As the title states this book contains stories and poems about cats and dogs It relates the joy and pleasure they brought to
their owners and the grief experienced when their pet passes away Pat has written these poems and stories over time about
the animals life and after some of the animals passed on The aim and purpose of the book is to help young people starting
with preteens deal with grief through the reading of these stories and poems It tells about the lives of these special cats and
dogs This is a self help book of sorts It is Pat s hope that it will help preteens teenagers young adults and even adults who
have lost pets to know that others have also lost pets how difficult it was and how they dealt with the loss of the pet
Sometimes it helps when one pet dies to immediately get another one That is sometimes difficult as you feel no other pet can
replace the one you lost It is a blessing that many people rescue pets from the pound and animal shelters There are also
organizations that rescue dogs from being euthanized Dogs and cats have meant much to many in different ways They can be
a therapy to senior citizens and shut ins They lift us up when we are having a bad day The pets were given a good home They
were given love They were like family They gave unconditional love in return The book includes pictures of the cats and dogs
that go along with the stories and poems For those of you who have had animals you loved and lost other animal lovers can
feel your pain Hopefully these poems and stories will serve to let you know others grieve as you do You are not alone *The*
