Celty,2015-06-02 Excerpt from Feeding and Care of the Domestic and Long Haired Cat The owner of one or two cats if they be queens or neuters is not confronted with the problem of proper housing but should you find yourself with two or more males and several queens it then becomes necessary to give them proper quarters in which to live The building does not need to be elaborate but if possible should have a southern exposure well up from the ground plenty of windows as light and air are very essential Large roomy quarters for each male and do not attempt to house two males together Each room should be at least four by six feet with a wood floor covered with linoleum or any covering that can be scrubbed Rough wood floors not properly covered spoil the cats coat and make a good hatching place for flea eggs Attach to each room by a hole cut in the wall an outside run as large as space will permit I would suggest that this run be roofed as the hot sun plays havoc with the color of most of the long haired cats About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Long-Haired Cat Breeds** Christina Mia Gardeski,2019-05-01 What do Main Coones Ragdolls and Persians have in common They re all long haired cats Find out other similarities and even more differences in this fun and easy digital read **Persians** Joyce Markovics,2011-01-01 Persians are considered one of the oldest cat breeds They have always been prized for their long soft fur and beautiful looks Just take Gizmo who won Best in Show at the 2009 International Cat Show in Atlanta Georgia Her beautiful copper colored eyes fluffy fur and distinctive flat face wowed the judges so much that they awarded her first prize Not only are these cats beautiful but these puffballs also make great pets They are calm mild mannered and get along well with other cats dogs and children They are the purrfect addition to any family A narrative treat for all cat lovers Persians Long Haired Friends includes fun real life stories about these cats while also recounting the
