*Look at Me* Mareike Krügel, 2018-02-26 Katharina s husband isn t coming home for the weekend again so she s on her own When their chaotic daughter Helli has a nosebleed Kat has to dash off to school to pick her up Then their son Alex announces he s bringing his new girlfriend home for the first time Kat s best friend from college is coming around tonight too and she s wondering if she should try to seduce

him but first she needs to do the shopping the vacuuming and the laundry deal with an exploding clothes dryer find their neighbour's severed thumb in the front yard and catch a couple of escaped rodents When she's got all that sorted perhaps she'll have time to think about the thing she's been trying not to think about the lump she's just found in her breast Because you can't just die and leave a huge mess for someone else to clean up can you And wasn't there supposed to be more to life than this Mareike Krügel lives in Schleswig Holstein with her husband and their two children She has received numerous literary awards including the Friedrich Hebbel Prize Look at Me is her fourth novel and the first to be translated into English Funny moving and thought provoking BookMooch Kat and her family are deeply flawed but likeable characters you want to cheer them on A good read suitable for long dark evenings Otago Daily Times A quirky ride that masterfully blends a sardonic sense of humour with a deeply embedded fear of mortality Readings For all the chaos of Katharina's life and for all the humour of her narrative voice this well written and surprisingly complex novel has an unexpected gravitas Age Definitely one of those read in one sitting hard to put down books Nudge Books An enjoyable and thought provoking read MindFood With a heroine so well realised she feels like a friend and piercingly true ruminations on the strange courses that life can take Look At Me is a wildly impressive English language debut Culturefly Full of whimsical inner monologues and snappy one liners Booklist Krügel knows her way around both the salty and sweet of marriage and motherhood Kirkus Reviews *Look at Me Daddy!!!!* Jarvis F. Wright Sr.,2020-03-12 I hear look at me Daddy at least a million times a day from my daughter It is very important to her that I am watching when she is doing something It doesn't matter what it is One day an overwhelming thought popped into my mind while watching my daughter engage in yet another activity that she wanted me to watch her do The thought was that my daughter did not just crave my attention she craved my affirmation She didn't want me to just SEE what she was doing she wanted me to SEE her She wanted me to show her that I was interested in her as a person The beginning pages of this book are addressed to fathers I explain in detail the insight that I received that day watching my daughter This profound thought led to an extensive search for the true significance of the daddy daughter relationship The second part of the book is written in a way that not only demonstrates how dads can affirm their daughters with just simple daily interactions but allows the book to be used as a tool to interact with their daughters This book can be read to daughters by dads as a bedtime story Besides reading with our children is as fundamental as affirming them Look at Me! Orville Gilbert Brim,2010-04-23 Four million adults in the United States say that becoming famous is the most important goal in their lives In any random sampling of one hundred American adults two will have fame as their consuming desire What motivates those who set fame as their priority where did the desire come from how does the pursuit of fame influence their lives and how is it expressed Based on the research of Orville Gilbert Brim award winning scholar in the field of child and human development Look at Me answers those questions Look at Me examines the desire to be famous in people of all ages backgrounds and social status and how succeeding or failing affects their lives and their personalities It explores the

implications of the pursuit of fame throughout a person's lifetime covering the nature of the desire for fame, money and power, the sources of fame, how people find a path to fame, the kinds of recognition sought, creating an audience, making fame last, and the resulting often damaged life of the fame seeker. In our current age of celebrity fixation and reality television, Brim gives us a social psychological perspective on the origins of this pervasive desire for fame and its effects on our lives. *Look at Me* is a fascinating in-depth study of society's obsession with fame. If you ever wondered what it's like to be famous, why fame comes to some and is sought by others, it's all here. Jeffrey L. Bewkes, Chairman and CEO of Time Warner, in a voice filled with wisdom and insight, daring and self-reflection, Orville Brim masterfully traces the developmental origins and trajectory of fame. *Look at Me* lets us see with new eyes the cultural priorities and obsessions that feed our individual hunger and appetites. A rare and rewarding book. Sara Lawrence Lightfoot, Emily Hargroves Fisher, Professor of Education at Harvard University and author of *Respect* and *The Third Chapter*. Orville Gilbert Brim has had a long and distinguished career. He is the former director of the John D. and Catherine T. MacArthur Foundation Research Network on Successful Midlife Development, former president of the Foundation for Child Development, former president of the Russell Sage Foundation, and author and coauthor of more than a dozen books about human development, intelligence, ambition, and personality. **Look At Me Now** Miriam Weiser, 2020-11-20 Born to uncaring parents who subsequently divorce, Rifka is left fighting for love and attention. Rifka discovers much too early that she cannot confide in anyone, that she cannot rely on anyone, and that her own family was a lost cause. Left to her own devices, shunned and shoved from place to place and from school to school, she manages to grow nevertheless into a smart, capable woman who lives her life with gusto and a positive attitude.

**Who Look at Me?!** Durell M. Callier, Dominique C. Hill, 2019-01-21 *Who Look at Me: Shifting the Gaze of Education through Blackness, Queerness, and the Body* explores how we as a society see Blackness and, in particular, Black youth. Drawing on a range of sources, the authors argue that the ability to operationalize the sentiment that Black Lives Matter requires seeing Blackness wholly as queer and as a site of subversive knowledge production. Continuing the work of June Jordan and Langston Hughes and based on their work as a Black queer artist collective known as Hill L. Waters, *Who Look at Me* provides alternative tools for reading about and engaging with the lived experiences of Black youth and educational research for and about Black youth. In this way, the book presents not only the possibilities of envisioning teaching and research practices but presents examples that embrace, celebrate, and make room for the fullness of Black and queer bodies and experiences. This work will appeal to those interested in emancipatory methodological and educational practices as well as interdisciplinary conversations related to sociocultural constructions of race and sexuality, politics of Blackness, and race in education.

**and Judge** Barbara Dykes,2012-07-24 This life changing message was inspired by the many individuals I interviewed who told me that they didn t enter a church building because they felt like individuals would judge them because they were not perfect It was devastating to me to know that we have so many spiritually blinded individuals in church who are perishing for a lack of knowledge of God s Word and being so spiritually blind that we can not see the speck in their own eye but they think they have the ability to judge another It is such a sad mission to sit in a church building for 50 or 60 years but to get to the gate and God says I never knew you because you have caused lost souls to remain bound in their chains because of your spiritual righteousness A Look at Me in the Mirror Rhonda Johnson,2022-06-28 This book is about the life of a little girl who had to grow up fast She endured several scary things in her life She was spoiled by her family She encountered more than a little girl should ever have to Crying not knowing what to do she would figure it out I can t tell anyone something bad will happen to us She did just that she figured it out and began a new journey of more excitement **McClure's Magazine**
