Prisoners of Politics Rachel Elise Barkow, 2019-03-04 A CounterPunch Best Book of the Year A Lone Star Policy Institute Recommended Book If you care as I do about disrupting the perverse politics of criminal justice there is no better place to start than Prisoners of Politics James Forman Jr author of Locking Up Our Own The United States has the highest rate of incarceration in the world The social consequences of this fact recycling people who commit crimes through an overwhelmed system and creating a growing class of permanently criminalized citizens are devastating A leading criminal justice reformer who has successfully rewritten sentencing guidelines Rachel Barkow argues that we would be safer and have fewer people in prison if we relied more on expertise and evidence and worried less about being tough on crime A groundbreaking work that is transforming our national conversation on crime and punishment Prisoners of Politics shows

how problematic it is to base criminal justice policy on the whims of the electorate and argues for an overdue shift that could upend our prison problem and make America a more equitable society A critically important exploration of the political dynamics that have made us one of the most punitive societies in human history A must read by one of our most thoughtful scholars of crime and punishment Bryan Stevenson author of Just Mercy Barkow s analysis suggests that it is not enough to slash police budgets if we want to ensure lasting reform We also need to find ways to insulate the process from political winds David Cole New York Review of Books A cogent and provocative argument about how to achieve true institutional reform and fix our broken system Emily Bazelon author of Charged Commitment and Sacrifice Marilyn

Shevin-Coetzee,Frans Coetzee,2015-07-01 For years those who attempted to understand the devastation of World War I looked to the collections of diplomatic documents the stirring speeches and the partisan memoirs of the leading participants However those accounts offered little by way of the intimate history or the individual experiences of those involved in the Great War In Commitment and Sacrifice Marilyn Shevin Coetzee and Frans Coetzee provide just such an intimate look by bringing together previously unpublished diaries of five participants in the First World War and restoring to publication the diary of a sixth that has long been out of print The six diaries address the war on the Western front and the Mediterranean as well as behind the lines on the home front Together these diarists form a diverse group John French a British sapper who dug precarious tunnels beneath the trenches of the Western Front Henri Desagneaux a French infantry officer embroiled in years of bloody combat Philip T Cate an idealistic American volunteer ambulance driver who sought to save lives rather than take them Willy Wolff a German businessman caught in England upon the war s outbreak and interned there for the duration James Douglas Hutchison a New Zealand artilleryman fighting thousands of miles from home and Felix Kaufmann a German machine gunner captured and held as a prisoner of war Through the personal reflections of these young men we are transported into many of the iconic episodes of the war from the upheaval of mobilization through the great battles of Gallipoli Verdun and the Somme as well as the less familiar other ordeal of internment and captivity As members of the so called Generation of 1914 each was between nineteen and twenty four years old they shared an unwavering commitment to their countries cause and possessed a steadfast determination to persevere despite often appalling circumstances Collectively these diaries illuminate the sacrifices of war whether willingly volunteered or stoically endured That the diarists had the desire and the ingenuity to record their experiences whether for their families posterity or simply their own personal satisfaction gives readers the ability to eavesdrop on horrors long past A century later we are fortunate that they were both willing and able to set pencil to paper **The SAGE Handbook of Political Geography** Kevin R Cox,Murray Low,Jennifer Robinson,2007-12-18 A thorough and absorbing tour of the sub discipline An essential acquisition for any scholar or teacher interested in geographical perspectives on political process Sallie Marston University of Arizona This unique book is a true encyclopedia of political geography Vladimir Kolossov Institute of Geography of the Russian Academy of Sciences and Vice

Questioning Punishment Henrique Carvalho, Anastasia Chamberlen, 2023-10-06 This book questions punishment as concept social phenomenon and contemporary practice It unpacks punishment s nature and the assumptions that underpin it examines its targets objectives and implications locates punishment and punitivity within their social contexts and aims to unsettle the idea that there is something common sensical necessary and unavoidable about punitive justice *Questioning Punishment* develops its argument through an innovative structure organised around five central questions what punishment is who punishment s targets and subjects are how punishment is perpetuated and experienced when and where punishment unfolds and why we punish It ends by considering the implications of this enquiry to understandings of punishment and broader pursuits of justice This book is essential reading for all those engaged with the sociology of punishment and prisons criminal justice and theoretical criminology

Emotions and Crime Michael Hviid Jacobsen, Sandra Walklate, 2019-06-11 In spite of the fact that crime is an emotive topic the question of emotion has been largely overlooked in criminological research which has tended instead to examine criminal conduct in terms of structural background variables or rational decision making Building on research into emotions within sociology this book seeks to show how criminologists can in fact take emotions seriously and why criminology needs to begin considering emotions as a

central element of its theoretical conceptual and methodological apparatus Thematically organised and presenting both empirical and theoretical studies Emotions and Crime pays attention to the different emotional dimensions of crime victimhood the criminal justice system the practice of criminological research and the discipline of criminology Bringing together the work of an international team of authors and discussing research into violence punishment gender imprisonment and mass atrocity this volume shows how crime and emotions are inextricably connected and illustrates both the hidden and pervasive role of emotions in criminological work

Let Them Eat Junk Robert Albritton, 2009-03-20 This book analyses the food industry from a Marxist perspective Let Them Eat Junk argues that the capitalist system far from delivering on the promise of cheap nutritious food for all has created a world where 25% of the world population are over fed and 25% are hungry This malnourishment of 50% of the world's population is explained systematically a refreshing change from accounts that focus on cultural factors and individual greed Robert Albritton details the economic relations and connections that have put us in a situation of simultaneous oversupply and undersupply of food This explosive book provides yet more evidence that the human cost of capitalism is much bigger than those in power will admit
