cheered Silence in the ranks roared Kennedy Right Quick march and the battalion marched off The day s work began with a run for three quarters of an hour to the bank of a river some two miles away A run so called for it consisted of slow and quick march and doubling in turn At eight o clock they were back in the hall for breakfast tea bread and bacon sausage or cheese The provisions were good the men had healthy appetites and at 9 15 when the battalion orders of the day were read they were contented and cheerful **Hearings** United States.
