Hammerback, Richard J. Jensen, 2003-04 Although born into one of the least powerful segments of American society Cesar Chavez led the farm labor movement to unprecedented heights His powerful effect on audiences is well known but award winning scholars John C Hammerback and Richard J Jensen offer the first explanation of how Chavez achieved that effect Although other studies of Chavez exist none has examined so thoroughly his rhetoric nor analyzed in depth such a large number of Chavez's own texts scores of which have previously been unstudied Chavez was an indefatigable speaker writer and non discursive communicator who developed a well thought out approach to his rhetorical discourse and placed his speaking and writing at the very center of his career By merging thought and character in his themes arguments and explanations and in his first and second personae Chavez was able to identify with the character of his listeners That identification induced many audience members to support Chavez's agenda for union activism The authors have developed a model to help explain Chavez's startling transformation of some audiences and persuasion of others Hammerback and Jensen reveal that Chavez's world view motivated him to work tirelessly and directed him to the particular rhetorical qualities and techniques that characterized his discourse The authors also demonstrate Chavez's surprising effectiveness as a rhetor despite his soft spoken style uncharacteristic of most powerful orators *The Eagle Has Eyes* José Angel Gutiérrez, 2019-03-01 This book is the first of its kind to bring transparency to the FBI's attempts to destroy the

incipient Chicano Movement of the 1960s While the activities of the deep state are current research topics this has not always been the case The role of the U S government in suppressing marginalized racial and ethnic minorities began to be documented with the advent of the Freedom of Information Act and most recently by disclosures of whistle blowers This book utilizes declassified files from the FBI to investigate the agency s role in thwarting Cesar E Chavez s efforts to build a labor union for farm workers and documents the roles of the FBI California state police and local police in assisting those who opposed Chavez Ultimately *The Eagle Has Eyes* is a must read for academics and activists alike *Latina Issues* Antoinette Sedillo López,2020-08-11 This book attempts to make Latina history visible and Latina voices heard It focuses solely on women not to marginalize Latina stories but to showcase them illustrating Latina perspectives on colonization gender race and class **The Original Writings of Philip Vera Cruz** Sid Amores Valledor,2006 Philip s works and thinking has a transnational character an important contribution to Filipino American history provides a window to the world of the manongs who were exploited by the agribusiness industry and growers as well as to the roots of their militancy enjoyed reading it very much Estella Habal Ph D Asian American Studies San Jose State University An insightful look into a philosophical and international mind and how his experiences influenced his political perspective that guided his actions The writings are relevant to the problems of today albeit in a different form highly recommend reading *The Original Writings of Philip Vera Cruz* Jovina Navarro Ph D Psychologist Counseling Services San Jose State University **Cesar Chavez** Richard Griswold del Castillo,Richard A. Garcia,1997-09-01 Explores the growth and development of the farm labor organizer *The Other Side of Paradise* Staceyann Chin,2009-04-14 Staceyann Chin has appeared on television and radio discussing issues of race and sexuality but it is her extraordinary voice that launched her career as a performer poet and activist here she shares her unforgettable story of triumph against all odds in this brave and fiercely candid memoir No one knew Staceyann s mother was pregnant until a dangerously small baby was born on the floor of her grandmother s house in Lottery Jamaica on Christmas Day Staceyann s mother did not want her and her father was not present no one except her grandmother thought Staceyann would survive It was her grandmother who nurtured and protected and provided for Staceyann and her older brother in the early years But when the three were separated Staceyann was thrust alone into an unfamiliar and dysfunctional home in Paradise Jamaica There she faced far greater troubles than absent parents So armed with a fierce determination and exceptional intelligence she discovered a way to break out of this harshly unforgiving world Staceyann Chin acclaimed and iconic performance artist now brings her extraordinary talents to the page in a brave lyrical and fiercely candid memoir about growing up in Jamaica She plumbs tender and unsettling memories as she writes about drifting from one home to the next coming out as a lesbian and finding the man she believes to be her father and ultimately her voice Hers is an unforgettable story told with grace humor and courage **Making Aztlán** Juan Gómez-Quiñones,Irene Vásquez,2014-04-30 This book provides a long needed overview of the Chicana and Chicano movement s social history as it

grew flourished and then slowly fragmented The authors examine the movement s origins in the 1960s and 1970s showing how it evolved from a variety of organizations and activities united in their quest for basic equities for Mexican Americans in U S society Within this matrix of agendas objectives strategies approaches ideologies and identities numerous electrifying moments stitched together the struggle for civil and human rights G mez Qui ones and V squeeze show how these convergences underscored tensions among diverse individuals and organizations at every level Their narrative offers an assessment of U S society and the Mexican American community at a critical time offering a unique understanding of its civic progress toward a more equitable social order César Chávez Kathlyn Gay,2017-07-15

Levy,2024-04-22 It is a powerful story the relationship between the 1960s New Left and organized labor was summed up by hardhats confronting students and others over US involvement in Vietnam But the real story goes beyond the Love It or Leave It signs and melees involving blue collar types attacking protesters Peter B Levy challenges these images by exploring the complex relationship between the two groups Early in the 1960s the New Left and labor had cooperated to fight for civil rights and anti poverty programs But diverging opinions on the Vietnam War created a schism that divided these one time allies Levy shows how the war combined with the emergence of the black power movement and the blossoming of the

counterculture drove a permanent wedge between the two sides and produced the polarization that remains to this day

The Congregationalist, 1920 *The Journal of Mexican American History*, 1975 Jon Lewis Richard Steven Street, 2013-10-01 Before the film *Cesar Chavez* Chavez's life was depicted in photographs by his confidant Jon Lewis In the winter of 1966 twenty eight year old ex marine Jon Lewis visited Delano California the center of the California grape strike He thought he might stay awhile then resume studying photography at San Francisco State University He stayed for two years becoming the United Farm Workers Union's semiofficial photographer and a close confidant of farmworker leader Cesar Chavez Surviving on a picket's wage of five dollars a week Lewis photographed twenty four hours a day and created an insider's view of the historic and sometimes violent confrontations mass marches fasts picket lines and boycotts that forced the table grape industry to sign the first contracts with a farm workers union Though some of his images were published contemporaneously most remained unseen Historian and photographer Richard Steven Street rescues Lewis from obscurity allowing us for the first time to see a pivotal moment in civil rights history through the lens of a passionate photographer A masterpiece of social documentary this work is at once the biography of a photographer an exposé of poverty and injustice and a celebration of the human spirit *American Book Publishing Record Cumulative, 1950-1977: Title index* R.R. Bowker Company. Department of Bibliography, 1978 Beyond the Fields Randy Shaw, 2008-11-17 Cesar Chavez is the most prominent Latino in United States history books and much has been written about Chavez and the United Farm Worker's heyday in the 1960s and 70s But left untold has been their ongoing impact on 21st century social justice movements *Beyond the Fields* unearths this legacy and describes how Chavez and the UFW's imprint can be found in the modern reshaping of the American labor movement the building of Latino political power the transformation of Los Angeles and California politics the fight for environmental justice and the burgeoning national movement for immigrant rights Many of the ideas tactics and strategies that Chavez and the UFW initiated or revived including the boycott the fast clergy labor partnerships and door to door voter outreach are now so commonplace that their roots in the farmworkers movement is forgotten This powerful book also describes how the UFW became the era's leading incubator of young activist talent creating a generation of skilled alumni who went on to play critical roles in progressive campaigns UFW volunteers and staff were dedicated to furthering economic justice and many devoted their post UFW lives working for social change When Barack Obama adopted Yes We Can as his 2008 campaign theme he confirmed that the spirit of Si Se Puede has never been stronger and that it still provides the clearest roadmap for achieving greater social and economic justice in the United States In the Face of Adversity Mary M. Case, 2018-11-12 This riveting inspirational story recounts how a young Jamaican woman survived a life of daunting obstacles and near death experiences by unleashing her unwavering faith in God Her faith gave her the power of self will and determination to break the odds and transform her life chances in amazing ways
