The Book of Nature Barbara Mahany,2023-03-21 We live inside a nautilus of prayer if only we open our senses and perceive what is infused all around Throughout millennia and across the monotheistic religions the natural was often revered as a sacred text By the Middle Ages this text was given a name The Book of Nature the first best entry point for encounter with the divine The very act of reading the world of focusing our attention on each twinkling star and unfurling blossom humbles us and draws us into sacred encounter As we grapple to make sense of today s tumultuous world one where nature is at once a damaged and damaging source of disaster as well as a place of refuge and retreat we are called again to examine how generously it awaits our attention and devotion standing ready to be read by all Weaving together the astonishments of science the profound wisdom and literary gems of thinkers poets and observers who have come before us and her own spiritual practice and gentle observation Barbara Mahany reintroduces us to The Book of Nature an experiential framework of the divine God s first revelation came to us through an ongoing creation one that through stillness and attentiveness to the rumblings of the heavens the seasonal eruptions of earth the invisible pull of migration of tide and of celestial shiftings draws us into sacred encounter We needn t look farther for the divine **A View from Life's Edge** Corinne G.

Find Your Story, Write Your Memoir Lynn C. Miller, Lisa Lenard-Cook, 2013-05-31 Every person has a story to tell but few beginners know how to uncover their story's narrative potential. And despite a growing interest among students and creative writers, few guides to the genre of memoirs and creative nonfiction highlight compelling storytelling strategies. Addressing this gap, the authors provide a guide to memoir writing that shows how an aspiring writer can use storytelling tools and tactics borrowed from fiction to weave personal experiences into the shape of a story.

Woods & Words Sara Holly Ackerman, 2025-04-01 This inspiring and enriching picture book biography explores the life and work of beloved poet Mary Oliver in its own uniquely lyrical way, shining a light on Mary's belief that there are treasures and poems all around us in nature waiting to be discovered. Young Mary Oliver spent all the time she could outdoors, noticing natural wonders like alluring birdsong, velvety leaves, and glittering beams of sunlight. There were treasures all around if you paid attention. Eventually, she began writing about those treasures, filling up stacks of notebooks and capturing the world around her. There were always poems if you paid attention. As Mary grew up and gained acclaim for her poetry, some critics said her poems were too simple, too ordinary. But Mary believed poems were for everyone. So she wrapped herself in woods and in woods and kept on searching for what else and where else a poem might be.

Devotions: A Read with Jenna Pick Mary Oliver, 2020-11-10 Tell me what is it you plan to do with your one wild and precious life. Mary Oliver from *The Summer Day*, Pulitzer Prize-winning poet Mary Oliver presents a personal selection of her best work in this definitive collection spanning more than five decades of her esteemed literary career. No matter where one starts reading, *Devotions* offers much to love. The Washington Post: Throughout her celebrated career, Mary Oliver has touched countless readers with her brilliantly crafted verse expounding on her love for the physical world and the powerful bonds between all living things. Identified as far and away this country's best-selling poet by Dwight Garner, she now returns

with a stunning and definitive collection of her writing from the last fifty years Carefully curated these 200 plus poems feature Oliver s work from her very first book of poetry No Voyage and Other Poems published in 1963 at the age of 28 through her most recent collection Felicity published in 2015 This timeless volume arranged by Oliver herself showcases the beloved poet at her edifying best Within these pages she provides us with an extraordinary and invaluable collection of her passionate perceptive and much treasured observations of the natural world *Ralph Waldo Emerson* Prentiss

Clark,2023-01-05 In his 1837 speech The American Scholar Ralph Waldo Emerson noted life is our dictionary encapsulating a body of work that reached well beyond the American 19th century This comprehensive study explores Emerson as a preacher poet philosopher lecturer essayist and editor There are nearly 100 entries on individual texts and their personal historical and literary contexts Emerson s work is placed within his relationships with family members fellow Transcendentalists and transatlantic friends and his commitment to ethics self culture and social change This book provides the fullest possible exploration of Emerson s writing and philosophy Far ahead of his own time the man enthusiastically questioned institutions communities friendships history individuality and contemporaneous approaches to environmental stewardship **Upstream**

Mary Oliver,2019-10-29 One of O The Oprah Magazine s Ten Best Books of the Year The New York Times bestselling collection of essays from beloved poet Mary Oliver There s hardly a page in my copy of Upstream that isn t folded down or underlined and scribbled on so charged is Oliver s language Maureen Corrigan NPR s Fresh Air Uniting essays from Oliver s previous books and elsewhere this gem of a collection offers a compelling synthesis of the poet s thoughts on the natural spiritual and artistic worlds The New York Times In the beginning I was so young and such a stranger to myself I hardly existed I had to go out into the world and see it and hear it and react to it before I knew at all who I was what I was what I wanted to be So begins Upstream a collection of essays in which revered poet Mary Oliver reflects on her willingness as a young child and as an adult to lose herself within the beauty and mysteries of both the natural world and the world of literature Emphasizing the significance of her childhood friend Walt Whitman through whose work she first understood that a poem is a temple a place to enter and in which to feel and who encouraged her to vanish into the world of her writing Oliver meditates on the forces that allowed her to create a life for herself out of work and love As she writes I could not be a poet without the natural world Someone else could But not me For me the door to the woods is the door to the temple Upstream follows Oliver as she contemplates the pleasure of artistic labor her boundless curiosity for the flora and fauna that surround her and the responsibility she has inherited from Shelley Wordsworth Emerson Poe and Frost the great thinkers and writers of the past to live thoughtfully intelligently and to observe with passion Throughout this collection Oliver positions not just herself upstream but us as well as she encourages us all to keep moving to lose ourselves in the awe of the unknown and to give power and time to the creative and whimsical urges that live within us Prose Poetry in Theory and Practice Anne Caldwell,Oz Hardwick,2022-06-01 Prose Poetry in Theory and Practice vigorously engages with the Why and the How of

prose poetry a form that is currently enjoying a surge in popularity With contributions by both practitioners and academics this volume seeks to explore how its distinctive properties guide both writer and reader and to address why this form is so well suited to the early twenty first century With discussion of both classic and less well known writers the essays both illuminate prose poetry s distinctive features and explore how this outsider form can offer a unique way of viewing and describing the uncertainties and instabilities which shape our identities and our relationships with our surroundings in the early twenty first century Combining insights on the theory and practice of prose poetry *Prose Poetry in Theory and Practice* offers a timely and valuable contribution to the development of the form and its appreciation amongst practitioners and scholars alike Largely approached from a practitioner perspective this collection provides vivid snapshots of contemporary debates within the prose poetry field while actively contributing to the poetics and craft of the form

Grand Finales Susan Gubar,2025-06-10 One of our most formidable literary critics explores how nine women artists flourished creatively in their final acts In 2008 academic and scholar Susan Gubar was told by a trusted oncologist that she had only a few years left to live Though she outlived that dire prognosis this brush with mortality refocused her attention on the boons of a longevity she did not expect to experience She began to think In the last years of our lives can we shape and change our creative capabilities The resulting volume *Grand Finales* answers this question with a resounding yes Despite the losses generally associated with aging quite a few writers painters sculptors musicians and dancers have managed to extend and repurpose their creative energies Gubar spotlights very creative old ladies writers painters sculptors musicians and dancers from the past and in our times Each of *Grand Finales* nine riveting chapters features women artists George Eliot Colette Georgia O Keefe Isak Dinesen Marianne Moore Louise Bourgeois Mary Lou Williams Gwendolyn Brooks and Katherine Dunham who transformed the last stage of existence into a rousing conclusion Gubar draws on their late lives and works to suggest that seniority can become a time of reinvention and renewal With pizzazz bravado and geezer machismo she counters the discrediting of elderly women and clarifies the environments relationships activities and attitudes that sponsor a creative old age

Replenish Sandra Postel,2017-10-10 Nothing is more important to life than water and no one knows water better than Sandra Postel *Replenish* is a wise sobering but ultimately hopeful book Elizabeth Kolbert Remarkable New York Times Book Review Clear eyed treatise Postel makes her case eloquently Booklist starred

review An informative purposeful argument Kirkus We spend billions of dollars on irrigation dams sanitation plants and other feats of engineering to control water for our own prosperity What if the answer was not control but replenishment Sandra Postel takes readers around the world to explore water projects that work with rather than against nature s rhythms Forest rehabilitation is safeguarding drinking water farmers are planting cover crops to reduce polluted runoff and sponge cities are capturing rainwater to curb urban flooding Postel argues that efforts like these will be essential as we adjust to a hotter wilder climate Will we continue to fight the water cycle endangering ourselves and the planet or recognize our place in it and take advantage of the inherent services nature offers
