

A close-up photograph of a pair of elderly, wrinkled hands. The hands are cupped together, holding a small, rectangular piece of torn, off-white paper. The paper has a deckled edge and the words "LONG TERM CARE" printed on it in a bold, black, serif font. The background is dark and out of focus, showing a wooden surface. The lighting is soft, highlighting the texture of the skin and the paper.

LONG TERM CARE

Long Term Care

Carol Levine

Long Term Care:

Pratt's Long-Term Care: Managing Across the Continuum Steven Chies, 2020-10-01 Covering the full spectrum of long term care Pratt's Long Term Care Managing Across the Continuum Fifth Edition is an ideal introduction to management in this dynamic industry Concise yet complete it begins with a look at recent changes in long term care and health care reform before examining the various long term care providers and their interaction with competition payment systems quality and ethical issues It moves on to explore managing in the long term care system looking at administration leadership culture change technology and community relations and concludes with a look at future trends and managing continuing change The Fifth Edition is a comprehensive revision reflecting new Federal Requirements of Participation from CMS for skilled nursing facilities and changes the Medicare fee for service payment system PDPM It also addresses the Affordable Care Act and its impact on long term care as well as the growth of technology in care and more

Managed Community Long-term Care in Texas Policy Research Project on Managed Community Long-Term Care in Texas,1997

Long Term Care in Florida J. V. Lambert,2004 Florida has the largest proportion of elderly in the nation 2 8 million persons are over age 65 representing 17 6% of its total population The dramatic rise in the number of persons age 65 and over in Florida over the next 20 years estimated to total 26 3% of total population will further stretch the already limited resources of the state Aware of the pressing demand for long term care services well into the 21 century policymakers in Florida have begun seriously to review options for improving financing and delivery of long term care for the frail elderly and persons with disabilities Federal and state Medicaid spending in Florida was 2 6 billion in FY2001 and 30 5% of Medicaid spending was for long term care In FY2001 75 3% of total Medicaid spending was for institutional care Slightly less than 25% of Medicaid spending was channeled towards home and community based services Although institutional care dominated Medicaid spending there has been slow but steady expansion of home and community based services funding both through the use of Medicaid s waiver programs as well as significant support through state sources Among the major issues facing long term care in Florida are the fragmentation of long term care services among state and local agencies an imbalance in financing that favors institutional care rather than home and community based care shortage of health care workers and well trained staff throughout the long term care and disparities in

availability of services across the state *Long-Term Care Administration and Management* Darlene Yee-Melichar, Cristina Flores, Edwin Cabigao, 2014-02-07 This concise guide to long term services and supports introduces a broad array of topics and presents ideas on how to get more extensive information A variety of graphs tables and charts make the information easy to understand Overall the book is well organized with chapters that can stand on their own Readers considering going into long term care management or administration would find this book a valuable tool Doody's Medical Reviews This is a comprehensive reference for long term care administrators practitioners and students who want to understand the options issues and trends related to the effective administration and management of long term care communities The book is unique in its in depth focus on what needs to be accomplished and the evidence based information about what actually works Multifaceted insights address the ever changing world of the long term care industry and offer best practices and model programs in eldercare This multidisciplinary book covers the most crucial aspects of management including federal and or state regulations required to provide long term care services and operate long term care communities It offers advice on care at home naturally occurring retirement communities and continuing care retirement communities client care staff retention preventing elder abuse and neglect anticipating and managing litigation and arbitration in long term care aging and human diversity Alzheimer's Disease palliative care care transitions and much more Distilling many years of practical research and teaching experience the authors provide the necessary tools and tips that will enable professionals to maximize the quality of care and the quality of life for older adults living in long term care communities Each chapter includes helpful pedagogical features such as learning objectives case studies effective practices and or model programs in eldercare Key Features Based on federal and or state regulations required to provide long term care services and operate long term care communities Examines the complex operations of long term care options for effective eldercare Highlights the most cost effective practices and model programs in long term care communities that are currently used throughout the United States Provides useful tips about client care and staff retention as well as marketing and census development financing and reimbursement and legal issues Promotes innovative collaboration between education research and practice that is reflected by the training of the editors and contributing authors **The Future of Long-Term Care** Robert H. Binstock, Leighton E. Cluff, Otto Von Mering (Ph. D), 1996 Binstock Ethical Issues in Long Term Care Nancy Neveloff Dubler American Culture and Long Term Care Otto von Mering Forecasting the Future of Long Term Care Dennis L Kodner **Long-term Care** John R.
