Davis,2024-05-15 Croatia is a magnificent land full of surprises Visitors are amazed to discover a country with spectacular natural wonders a great culinary tradition excellent wine architecture a beautiful language and a vibrant national culture While it is a small country when measured in square miles market size or military power it has a rich culture that has profoundly impacted the world The contributors to Croatian Cultural Renaissance From the Margins to the Crossroad of Europe were the protagonists who survived the communist period and then lived through the fraught period of the Croatian War of Independence in the 1990s they worked to understand build and preserve their cultural identity and freedom as Croatian people They are diplomats government officials artists and academics who are recognized within Croatia for their intellectual prowess and for their vital and noteworthy contributions to their country While the chapters explore different areas of Croatia s national culture they are united in showing how the national identity and ethos have deep roots and provide insight in what it means to be Croatian today **The Busy Periphery: Urban Systems of the Balkan and Danube Provinces (2nd - 3rd c. AD)** Damjan Donev,2019-12-19 This book reconstructs the urban geography of the Balkan and Danube provinces during the Severan dynasty mapping the variable developments of the urban network between and within the sub regions of that part of the Roman Empire It examines the role of the town in Roman provincial society and the prerequisites for their emergence and prosperity **The Body of the Combatant in the Ancient Mediterranean**

Hannah-Marie Chidwick,2024-07-25 This volume explores a broad range of perceptions receptions and constructions of the soldierly body in the ancient world putting the notion of embodiment at the forefront of its engagement with ancient warfare The 10 chapters presented here respond directly to the question of how war was embodied in antiquity by drawing on detailed case studies to examine the sensory and bodily experience of combat across wide ranging time periods and

geographies from classical Greece and Rome to Roman Britain and Persia Together they illustrate how the body in war is a vital universal element that unites these vastly different contexts Although the centrality of the human body in war making was recognized in antiquity a body centric approach to combat has yet to be widely adopted in modern Classical Studies This collection brings together new research in ancient history classical literature material culture bioarchaeology and art history within a theoretical framework drawn from recent developments in War Studies that places the body front and centre The new perspectives it offers on brutality in battle the physical expression of warrior identity and post combat remembrance and recovery challenge readers to re assess and expand their existing ideas as part of a broader ongoing call to arms to revolutionize the study of ancient warfare in the 21st century
