Coriolis A.D. Lauren-Abunassar,2023-10-30 The Coriolis effect from which A D Lauren Abunassar s hyperkinetic debut collection borrows its title describes a force that deflects a mass off course This concept is at play both formally and psychically in Coriolis recognized in Leila Chatti s Foreword as a book of wanting of lack absence disintegration opacity and yearning If only I could cut out the part of me shaped like wanting writes Lauren Abunassar At times the thing wanted for is love Other times family certainty belonging home safety wellness wholeness or simply for a thing to be clean Always these poems reveal the shape of the want by illuminating its outline Perhaps the speaker of these poems wants most of all to be seen despite her reflex to deflect when she discloses a shame or trauma often by depositing the self revelation within rapid teeming strings of thought Yet as much as this speaker may be an introvert in life Every time someone says my name it surprises me Because I am lonely I am always shying away from the mirror Today I woke up feeling like an already said thing many of her utterances are exuberantly uninhibited Small trees live inside me Lauren Abunassar admits passingly in one poem And in another When I dream of myself my mouth blooms many hands They reach in all shapes and directions
