Collins, 2011-08-17 Abstract Poetry 4 Life is a robust collection of poems and inspirational writings that are designed to enlighten the mind strengthen the soul and liberate the spirit This abstract and innovative approach to poetic literature has changed lives as it touches the deepest places of the human essence Escape the chaos of life and embrace symmetrical harmony within the infinite places of imagination and poetic wonder *Fracture* Andrés Neuman, 2020-05-05 Critically acclaimed prize winning author Andr s Neuman s *Fracture* is an ambitious literary novel set against Japan s 2011 nuclear accident in a cross cultural story about how every society remembers and forgets its catastrophes Mr Yoshie Watanabe a former electronics company executive and a survivor of the atomic bomb has always lived like a fugitive from his own memories He s spent decades traveling the world making a life in different languages only to find himself home again living in Tokyo in his old age On the afternoon of March 11 2011 Watanabe like millions of others is stunned by powerful tremors A massive earthquake has struck to the north triggering the Fukushima nuclear disaster and a stirring of the collective past As the catastrophe unfolds Watanabe s mind too undergoes a tectonic shift With his native land yet again under nuclear threat he braces himself to make the most surprising decision of his nomadic life Meanwhile four women who have known him intimately at various points in time narrate their stories to a strangely obsessive Argentinian journalist Their memories colored by their respective cultures and describing different ways of loving trace sociopolitical maps of Paris New York Buenos Aires and Madrid over the course of the twentieth century The result is a metalingual border defying constellation of fractures in life and nature proof that nothing happens in only one place that every human event reverberates to the ends of

the earth With unwavering empathy and bittersweet humor and facing some of the most urgent environmental concerns of our time Andr s Neuman s *Fracture* is a powerful novel about the resilience of humankind and the beauty that can emerge from broken things
