Congress. House. Committee on Veterans' Affairs, 1994 *United States Statutes at Large* United States, 1995 *Historical Dictionary of the 1940s* James Gilbert Ryan, Leonard C Schlup, 2015-03-26 The only available historical dictionary devoted exclusively to the 1940s this book offers readers a ready reference portrait of one of the twentieth century's most tumultuous decades In nearly 600 concise entries the volume quickly defines a historical figure institution or event and then points readers to three sources that treat the subject in depth In selecting topics for inclusion the editors and authors offer a representative slice of life as contemporaneous Americans saw it with coverage of people movements court cases and economic social cultural political military and technological changes The book focuses chiefly on the United States but places American lives and events firmly within a global context Professional Journal of the United States Army, 1994 **Military Review**, 1994 **Screens of Power** Timothy W.
