is being inconsistent in its teaching by adopting a dynamic historically conscious anthropology and worldview on social ethics and the interpretation of scripture while adopting a static classicist anthropology and worldview on sexual ethics While some documents from Vatican II like *Gaudium et spes* the marital act promotes self giving by which spouses enrich each other gave hope for a renewed understanding of sexuality the church has not carried out the full implications of this approach In short say Salzman and Lawler emphasize relationships not acts and recognize Christianity's historically and culturally conditioned understanding of human sexuality *The Sexual Person* draws historically methodologically and anthropologically from the best of Catholic tradition and provides a context for current theological debates between traditionalists and revisionists regarding marriage cohabitation homosexuality reproductive technologies and what it means to be human This daring and potentially revolutionary book will be sure to

provoke constructive dialogue among theologians and between theologians and the Magisterium
