

*LONGTIME CALIFORN'*

# Longtime Californ

**Michel S. Laguerre**

## **Longtime Californ:**

**Longtime Californ'** Victor Nee, Brett De Bary, 2014-10-29 Beginning with the immigrants who left poverty ridden villages in China to try for a better livelihood in America the narratives and extensive interviews of Longtime Californ tell the true story of the Chinese in America A young Chinese girl tells of being sold into slavery brought to America and rescued by a missionary men of Chinatown recall the awful conditions and long waits on Angel Island before being allowed into the country and remember the backbreaking experience of building the railroads that opened the West The young Chinese are also here some are angry and frustrated spending their time on street corners and in gang fights other are Marxist radicals trying to create social political and economic change in Chinatown ghetto And there are the workers who go back and forth each day to the garment factories and the shops each with his or her own story to tell each contributing his or her share to the country that is San Francisco Chinatown Throughout these and other stories the intricate patterns of Chinese life emerge as Chinese traditions and American customs combine to create the unique experience of Chinese Americas Longtime Californ goes beyond the hand laundries and restaurants with which Americans often associate the Chinese and unveils the secret societies the powerful family associations and the daily lives of the people of Chinatown **Longtime Californ'** Victor Nee, Brett de Bary Nee, 1981

**The Fall of the House of Labor** David Montgomery, 1987-08-28 This book studies the changing ways in which American industrial workers mobilised concerted action in their own interests between the abolition of slavery and the end of open immigration from Europe and Asia Sustained class conflict between 1916 and 1922 reshaped governmental and business policies but left labour largely unorganised and in retreat The House of Labor so arduously erected by working class activists during the preceeding generation did not collapse but ossified so that when labour activism was reinvigorated after 1933 the movement split in two These developments are analysed here in ways which stress the links between migration neighbourhood life racial subjugation business reform the state and the daily experience of work itself *The Asian American Movement* William Wei, 2010-06-18 The first history and analysis of the Asian American Movement

**Race Relations in the United States, 1900-1920** John F. McClymer, 2008-11-30 In the first decades of the twentieth century virulent racism lingered from Reconstruction and segregation increased Hostility met the millions of new immigrants from Eastern and southern Europe and immigration was restricted Still even in an inhospitable climate blacks and other minority groups came to have key roles in popular culture from ragtime and jazz to film and the Harlem Renaissance This volume is THE content rich source in a desirable decade by decade organization to help students and general readers understand the crucial race relations of the start of modern America Race Relations in the United States 1900 1920 provides comprehensive reference coverage of the key events influential voices race relations by group legislation media influences cultural output and theories of inter group interactions The volume covers two decades with a standard format coverage per decade including Timeline Overview Key Events Voices of the Decade Race Relations by Group Law and

Government Media and Mass Communications Cultural Scene Influential Theories and Views of Race Relations Resource Guide This format allows comparison of topics through the decades The bulk of the coverage is topical essays written in a clear encyclopedic style Historical photos a selected bibliography and index complement the text      **Community Activism and Feminist Politics** Nancy A. Naples,1998 First Published in 1998 Routledge is an imprint of Taylor Francis an informa company      Chinese Rural Development William L. Parish,1985 This text examines the Pacific War the Korean War and the Vietnam War from the perspective of those who fought the wars and lived through them The relationship between history and memory informs the book and each war is relocated in the historical and cultural experiences of Asian countries

**Terroristic Activity** United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate the Administration of the Internal Security Act and Other Internal Security Laws,1975      Empress San Francisco Abigail M. Markwyn,2014-10-01 When the more than 18 million visitors poured into the Panama Pacific International Exposition PPIE in San Francisco in 1915 they encountered a vision of the world born out of San Francisco s particular local political and social climate By seeking to please various constituent groups ranging from the government of Japan to local labor unions and neighborhood associations fair organizers generated heated debate and conflict about who and what represented San Francisco California and the United States at the world s fair The PPIE encapsulated the social and political tensions and conflicts of pre World War I California and presaged the emergence of San Francisco as a cosmopolitan cultural and economic center of the Pacific Rim Empress San Francisco offers a fresh examination of this one of the largest and most influential world s fairs by considering the local social and political climate of Progressive Era San Francisco Focusing on the influence exerted by women Asians and Asian Americans and working class labor unions among others Abigail M Markwyn offers a unique analysis both of this world s fair and the social construction of pre World War I America and the West

Chinese American Literature Since the 1850s Xiao-huang Yin,2000 This volume an introduction and guide to the field traces the origins and development of a body of literature written in English and in Chinese      The Population of Modern China Dudley L. Poston Jr.,David Yaukey,2013-11-11 Student interested in world populations and demography inevitably need to know China As the most populous country of the world China occupies a unique position in the world population system How its population is shaped by the intricate interplays among factors such as its political ideology and institutions economic reality government policies sociocultural traditions and ethnic divergence represents at once a fascinating and challenging arena for investigation and analysis Yet for much of the 20th century while population studies have developed into a mature science precise information and sophisticated analysis about the Chinese population had largely remained either lacking or inaccessible first because of the absence of systematic databases due to almost uninterrupted strife and wars and later because the society was closed to the outside observers for about three decades since 1949 Since the end of the Cultural Revolution things have dramatically changed China has embarked on an ambitious reform program where

modernization became the utmost goal of societal mobilization China could no longer afford to rely on imprecise census or survey information for population related studies and policy planning nor to remaining closed to the outside world Both the gathering of more precise information and access to such information have dramatically increased in the 1980s Systematic observations analyses and reporting about the Chinese population have surfaced in the population literature around the globe

**Historic Underground Missoula** Nikki M. Manning,2015-03-30 Much of Missoula s history lies beneath the surface As in many Old West cities cavernous underground tunnel systems purportedly hid countless nefarious activities from clandestine prostitution and Chinese opium dens to booze running during Prohibition These sordid tales captivate today s residents and beg questions about the city s furtive past Did local elite gentlemen mask their carnal habits there Did John Wayne really use the passageways to run personal errands unnoticed Author and urban archaeologist Nikki Manning ventures below to reconcile oral history with archaeological data in a fascinating exploration of Missoula s subterranean labyrinths

**The Informal City** Michel S. Laguerre,2016-07-27 In this book Michel S Laguerre argues that there exists an informal city located just beneath and in the interstices of the formal city The metaphor is not geographical but rather structural and hermeneutical This is the city where manoeuvres that cannot be done publicly legally ethically or otherwise are performed The author shows with illustrative data drawn from the American urban experience the San Francisco Oakland Metropolitan area why and how the informal city must be seen as the hidden dimension of the formal city

**American Workers, Colonial Power** Dorothy B. Fujita Rony,2003-03-04 Historically Filipina o Americans have been one of the oldest and largest Asian American groups in the United States In this pathbreaking work of historical scholarship Dorothy B Fujita Rony traces the evolution of Seattle as a major site for Philippine immigration between World Wars I and II and examines the dynamics of the community through the frameworks of race place gender and class By positing Seattle as a colonial metropolis for Filipina os in the United States Fujita Rony reveals how networks of transpacific trade and militarism encouraged migration to the city leading to the early establishment of a Filipina o American community in the area By the 1920s and 1930s a vibrant Filipina o American society had developed in Seattle creating a culture whose members including some who were not of Filipina o descent chose to pursue options in the U S or in the Philippines Fujita Rony also shows how racism against Filipina o Americans led to constant mobility into and out of Seattle making it a center of a thriving ethnic community in which only some remained permanently given its limited possibilities for employment The book addresses class distinctions as well as gender relations and also situates the growth of Filipina o Seattle within the regional history of the American West in addition to the larger arena of U S Philippines relations

**Beauty and Business** Philip Scranton,2014-03-05 Beauty seems simple we know it when we see it But of course our ideas about what is attractive are influenced by a broad range of social and economic factors and in Beauty and Business leading historians set out to provide this important cultural context How have retailers shaped popular consciousness about beauty And how in turn have cultural

assumptions influenced the commodification of beauty The contributors here look to particular examples in order to address these questions turning their attention to topics ranging from the social role of the African American hair salon and the sexual dynamics of bathing suits and shirtcollars to the deeper meanings of corsets and what the Avon lady tells us about changing American values As a whole these essays force us to reckon with the ways that beauty has been made bought and sold in modern America

**Shifting the Center** Susan J. Ferguson, 2022-11-21 Shifting the Center Understanding Contemporary Families Sixth Edition is a popular anthology of readings used in Sociology of Family and of Marriages Families Intimate Relationship courses Editor Susan J Ferguson brings together carefully selected pieces written by leading family researchers and drawn from a variety of scholarly sources including articles from the leading family journals and excerpts from several classic book length studies She also provides background and context to help students connect the topics in the readings to the broader themes in the study of family sociology The table of contents follows the same scope and sequence as the leading family survey texts

**Housing and Planning References**, 1974

**The Handbook of Economic Development and Institutions** Jean-Marie Baland, François Bourguignon, Jean-Philippe Platteau, Thierry Verdier, 2020-01-21 The essential role institutions play in understanding economic development has long been recognised and has been closely studied across the social sciences but some of the most high profile work has been done by economists many of whom are included in this collection covering a wide range of topics including the relationship between institutions and growth educational systems the role of the media and the intersection between traditional systems of patronage and political institutions Each chapter covers the frontier research in its area and points to new areas of research and is the product of extensive workshopping and editing The editors have also written an excellent introduction which brings together the key themes of the handbook The list of contributors is stellar Steven Durlauf Throsten Beck Bob Allen and includes a diverse mix of Western and non Western male and female scholars

Technologies of Kinship LiLi Johnson, 2025-11-25 Technologies of Kinship traces how technology and technological systems have shaped the co constitution of Asian American racial formation and family and kinship in American culture Provided by publisher

**Ethnicity and Race** Stephen Cornell, Douglas Hartmann, 2006-12-15 This book is very well written and clearly organized throughout It is pitched at upper level undergraduate and graduate level race and ethnicity students in sum this is an important book highly recommended to students and faculty alike The authors draw extensively from classic and contemporary sociological theory throughout the text and maintain a transnational focus in each and every chapter

TEACHING SOCIOLOGY Ethnicity and Race Making Identities in a Changing World Second Edition uses examples and extended case studies from all over the world to craft a compelling even handed account of the power and persistence of ethnicity and race in the contemporary world Known for its conceptual clarity world historical scope and fair minded treatment of these oft controversial topics this updated and expanded edition retains all of the core elements and constructionist insights of the original

## The Enigmatic Realm of **Longtime Californ**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Longtime Californ** a literary masterpiece penned by a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of people who partake in its reading experience.
