*Race and State* Karen Fricker, Ronit Lentin, 2009-01-14 Speaking about racism in the western political climate of the first decade of the twenty first century is more difficult than ever before There is a feeling in post colonial and post immigration societies that the blatant overt racism of the past is no longer as pressing Admitting racism elicits discomfort because common wisdom tells us that racism opposes everything that we believe in as citizens of democratic civilised modern states Yet state racism appears to be here to stay and in many ways is more acceptable than ever before Immigration detention centres the deportation of failed asylum seekers and illegal immigrants racial profiling and the rolling back of liberties won by the civil rights movement are all examples of how state racism impacts on our daily lives *Race and State* contributes to breaking the taboo of discussing the links between race and state The papers collected in this book highlight the interconnections between race and state from historical theoretical or contemporary sociological perspectives Part I of the book looks at theoretical issues in conceptualising the race state relationship Part II examines racism in its most pernicious contemporary manifestation the racialisation of terror Part III on the racial state s of Ireland is an important addition to the debate examining Ireland as a test case for demonstrating and interpreting the relationship between race and state The Farrells of Donegal Sam Hanna, 2018-12-06 O Farrells Ferrells and others worldwide often ponder their Irish roots This is currently the most comprehensive attempt to explore the origins of one of the largest branches of the Farrells Ferrells It includes 1 400 years of Celtic roots in northwest Ireland Gaelic ancestry linked to St Colum Cille St Columba from c AD 655 400 year old associations with the Ulster Plantation and worldwide migration Those wishing to explore their own Irish family history and genealogy may use the methodology adopted by the author as a template for their own research Almost 1 000 references are detailed representing an invaluable resource to all those researching their Irish and Ulster roots The benefits of DNA testing in family history and genealogy are outlined and the results of the Donegal Farrell Ferrell DNA research are analysed Extensive genealogies of Ulster Farrells Ferrells and associated families from the sixteenth to twenty first centuries have been compiled and this database will assist others research their roots in Donegal Ulster and Ireland **The Longford Invasion** Diana Easton Francis, 2006-01-01 Longford in Sussex is only known to tourists as a toilet stop for coaches and its picturesque village pond with the famous Longford ducks That is until Grimston Manor is sold to the rich and mysterious Brother Arne a religious leader of a sect that believes in interplanetary communication The Atheoians are waiting for the aliens to land Unknown to the Atheoians their leader is really Robby Smith a jewel thief in hiding from a number of rather unpleasant people Twins Bert and Basil Broon are former partners of Robby but when he stumbled on the steal of a lifetime the Dammthescatt Crown Jewels during a state visit to Britain by the Emperor of Dammthescatt to keep the treasure to himself he betrayed his partners to the police Now the Broons are out of prison and after Robby And after the Broons are three members of the Dammthescatt death squad Meanwhile a group of elderly Longfordians have decided to turn to crime

to supplement their pensions A crime wave is about to hit Longford The ducks are stolen from the pond the supermarket appears to have been the subject of a foiled robbery a riot occurs a dentist is kidnapped and the bank is almost demolished Police Chief Inspector John Westbridge sends one of his men undercover to investigate the Atheoian cult A flying saucer is reported to have landed in the manor grounds and a man is seen apparently taking a body down into the sewers A film of the bank robbers reveals something that is not human Is Longford a British Roswell Strange armed men in black are sighted and the police fear some old ladies have been taken hostage Has a Longford invasion begun

**Tom, Ned and Kitty** Eliza Pakenham,2011-11-03 I am standing in the dining room of my father s house in Ireland gazing up at ten Pakenham family portraits What thoughts went on behind those passive chalky faces How can I bring them out of the shadows Eliza Pakenham granddaughter of the seventh Earl of Longford chronicles the fortunes of her colourful ancestors against the backdrop of Napoleonic wars and Irish revolutions Through her painstaking research and discovery of hidden records she unearthed the story of an

McLean, Alistair McMillan, 2005-09-29 This is the first survey of Unionism the ideology of most of the rulers of the United Kingdom for the last 300 years Because it was taken so much for granted it has never been properly studied Now that we stand in the twilight of Unionism it is possible to see it as it casts its long shadow over British and imperial history since 1707 The book looks at all the crucial moments in the history of Unionism In 1707 the parliaments and more important executives of England and Scotland were united During the 18th century although not immediately after 1707 that union blossomed and brought benefits to both parties It facilitated the first and second British Empires The Union of Great Britain and Ireland in 1800 01 was formally similar but behaviourally quite different It was probably doomed from the start when George III refused to accept Catholic Emancipation Nevertheless no leading British politician heeded the Irish clamour for Home Rule until Gladstone in 1886 That cataclysmic year has determined the shape of British and Irish politics ever since Having refused to concede Irish Home Rule through the heyday of primordial Unionism from 1886 to 1920 British politicians had to accept Irish independence in 1921 whereupon primordial Unionism fell apart except in Northern Ireland Twentieth century Unionism has been instrumental valuing the Union for its consequences not because it was intrinsically good As Unionism was inextricably tied up with the British Empire it nevertheless remained as a strong but unexamined theme until the end of Empire The unionist parties Conservative and Labour responded to the upsurge of Scottish and Welsh nationalism and of violence in Northern Ireland in the light of their mostly unexamined unionism in the 1960s With the departure from politics of the last Unionists Enoch Powell and John Major British politics is now subtly but profoundly different The Battle of
